## THE DCYP

With 225 delegates from 17 different schools and 3 different countries, the Daly College embarked on a journey for the first of its kind Youth Parliament in the country held from the 24th to 26th of June 2016.

Seven committees were simulated. The Constituent Assembly of 1946 witnessed serious debate on the formation of states and finally they managed to change what the Map of India looks like with no Pakistan but Hyderabad as an independent Nation; the 1991 Lok Sabha saw new Bills being passed making economic reforms to change the face of the Indian Economy and introduction of Liberalization, Privatization and Globalization of policies. The two overseas legislative councils included were The United States Senate Committee on Foreign Affairs and the British House of Commons. BREXIT was the hot topic of discussion in the

House Commons whereas heated debates on US's foreign relations with Iraq, Iran and Syria were seen in the US Senate committee.

The Ad Hoc Committee on women saw very serious discussions on gender discrimination against women and despite disagreements they were able to pass a report. The Futuristic National Security Council placed in the year 2100 went through a series of crisis and in the midst of it all the future high ranking officers, of one of the Super Powers of the world; India, discussed the redrafting of its National Security Policy. The Indian Press Committee simulated three Indian Dailies. Here there were no delegates but reporters who like the journalists brought back reports of the different committees.

The very successful three- day conference concluded with a closing ceremony, which was looked forward by all the delegates, since it included the most quintessential part of the conference, namely, the prize distribution! With the completion of this conference, we ended up marking a new beginning, since it has left an appreciable impact on everyone and especially the young delegates who have returned enriched and ready to bring about a change, as the theme of the conference suggests realizing the power within them (the youth). LUVENUS VIRTUTE Youth Power.

## CONFERENCES & EXCHANGES

### Exchange to Germany

My six week exchange to Stiftung Louisenlund was awesome. With my bags filled with necessities and my heart with excitement, I left India on 24th of April. When I reached Germany; the place was filled with snow and was really beautiful. My host family was really caring and kind, although I would be with them only on the weekends. The school was huge and beautiful and had various sports and activities. I was also accompanied by other exchange students from Columbia, Australia, South Africa and New Zealand. The education system was far different from ours. I visited some cities in northern Germany, namely Hamburg, Dresden and Ekenforde. The German architecture is mind blowing and the lifestyle is incredible. People were really friendly. The activities in which I enrolled myself in were fishing, sailing, rugby, basketball, golf and fine arts. The exchange was nice and a completely different experience. It was hard to leave so many friends behind and come back, but this experience changed me completely into a different person who could do things by himself and live his life in his own way. I would like to thank the school for giving me this opportunity and would like to encourage people to go on exchanges.

### Exchange to Australia

Travelling for 15 hours, 3 stops, 5 funky friends and a physics teacher was an experience of its kind. We left the Indian soil on the 21st and landed onto the Australian one on the 22nd May. We were warmly welcomed by some unexpected rain in Sydney. Temporarily residing in Sydney for 3 days, we went around some iconic spots including the Opera house, the Australian Lotus temple, Harbour Bridge, the Blue Mountains and the Bondi beach.

25th was the most awaited day as we finally met our host families in Melbourne. Staying with a host family was an altogether different experience. The very next day we all were out for a city bound experience, where we had to apply more of our geographical skills. This city bound was not only about travelling places but also about having the feel of professionalism as we had been given deadlines for submission, working from 9 to 5, signing in and out once we were done with work and formally presenting our findings on the very last day. This program taught us the essentials of teamwork. Visiting Australian Court was an experience in itself. On the very last day, we went tree surfing which was more like an adventure. Overall this tree surfing experience was fun and a whole new ball game for us. Despite knowing the fact that we only had 2 weeks with us but we made the most out of it and made everlasting bonds. Bidding adieu to our hosts was the toughest of all tasks.

At the end, we would like to thank Madam Badhwar for giving us this wonderful opportunity and Mr. Nagpal for escorting us.

## US: WEST COAST

The trip to West Coast between 15th to 27th May 2016 has been a memorable experience for Daly college students. There were 17 students and two escort teachers. The journey was via Delhi - Dubai to Los Angeles. The arrival at the destination after a long journey was compensated by a good meal and comfortable stay at the Inn. The next morning the tour began with the visit to UCLA. One of the very reputed and sought after university. A guided campus tour taken by an old student gave a lot of information about the various courses offered by the University and requirement of the admission procedures. The second university visit was at Caltech where a detailed presentation and face to face interaction helped to get a response to different queries. The best of the opportunity came when everyone reached the DISNEY WORLD. The most sought for destination with a number of fun filled activities. The worth watching fire cracker show at the end of the day left everyone spell bound and mesmerized. Visit to Griffith Observatory, Madam Tussauds, Hollywood Boulevard filled everyone with enthusiasm. The visit to Universal studio and the amazing rides left everyone dazed. The road route to Les Vegas gave an amazing view of excellent architecture. The strip walk during the night made the city look dazzling and it seemed as if people never sleep there. The visit to Hoover dam and Grand Canyon left an unforgettable experience to be with friends under an open sky. The visit to San Francisco gave a glimpse of all tech giants and their banner boards. The visit to Intel Museum, Google Office and Apple Headquarters was quite an unusual experience and learning. The visit to University of Stanford and Berkley was an eye opener during the guided campus tour. The breeze at the Golden Gate Bridge and the Fisherman's Wharf Pier, the home of sea lion basking in the sun on dock boats were unforgettable. The US West Coast tour is a life time remembrance for each one and we thank the school and Inzio Group for giving us this travel opportunity.

## FRANCE SWISS TOUR

A group of eight students and one escort teacher started the trip to France and Switzerland on 11th May 2016. The group landed in Paris after a long flight and had a quick city tour. Watching astonishing heritage, the day ended with transfer to hotel rooms. Next day the group left for Louvre museum, the biggest museum in the world famous for its statues and paintings. The main attraction of the museum was the famous paintings of Monalisa and the statue of Aphrodite. It is said that it takes almost two weeks for watching all the statues and paintings of Louvre museum.

After the city tour, the group visited the famous Eiffel tower, climbed up to second floor from where one could see the astonishing scenic beauty of the whole city. The most awaited visit to Disneyland filled the group with fun and frolic. Everyone enjoyed almost all the rides at the Disneyland. Next day after a six hours bus journey the group reached to Geneva. After sightseeing of the city, the group had a boat ride at Geneva Lake and reached one of the highest fountains. After the city tour and a special visit to UN the group headed for Zurich. Then the group reached Mount Titlis with -3 degree temperature, one of the highest peaks of the world. On the return journey in Lucerne the group visited Lion monument, Chapel Bridge & Water Tower. The group also visited Rhine Fall, Swiss Transport Museum and Lindt chocolate factory. The visit to Montana School in Zugerberg gave an insight to the Swiss way of education. Attending the Mathematics class was an awesome experience. The group is thankful to the school for giving this wonderful opportunity.

## Hotchkiss Report

Exchange to Hotchkiss has been one of the most memorable experiences of my life. It helped in learning and growing not only as a student but as an individual too. Going to an exchange is a lot more than it might seem. One gets to gain tremendous amount of knowledge that too in a foreign country studying with students from all around the world and understanding their culture while living in a boarding; which can sometimes be challenging if it is one's first time. Challenges such as doing your own laundry took little time to handle. Other than that, living in a hostel for 2 months can really set one straight in terms of discipline, routine, time management etc. The classes which I opted for were Maths, Humanities, Photography and Science. It was always fun doing the assignments given by the teachers as they always pushed you to think harder and be creative. Sports were no less, I had taken track and field as my choice of sport while at Hotchkiss. I went for 3 meets in 3 different schools, all three being very competitive and zealous.

One thing that I will really miss about Hotchkiss would be taking walks around the schools magnificent lake, which was always very mesmerizing. Friends and memories made there will be cherish for a lifetime and hope that I have made our school proud.

## Exchange to South Africa

After a long awaited moment, came May 3, the time for going on an individual exchange. I reached Johannesburg, South Africa after a journey of 9 hours. The host family was already there at the airport to receive me. The host family was really welcoming and so was the school. The teachers made the classes really comfortable for me and made efforts to see that I was a part of Saints. There were many activities organized by the school such as visit to old age home, cable tower, Google workshop and the best was Bush School where the students are supposed to live without technology for weeks. But then, it was fun. My host family had taken me to various places such as Mebula Game Drive where I fed Cheetah, Sandton city, Mall of Africa and beautiful Cape Town. Best part of this Exchange was, attending school at Saints, making friends there and experiencing African culture. This exchange has been very fruitful for me.

## Pre - Primary News

As someone rightly said that 'Distance makes the heart grow fonder ! The two months long summer break only made our kids crave for school plenty.

They returned to school, not only joyous and refreshed but with renewed enthusiasm!

Their new premises at the 'Malwa house' was a cherry on the cake.....big classrooms, quadrangle, a garden at the Kataria lake with lots of ducks heightened their spirits further.

The studies went hand in hand along with various activities planned to keep our little ones busy.

The term kick started with summer season being the topic of discussion. The holiday talks kept the back to school atmosphere alive.

We bid adieu to Summers with a Fruit Salad Party and welcomed the Monsoon season with open arms, with regular cooing of peacocks at our classroom windows.

Green Day was celebrated with great fervor as the children sowed seeds to grow the plants and learnt the importance of Organic gardening at our very own Green Club of DC.

We now gear up excitedly for our collaborative activity of British council, the topic of which being Birds!

किसी भी विद्यालय को बुलंदियों के शिखर पर उसके विद्यार्थी ही ले जाते हैं। विद्यार्थियों का ध्येय अपने विद्यालय को सर्वश्रेष्ठ बनाए रखने का होना चाहिए। इस वर्ष डी.सी. में चुने गए विभिन्न छात्र पदाधिकारियों ने इस अंक के माध्यम से विद्यालय को और अधिक बेहतर बनाने के लिए अपनी योजनाओं और सुझावों से हमें अवगत कराया है। ये लोग विद्यालय को साहित्य और सांस्कृतिक गतिविधियों के साथ खेल तथा पढ़ाई-लिखाई में भी ऊँचाइयों पर देखना चाहते हैं। आशा है यह अंक आपको पसंद आएगा।

## भाषा ज्ञान के लिए कार्यशालाओं का आयोजन

डी.सी. के विद्यार्थियों के भाषा ज्ञान में वृद्धि के लिए मैं विशेष कार्यशालाओं का आयोजन करना चाहता हूँ। मैं डायनिंग हॉल और लायब्रेरी के लिए विशेष 'ऐप' बनाना चाहता हूँ ताकि ज़्यादा से ज़्यादा लोगों को इसका फ़ायदा मिल सके। मैं ऑन लाइन कोर्स के लिए विद्यार्थियों को प्रेरित करना चाहता हूँ। डायनिंग हॉल का बचा हुआ खाना किसी एन.सी.ओ. के माध्यम से ज़रूरतमंद लोगों तक पहुँचाना चाहता हूँ। मैं डी.सी. के

लिए अपना सकारात्मक सहयोग देकर इसे हमेशा शिखर पर देखना चाहता हूँ।

## एक दूसरे के प्रति गहरा रिश्ता हो

बेहतरीन प्रदर्शन की परंपरा को आगे बढ़ाने वाले अशोक हाऊस का प्रीफेक्ट बनकर मैं अपने आप को बहुत ही सौभाग्यशाली मानता हूँ। इसके साथ-साथ मैं इस पद की ज़िम्मेदारी से भी भलीभाँति वाकिफ़ हूँ। मेरे कंधों पर बड़ी ज़िम्मेदारी है। इस पद पर होने के साथ ही मेरी इस पद की जवाबदारियों से जुड़ी हुई इच्छाएँ भी हैं, जिन्हें मैं जल्द ही पूरा करना चाहता हूँ। मैं चाहता हूँ कि हमारे हाऊस के विद्यार्थी सांस्कृतिक व खेल से जुड़ी हुई प्रतियोगिताओं में बेहतरीन प्रदर्शन करें और अपने हाऊस का नाम रोशन करें, इसके साथ-साथ परीक्षाओं में अच्छे अंक लाकर अपना योगदान दें। हाऊस स्टाफ और बच्चों के बीच एक अटूट और गहरा रिश्ता हो। हम सब मिलकर हाऊस का नाम रोशन करें।

## कैंसर फाउंडेशन के लिए काम करना

मैं कोशिश करूँगा कि डी.सी. में कैंसर फाउंडेशन के साथ जुड़कर जो कार्य किया जा रहा है, वह आगे बढ़े। कासलीवाल ट्राफी के दौरान टेद्रा पैक में फ्रूट जूस और चॉकलेट बेंचकर फंडिंग करने के भी प्रयास करूँगा जिससे कैंसर फाउंडेशन को सहायता मिले। बुधवार के दिन जब कोई कार्यक्रम नहीं होगा तब प्रेरणादायक वीडियो दिखाए जाएँगे। मैं गाँवों में जाकर वहाँ के बच्चों को पढ़ाने में मदद करना चाहता हूँ। इसी के साथ मैस में बचे खाने को एन.जी.ओ. की गाड़ी द्वारा पास के गाँवों के गरीबों तक पहुँचाना चाहता हूँ। आशा करता हूँ इन सब में आप मेरी मदद करेंगे।

## भारतीय संस्कृति को बढ़ावा दिया जाए

मैं सांस्कृतिक प्रीफेक्ट होने के नाते इस विद्यालय से यह उम्मीद करती हूँ कि बच्चे ज़्यादा से ज़्यादा सांस्कृतिक गतिविधियों में भाग लें। हम अपनी भारतीय संस्कृति से हटते जा रहे हैं, इसलिए मैं चाहती हूँ कि भारतीय संस्कृति को और बढ़ावा दिया जाए।

मुझे यह देखकर बहुत खुशी होगी कि बच्चे शिक्षकों पर निर्भर नहीं रहें और इन सारी गतिविधियों में अपना पूरा ध्यान दें।

कॉलेज में सिर्फ पढ़ाई नहीं देखी जाती बल्कि और भी सांस्कृतिक कार्यक्रमों पर आज कल ध्यान दिया जाता है। तो बेहतर होगा कि हर बच्चा और दिशाओं में भी आगे बढ़े।

## सबको साथ लेकर चलना

भारती हाऊस की प्रीफेक्ट होने के नाते, सबसे ज़रूरी है कि पूरे हाऊस को साथ लेकर चलना और हाऊस में सकारात्मक माहौल बनाए रखना। इस साल की सारी प्रतियोगिताओं में मैं अपना पूरी तरह से योगदान देने की कोशिश करूँगी। आशा करती हूँ कि मेरे मित्र, तथा मेरे जूनियर और शिक्षिकाएँ मिलकर इस साल भारती हाऊस को और भी ऊँचे स्थान पर ले जाने में सहयोग करेंगे।

## खिलाड़ियों का चयन राष्ट्रीय स्तर पर हो

गर्ल्स फुटबॉल टीम की कप्तान होने के नाते मैं आशा करती हूँ कि इस साल टीम में और भी ज़्यादा उत्साह तथा मनोबल बढ़े ताकि टीम और भी मजबूत हो और सारे मैच हम जीतें। मैं यह भी आशा करती हूँ कि इस साल राष्ट्रीय स्तर के लिए ज़्यादा से ज़्यादा खिलाड़ी चुने जाएँ। हारने के बाद भी हम डगमगाएँ नहीं क्योंकि हार भी खेल का हिस्सा होती है।

अंशिका छाबड़ा  
कप्तान फुटबॉल (गर्ल्स)

हाऊस कैप्टन या प्रीफेक्ट सिर्फ नीली वर्दी पहनने वाले कुछ व्यक्ति नहीं होते हैं। वे लोग हैं जिन पर कई ज़िम्मेदारियाँ होती हैं। वे इस स्तर पर इसलिए होते हैं क्योंकि उन पर भरोसा किया जाता है कि वे अपने हाऊस तथा विद्यालय का विकास करने में सहायता करेंगे। एक प्रीफेक्ट वह होता है जो छात्रों की बात अध्यापक तक तथा अध्यापक की बात छात्रों तक पहुँचाए। सभी प्रीफेक्ट अपने गृह से कई उम्मीदें रखते हैं। उसे हर प्रतियोगिता में जीतता हुआ देखना चाहते हैं। मैं एक हाऊस प्रीफेक्ट होने के नाते कुछ बदलाव लाना चाहूँगी। मैंने कुछ ऐसा करने की कल्पना नहीं की जिसे प्राप्त करना असंभव हो। मैं सिर्फ इतना चाहती हूँ कि जो भी छात्र इस विद्यालय में आए, वह अपने इस विद्यालय में आने के निर्णय पर गर्व कर अपने मार्ग पर दृढ़ता से आगे बढ़े। मैं सभी को अपने मार्ग पर दृढ़ता से आगे बढ़ने के लिए प्रेरित करना चाहूँगी। मैं उन्हें पढ़ाई के साथ समाज सेवा की ओर बढ़ने की भी सलाह देना चाहूँगी। मैं एक ऐसी हाऊस प्रीफेक्ट नहीं बनना चाहती हूँ जिससे सभी बच्चे अपनी बात कहने में डरें बल्कि एक ऐसी प्रीफेक्ट जो अनुशासन के साथ ही साथ दोस्त की तरह रहे एवम् उनकी बात समझे।

अनुष्का गोयल 12वीं  
जूनियर भारती प्रीफेक्ट

स्पोर्ट्स प्रीफेक्ट बनकर मैं अपने ऊपर एक अहम् जिम्मेदारी का आभास करता हूँ। भारत के सबसे बड़े स्कूल का स्पोर्ट्स प्रीफेक्ट होना एक गर्व का विषय है। इसके साथ-साथ इस पद की जिम्मेदारी से भलीभाँति परिचित हूँ। मेरा सपना है कि हमारा स्कूल ( जिसकी भारत में

खेल की उपलब्ध सुविधाओं में रैंकिंग प्रथम है ) खेलों में और आगे बढ़े और शीर्ष स्थान पर कायम रहे। स्पोर्ट्स प्रीफेक्ट के साथ मेरी स्कूल के प्रति, स्कूल के विद्यार्थियों के प्रति और भी कई जिम्मेदारियाँ हैं जो मेरे लिए अत्यंत ही महत्वपूर्ण हैं। हमारे विद्यालय में स्पोर्ट्स की प्रगति के लिए मैं सच्चे दिल से मेहनत कर रहा हूँ और आशा करता हूँ कि मेरी मेहनत जल्द ही रंग लाएगी।

## पल

समय की धरा पर  
मंत्रमुग्ध

## कर्म

नदी में  
डूबते हुए  
मुझे पता था कि-  
तिनके का सहारा लेकर  
मैं बच नहीं सकता  
बावजूद इसके-  
सहारा पाने  
मैंने हाथ फैलाया  
और हाथ में  
तिनका नहीं  
किशती का हिस्सा आया  
मैं आ पहुँचा किनारे  
आप सब लोग इसे कहो-  
एक संयोग, या  
मेरी किस्मत किन्तु मैं  
अपना 'कर्म' कहूँगा।
