The Project

The Scindia School is hosting the Third Service Project for Round Square students in June 2018 at the Lamdon Model School in Thiksey, near Leh. Since this school in Leh is in need of more facilities, The Scindia School has committed itself to support the above mentioned school. The Scindia School is engaged in constructing new infrastructure so that more and more underprivileged children of Ladakh can get access to education.

How to Apply:

Interested students should contact Mrs. Sharmila Dominic, RS Rep and fill up form for the same. Selection on physical fitness and on interview basis.
