STRUCTURAL STABILITY CERTIFICATE

It is to certify that Daly College, located in 1, Residency Area, Indore (M.P.) has structurally safe & sound buildings for conducting the classes & other school activities and also complies with general safety requirements in accordance with the provisions of the state.

The school is located in healthy surroundings, buildings are well ventilated and campus is neat & tidy.

Inspection was carried out by me on 17-07-2023 & have found that buildings and premises are fit for occupancy of students and staff.

Further it is suggested to undertake the following inspection regularly or periodically.

1. All structural elements like wall, load bearing wall, column, beam, lintel, slab & plastering to ensure its functionality & safety.
2. Any unusual settlements of floor, wall, foundation or distressing of any members of the building.
3. Maintenance of building to ensure safety before & after the monsoon period or as & when required.
