ROUND SQUARE CONFERENCE

Greetings from Pinegrove School!

We are pleased to inform that Pinegrove School is honoured and pleased to host a **Round Square Conference on the pillar of "Adventure" for the students aged 13 to 15 years from 4th June to 10th June 2018**. The theme of the conference is **"NEMOPHILIST"** (A love and passion for the solitude and beauty of forests and woodland).

We would be delighted to have a delegation from your school join to us on an adventurous odyssey. The conference will be spread over five days of intensive activity around the theme.

Pinegrove School is situated in the salubrious State of Himachal Pradesh, which is also called the "*Land of Gods*". Our infrastructure allows us to house student delegations on our campus boarding facilities. This will enable the delegates to center their energy intensively on venture and environment related activities.

Duration and Programme: Delegates are expected to arrive at the school campus on 4th June 2018 and may depart on 10th June 2018. In the course of five days, ***students will participate in various adventurous activities like living in the outdoors, trekking, river crossing, Burma Bridge, Rock climbing and other group activities etc. They will also get an opportunity to visit an Agriculture University, a Monastery, the Chail Palace and the Institute of Advanced Studies at Shimla.***

Aim and Objective: These activities shall contribute largely in adventurous experiences fostering love for wild-life and nature, building a sense of social awareness, nurturing leadership qualities, getting opportunity to feel responsible, thereby developing reasons for the aims and purposes of leaving a better world for the future generations. There is also a great deal of intrinsic enjoyment, accomplishment and contentment to be experienced from participation in such outdoor activities.

Rules: *The delegates should be between 13 and 15 years of ages (Class 8 to 10). A school can send a contingent of 5 to 6 delegates, accompanied by a teacher escort. The participation fee is Rs. 10000/- per person including escorts, as per Round Square norms.*

The ethos of the **Round Square** is to unite people of diverse cultures and imbibe a deeper sense of appreciation towards each others' uniqueness. We are confident that you would send your students to participate in the adventure camp and be a part of the picturesque surroundings.

It is requested to please send the duly filled confirmation form before 10th April, 2018. On hearing from you we shall send you further details about the conference.

With warm regards
