Inclusive Education

Dr. Gunmeet Bindra,

Principal of Daly College, Indore,

has been named

Principal of the Year

at the Global Education Awards 2024

Dr. Bindra's exceptional leadership and commitment to excellence have significantly advanced educational standards. We are proud to recognise her transformative contributions to education.

Congratulations, Dr. Bindra- your achievements are truly inspiring!

Message by the Principal

While the relentless tides of a world in perpetual metamorphosis challenge us to anchor our aspirations amidst swirling uncertainties, we at Daly College stand resolute, transforming flux into a crucible for brilliance and opportunity. Our era is defined by paradigms such as VUCA (Volatility, Uncertainty, Complexity, Ambiguity), BANI (Brittle, Anxious, Nonlinear, Incomprehensible), RUPT and TUNA-yet I champion a reimagined VUCA, one of Vision, Understanding, Clarity, and Adaptability, where our students, the architects of tomorrow, rise with unmatched zeal to shape a future radiant with possibility. Together, we embrace this challenge, knowing that it is not the changing tides that define us, but our ability to sail forward with purpose, passion, and grace.

In this kaleidoscopic epoch of ceaseless flux, our students are the trailblazers, traversing a path that demands prodigious fortitude, effervescent ingenuity, and a perspicuous vision that boldly defies convention. At Daly College, we foster a dynamic, egalitarian haven where each student is empowered to radiate their boundless potential, illuminating our collective firmament. From these radiant stars, our shared story takes flight, each student's brilliance converging to weave the vibrant chronicle captured within this yearbook's pages.

This yearbook is no mere anthology; it is a resplendent tapestry, meticulously woven to immortalize the triumphs, pioneering milestones, and indelible moments that define our collective journey. From the entry of our scholars into the world's most illustrious institutions (Oxford University UK, Cornell University USA and Imperial College London) to the exceptional debuts of TEDx, CD@DC, and our excellent production of Grease - a symphony of theatrical splendour-each achievement has etched a luminous thread into the annals of our heritage.

Within this compendium, you will find not merely events, but the very heartbeat of Daly-the crescendos of victory, the ripples of laughter, and those singular moments that whisper, "This is eternal." Our odyssey so far has been magnificent, yet I proclaim with unwavering certainty: the grandest summits await.

My deepest compliments to the team whose dedication has breathed vitality into this masterpiece, capturing the essence of our story.

Dum spiro, spero-while I breathe, I hope. Let us seize the boundless possibilities, united in our resolve to ascend, inspire, and etch an indelible legacy.

Here's to the future-may we continue to ascend, adapt, and thrive in harmonious unison!

God Bless!

Dr. Gunmeet Bindra

Principal

Standing (L-R)- Vihaan Vaish, Aavyan Gupta, Priyamvada Bakiwala, Siddhiksha Shandilya, Adhiraj Jhalani, Kriesha Dashora, Nikisha Gupta

Greetings,

As if navigating the labyrinth of generative AI tools wasn't complex enough, the advent of DeepSeek, Grok, and their ilk has further blurred the lines between ingenuity and replication. These digital marvels promise efficiency, yet efficiency is no surrogate for originality. In a world increasingly dictated by the mechanical hum of AI, it is incumbent upon us, as educators, to wield it as a tool, not a crutch. For, in the end, no tool, however sophisticated, can rival the spark of a mind truly alive with thought.

From the algorithmic world of AI, let me turn the spotlight to our vibrant Daly College, where, once again, the vernal whispers nudge me to unveil another edition of our shared odyssey, the Yearbook. With every edition, I stand at the crossroads of two emotions. First, the sheer enormity of capturing an entire year's essence within these pages. Second, the pride of watching a spectacular montage of milestones, memories, and moments take form.

Speaking of milestones, I must talk about our annual production. And as I do, I swell with pride at the sheer delight with which our students revelled in the theatricality of it all. A crowning jewel of the year, Grease transported us into the world of American high school drama. Picture this: live music, stellar performances, and that heady mix of nostalgia and youthful exuberance. Kudos to our young thespians for crafting an experience both mellifluous and magical.

Our section on sports? You'll find more than just scores and trophies. It's a chronicle of our sporting crescendo, unfolding through these pages.

How could I resist weaving words for our little dynamos? The Junior School brigade, brimming with joie de vivre, turns these pages into a riot of colours, a kaleidoscope of unfiltered enthusiasm. Their laughter rings through the corridors, their eyes sparkle with wonder, and a dash of cherubic mischief keeps the air electric. Leaf through their Kodak moments.

On one hand, I present to you the cherished staples of our calendar. On the other, I unveil our pioneering strides, the firsts that mark new beginnings. Flip through these pages, and you will find yourself immersed in a narrative of dynamism and distinction.

And then, to our Year XII, standing at the threshold of new beginnings, this one's for you. As you take your final bow, we hope these pages have bottled the most sublime vignettes of your year. Here's a keepsake, yours to revisit whenever nostalgia comes knocking.

Time is ever fleeting. C'est la vie! And yet, we have fiercely endeavoured to capture it. Witness the rush, the revelry, the relentless pace now bound within these pages, waiting to be relived. As we hurtle into another 365 days brimming with promise, I leave you with this edition, an ode to all that was, even as the next one quietly takes shape, poised to be grander, richer, and unmistakably Daly.

So, we bring to you our Yearbook, and we hope you savour this curation. Until next time,

Shilpa Virmani Editor-in-Chief

Sparking milestones, memories, & magic all year long!

Anubhav Rateria

Anubhav Rateria exemplifies effervescence and diligence, coupled with an amiable and gregarious disposition. He garnered accolades at IPSC Shooting, Leadership & Business conclaves and Model United Nations demonstrating his sharp focus and intellectual acumen. Where his altruistic nature was evident through his involvement in community service projects, his analytical skills received the spotlight in moot courts and Y-20 Summit.

God bless Anubhav abundantly!

Aryan Mittal

Aryan Mittal is a diligent, ambitious, and conscientious student. As a passionate debater, he participated in various Model United Nations conferences and IPSC business conclaves and won accolades. His unwavering dedication to community service is exemplified through his proactive engagement in a multitude of philanthropic initiatives undertaken by the school. Aryan's participation in the AFS exchange program to Denmark significantly broadened his global perspective.

God bless Aryan abundantly!

Atif Patel

Atif Patel, an astute scholar renowned for his analytical acumen, approaches his endeavours with meticulous precision. His effervescence and conviviality endears him to peers, while his ardent passion for cricket has led him to represent the school in IPSC tournaments, earning commendations. Additionally, his altruistic commitment has been evident through his impactful engagement in community service projects.

God bless Atif abundantly!

Bhavika Singh Jhabua

Bhavika Singh Jhabua, distinguished by her intellectual acumen and insightful perspectives, has consistently excelled in her academic pursuits. Her fervent engagement in both visual and performing arts underscores her multifaceted talents and aplomb. As an IAYP Prefect and silver medallist, she exemplifies leadership and commitment. Her participation in national and international Model United Nations and Round Square conferences, coupled with her editorial role at the Daly Prophet, reflects her dedication to holistic development and she inspires peers through her optimistic approach to challenges.

God bless Bhavika abundantly!

Chaheti Rathore

Chaheti Rathore, a demure and courteous individual, is distinguished by her exceptional marksmanship and sculpting prowess. Her remarkable performance at IPSC Shooting, hockey and fine arts is testament to her multifaceted talents and pursuit to excellence in various fields.

God bless Chaheti abundantly!

Devansh Chhabra

Devansh Chhabra is a cheerful and amiable student with zestful nature and polite disposition. An ardent squash player, he has represented the school in IPSC Squash Tournament, showcasing his athletic prowess and sharp focus. His resolute ambition and chivalrous demeanour further distinguish him as a go-getter in life.

God bless Devansh abundantly!

Dhruv Jain

Dhruv Jain is an assiduous student with serene demeanour, exemplifying politeness and amicability. His thoughtful and distinctive approach to challenges highlights his meticulous clarity and commendable work ethic, which have garnered him applause at various events and occasions. His dependable character further distinguishes him as a reliable and promising individual.

God bless Dhruv abundantly!

Divit Jain

Divit Jain, a reserved and composed student, exhibits politeness and geniality in every grain of his persona. His unflagging enthusiasm and peculiar approach to challenges has commended attention and appreciation at various competitions and events.

God bless Divit abundantly!

Geet Lulla

Geet Lulla, the captain of the school badminton team, endowed with flamboyance and good humour is greatly endeared by his peers. His noteworthy performance in IPSC badminton and table tennis tournaments earned him medals and appreciation. His cheerful disposition and optimistic approach to challenges distinguishes him from the rest.

God bless Geet abundantly!

Harshvardhan Singh Shekhawat

Harshvardhan personifies intellectual dedication, humility and an unflappable demeanour. His enthusiastic engagement in a myriad of athletic endeavours showcases his vigour and spirited vitality. His magnanimity and unwavering diligence converge to shape him into a conscientious and steadfast scholar.

God bless Harshvardhan abundantly!

Hridayasth Dev Bundela

Hridayasth Dev Bundela is a humble and respectful individual, distinguished by his musical and dance prowess. He participated in the AFS exchange program to Australia and also, represented Daly College in dance, in Turkey. His fervent participation in MUNs, MU-20, Round Square conferences, and service initiatives not only earned him recognition but also underscores his dedication to personal development on the principles of global citizenship.

God bless Hridayasth abundantly!

Jai Arora

Jai Arora, Captain- boys' table-tennis, characterized by a quiet demeanour, exudes a goal-oriented acumen that sets him apart. His polite conduct and adept interpersonal skills forge a harmonious rapport with peers, showcasing an admirable blend of resolute focus and collaboration which earned him several medals and accolades at IPSC table-tennis tournaments.

God bless Jai abundantly!

Kabir Maini

Kabir Maini, the Sports Prefect of Daly College, exemplifies excellence across multiple disciplines. An academic high achiever in class X, Kabir is also a distinguished athlete and a five times national basketball player. He represented the school in national and international basketball tournaments which include Nationals, IPSC, CBSE, SGFI and the prestigious International Sports Conference held in Japan. His athletic prowess was further crowned by his podium finish performance in shotput at the IPSC Athletics and the Annual Athletic Meet, where he set a new record in the same event. Beyond the sports arena, Kabir's dedicated participation in the Eurasia Summit, CBSE conclave and MUNs, underscores his civic commitments which is truly aspirational.

God bless Kabir abundantly!

Kanishka Garg

Kanishka Garg, a scholarly and diligent individual, excels in fine arts and adventure sports, earned a silver medal in the International Award for Young People (IAYP). Her meticulous, courteous, and affable demeanour, coupled with a buoyant disposition, underscores her unwavering commitment to excellence. As a member of the 'Daly Prophet' editorial board and a proactive participant in numerous service projects, Kanishka's dedication to service further highlights her altruistic character.

God bless Kanishka abundantly!

Khushi Pasari

Aadhyaa Gurnani

Aadhyaa effortlessly blends academic excellence with a profound flair for the arts, consistently standing out in both domains. She clinched the top spot at the Srijanyam Art and Design Fest 2023 and earned accolades like the Innovative Artistic Vision Award and Best Emerging Artist in 2024. Her artistry in jewelry and flower making is truly captivating. A voracious reader, Aadhyaa nurtures a logical, balanced approach in discussions, showcasing her innovative mindset. With creativity and poise, she leaves an indelible impression through her remarkable talents and balanced perspective.

God bless Aadhyaa abundantly!

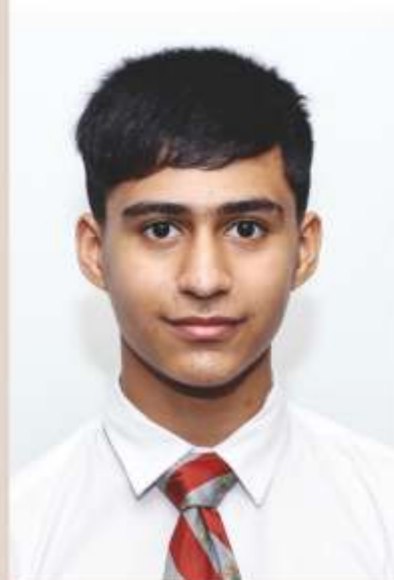

Aahan Goyal

Aahan is an intelligent and dynamic student, excelling in both academics and athletics. A seasoned MUNer, he received High Commendations at Doon School and YPS Patiala. As Vice-Captain of the College Boys' Hockey Team and a state-level athlete, he demonstrates exceptional leadership. His quick thinking and insightful arguments enliven classroom discussions. With a focused approach, insatiable curiosity, and strong business acumen, Aahan is well-positioned for success, standing out as a confident and driven individual.

God bless Aahan abundantly!

Ansh Dadwani

Ansh epitomizes excellence in cricket and football, excelling in IPSC, state, national, and international tournaments, including selection for the 65th National School Games. As Class 12 captain, he shattered records and earned accolades such as Player of the Series at the BCGS Perth-DC-Indore Cricket Exchange. From U-13 to U-15 Indore Division captain, Ansh's achievements inspire greatness. A multiple-time "Best Batsman" awardee, Ansh's strong communication skills, intelligence, and impressive presence of mind further define his dynamic personality.

God bless Ansh abundantly!

Arjan Singh Arora

Arjan is an intelligent and articulate student with a strong academic foundation. A passionate cricketer, he has showcased his skills in IPSC tournaments, the Narsinhgarh Cup, and IDCA competitions. Active engagement in inter-house sports, the photography club, the Round Square Eye Camp, and the G20 State Summits, are reflective of Arjan's meaningful journey at school.

God bless Arjan abundantly!

Atharva Narang

Atharva is a bright student with a strong academic record and sharp analytical skills. A natural leader, he actively contributes to inter-house activities with enthusiasm and vision. Known for his quick wit and sense of humor, he brings energy to every endeavor. Atharva also represented his school at the G-20 Summit at Mayo College and excelled in Olympiads.

God bless Atharva abundantly!

Darshita Kasliwal

Darshita, the dynamic Happiness and Well-being Prefect and Vice-Captain of the Swimming Team, epitomizes leadership with grace and poise. With a stellar academic record, she is courteous, diligent, and a masterful communicator. A swimming champion with 15 Golds, 13 Silvers, and 1 Bronze, Darshita continually exceeds expectations. Whether in inter-house debates, extempores, MUNs, or community service like the Panna Project, she approached each task with remarkable elan and exuberance, leaving an indelible mark of excellence.

God bless Darshita abundantly!

Karmaditya Chandraraj Singh Jadeja

Karmaditya, a masterfully skilled equestrian and disciplined leader, boasts a remarkable record of over 10 medals in MP State and inter-school competitions. The Best Equestrian of the Year Award, the Mahida Sword of Honour, and leading the Equestrian Team as Captain exhibit the elite athleticism in him. Karmaditya has also earned Gold and Silver badges in Woodcraft and a Bronze in Indian music. As Sports Prefect and participant in the Panna service project, he exemplifies outstanding leadership, unwavering dedication, and exceptional versatility.

God bless Karmaditya abundantly!

Kartikye Gupta

Kartikye is an accomplished sportsperson, with cricket as his standout arena of skill and passion. Selected for nationals and honored with College Colors for cricket, he has earned accolades like Man of the Match in the IPSC semifinals, Best Fielder in the Narsinhgarh Cup, and the Rajgarh Cup. A keen learner, Kartikye excels in communication, MUN debates where he received High Commendation this year, and creative pursuits like photography, showcasing his well-rounded abilities.

God bless Kartikye abundantly!

Lakshit Dhandhanra

Lakshit is known for his teamwork and involvement in multiple sports, earning podium finishes in swimming and cricket at inter-house competitions. He has participated in inter-house activities with zeal and zest, also exploring photography and supporting DCMUN logistics, showcasing his versatility and commitment.

God bless Lakshit abundantly!

Mahak Chopra

Mahak is a courteous and enthusiastic student who actively participated in sports, arts, and co-curricular activities. She competed in IPSC Table Tennis and Shooting and secured first place in an ink drawing competition. Her active involvement in debates, MUNs, and community service projects, including an eye camp and earning an NCC A certificate, demonstrates her ability to fully embrace and seize the opportunities offered by her school, making every moment count.

God bless Mahak abundantly!

Manas Chugh

Manas is a smart, courteous, and confident student with good communication skills. He has excelled in extracurricular activities, representing his house with dedication and enthusiasm. With a natural flair for entrepreneurship, he aspires to leverage his skills to build a successful career in business.

God bless Manas abundantly!

Manthan Mittal

Manthan is a courteous student and a keen learner, driven to succeed. A skilled hockey player, he participated in the IPSC U-19 Hockey and the Doon School Basketball Tournament. Manthan has also displayed creativity in glass fusion and woodcraft, earning Silver badges. He aspires to pursue a BBA and MBA.

God bless Manthan abundantly!

Mayuradhvaja Singh Pipploda

Mayuradhvaja is a talented and quick-witted individual whose presence of mind and great sense of humour make him a delight to be around. A versatile sportsman, he has excelled in football, scoring crucial goals and earning "Man of the Match" honors, captained his hockey team with distinction, and contributed to his house's success in shooting and athletics. With strong communication skills, Mayuradhvaja actively engages in cultural events, embodying dedication and team spirit.

God bless Mayuradhvaja abundantly!

Rannvijay Khandelwal

Rannvijay possesses a melange of academic excellence and athletic prowess, with dynamism and confidence that leave a lasting mark wherever he goes. A masterful equestrian, he was accoladed with a Bronze medal at a national competition and showcased his skill at the Badminton Nationals. His articulate communication, quick wit, and leadership qualities make him stand out in every setting. He went on a transformative AFS exchange to Denmark. He has been admitted to the University of Birmingham, Dubai, where he aims to innovate and lead in business.

God bless Rannvijay abundantly!

Prabhnoor Kaur Saini

Prabhnoor is an ambitious and determined student, excelling academically and in sports, having represented the school at the IPSC Girls' Football Tournament. With excellent communication skills, creativity, and adaptability, her well-rounded nature is reflected in her diverse extracurricular involvement, including hockey and visual arts. She aspires to pursue a BA in Mass Communication, aiming to leverage her skills for a successful career in the field.

God bless Prabhnoor abundantly!

Rajveer Chinnani

Rajveer is a well-rounded student with a commendable academic record and remarkable athletic achievements, excelling in cricket and football. A natural leader, he has inspired his teams to impressive victories, including earning the title of "Man of the Match" in the finals of NDPS Cricket Tournament and securing multiple inter-house championships. With intelligence, a sharp sense of humour, and creative flair, reflected in his Bronze medal for dance, Rajveer exemplifies a dynamic and multifaceted personality.

God bless Rajveer abundantly!

Shashank Raghuvanshi

Shashank, a confident and street-smart student, showcased his athletic skills with third-place finishes in IPSC, Nationals, and State-level swimming competitions. An active MUN participant and skilled in glass fusion, where he earned a Silver badge, he contributed enthusiastically to inter-house activities.

God bless Shashank abundantly!

Sanya Manglani

It's the versatility in Sanya that shines through as she effortlessly excels in academics, co-curricular activities, and sports. Awarded the College Prize for Best Debater, she showcases eloquence and quick wit, while her graceful and spirited dance performances add a creative flair to her impressive skill set. A natural leader and team player, she excels in drama, pottery, and needlework. Deeply committed to service, Sanya actively engaged in food drives, tree plantation, education initiatives, and eye camps, exemplifying her compassionate and selfless nature.

God bless Sanya abundantly!

Siddharth Agrawal

Boys' athletics Captain, Siddharth is a grounded and courteous leader whose discipline in sports mirrors the precision of his throws in shotput and discus. With 12 medals-4 Gold, 4 Silver, and 4 Bronze -across district, state, and national levels, he has truly set the bar high. Beyond athletics, Siddharth's passion for dance led him to attend the international Cappadocia World Dance Festival, while also immersing himself in inter-house competitions and performing creditably.

God bless Siddharth abundantly!

Uday Vardhan Singh

Udayvardhan, Captain of the football team, is a courteous, academically astute student with an effervescent disposition and exceptional communication skills. Athletically skilled, he shines as a game-changing footballer, being the only student selected for SGFI States. His victories, including Man of the Match in the Bishop Cotton Semifinals and Striker of the Tournament in the Kasliwal Trophy, are the foundation of his sporting legacy. His involvement in the eye camp, adventure camp, and NCC highlights his well-rounded excellence.

God bless Udayvardhan abundantly!

Shresth Bansal

Shresth is a courteous, diligent, and discerning student who actively participated in inter-house activities. A disciplined discus thrower, his technical precision and strength stood out at the Athletic Meet. Shresth demonstrates the instincts of an aspiring entrepreneur, combining his passion for innovation, leadership, and financial acumen to build a sustainable business.

God bless Shresth abundantly!

Udayveer Singh Arneja

Udayveer's forte lies in sports. A standout footballer, he has represented his school in numerous tournaments and earned the "Best Player" title at the IPSC Football Tournament. As an ace horse rider, he has also excelled in equestrian competitions, showcasing exceptional skill. Quick-witted and resourceful, with a sharp sense of humor, Udayveer tackles challenges with determination and perseverance. A confident student, he believes in making the most of every opportunity that comes his way.

God bless Udayveer abundantly!

Yuvraj Bansal

Yuvraj, House Prefect of Rajendra House, is a capable and resourceful student leader with strong organizational and communication skills. He served as the Logistics Head of the DC Inter-House MUN and has also contributed to various other MUN conferences by taking on key roles in different committees. He has been an active participant in initiatives like the Washroom Project and has excelled while representing Daly College at prestigious events such as the G20 Summit Simulation, Round Square Conference, Eye Camp, and G-Literati. A dedicated member of the Indian Music Club and IAYP, Yuvraj broadened his horizons through an enriching exchange program at Bunbury Cathedral Grammar School, Australia.

God bless Yuvraj abundantly!

Vedika Rathi

Vedika's forte lies in art, where her creative mind has led her to excel in various competitions, radiating sincerity and grace in every endeavor. She is blessed with a cherubic charm and positivity. She has actively contributed to inter-house activities. Passionate about merging design and psychology, Vedika aspires to craft innovative, user-centric solutions that are both impactful and meaningful as a career.

God bless Vedika abundantly!

Vedika Mandhan

Vedika epitomizes versatility, being notably academic, eloquently expressive, and athletically skilled. As House Prefect of Ahilya house, she led by example, inspiring peers with determination and grace. With an effervescent disposition and a compelling voice in classroom discussions, she fearlessly articulates her thoughts with maturity and confidence. With a Silver badge for Best Speaker, active participation in community service including the Panna Project, and involvement in the Round Square Conference in Colombia, Vedika is all set to capture the world stage with her infectious dynamism. Aspiring to pursue investment banking, she will study Liberal Studies at New York University.

God bless Vedika abundantly!

Affable and energetic, Aarush is an avid tennis player, having competed in all-India tournaments. He created "Structural Insights," a YouTube channel exploring sustainable civil engineering. Compassionate and driven, he has led several community service initiatives. He wishes to work towards a transformative future, aspiring to study civil engineering, and has been accepted by University College, London.

God bless Aarush abundantly!

Aadit Airen

Vice-Captain of Squash, with medals and colours to his name, Aadit is a well-rounded and determined student, who excels in both academics and sports. He has also shone bright as Head of IT for G-Literati. Sincere and innovative, Aadit aspires to become an engineer before pursuing an MBA.

God bless Aadit abundantly!

Aashman Raj Agarwal

Ambitious and diligent, Tennis Vice Captain, Aashman is a keen athlete, competing in MP, IPSC, SGFI, and AITA tournaments. Dedicated to social impact, he has participated in several community service projects. Aspiring to study Business Management, Aashman is determined to continue nurturing his academic curiosity and vigour.

God bless Aashman abundantly!

Abeer Singh Mehta

A trailblazing swimmer, Daly College Sports Prefect, Abeer has set records nationally and internationally, earning titles like "Fastest Swimmer U-17" and representing India in the Finswimming World Cup. A dedicated footballer and active participant in co-curriculars like drama and Round Square projects, Abeer exemplifies balance, efficiency, and purpose-driven excellence.

God bless Abeer abundantly!

Aditya Popatia

Optimistic and friendly, Aditya has performed well in IPSC table tennis and inter-house sports, while actively engaging in MUNs, the Model G20 Summit, and Round Square projects. He thrives on curiosity and kindness, inspiring peers with his well-rounded pursuits. He aspires to explore the realm of civil engineering.

God bless Aditya abundantly!

Adnan Baruwaniwala

An accomplished scholar and innovator, Adnan has consistently excelled, earning college colors and a 1560 SAT score. As IT Prefect, he combines leadership with technical expertise, publishing AI research, developing impactful apps, and excelling at global hackathons. A dynamic swimmer, debater, and keynote speaker, Adnan aspires to pioneer advancements as a Generative AI Engineer.

God bless Adnan abundantly!

Aryaman Tekriwal

A focused and resilient scholar, Jawahar House Prefect, Aryaman has excelled academically with top AP scores, 9 A*s in IGCSEs, and a 1560 SAT score. A talented debater and musician, he actively contributed to cultural events and community service. Aryaman aspires to become a chemical engineer and has been accepted by Ivy League - Cornell University, and Imperial College, London, two of the topmost universities of the world.

God bless Aryaman abundantly!

Aryan Gupta

A determined and curious individual, Aryan has excelled in tennis, earning a silver medal at the SGFI U-19 Doubles. Actively participating in MUNs, debates, and co-curriculars, he also founded a non-profit organisation to empower the underprivileged. Aspiring to study business management, Aryan embodies kindness and perseverance.

God bless Aryan abundantly!

Ekansh Gada

Co-Curricular Prefect, Ekansh exemplifies quiet intelligence and a relentless quest for knowledge. A quizzier par excellence in inter-house and inter-school quizzes, he was part of the winning team of the PG Miller Quiz, and has earned the College Colour for Quizzing. Ekansh's dedication and resilience make him an inspiration to his peers.

God bless Ekansh abundantly!

Hriday Anand

Jawahar House Captain, Hriday exemplifies leadership and determination. As Director General of DCMUN 2024 and Vice-Captain of the Shooting Team, he inspires excellence. Founder of Project Udaan and DC Repertoire, Hriday's dynamic vision transformed community service and school media. With his acceptance into Northeastern University, USA, he is set for a promisingly bright future.

God bless Hriday abundantly!

Ishaan Agarwal

Academic Prefect and Gentleman of the Year, Ishaan has excelled academically with a 1580 SAT score and AP Scholar recognition. An exemplary student and TEDx Organizer, he has demonstrated innovation and leadership, while also making his mark as a debater and cricketer. Ishaan aspires to excel in aerospace engineering or physics, driven by curiosity and grit.

God bless Ishaan abundantly!

Jyotiraditya Singh Namli

Vice-Captain of Boys' Swimming, Jyotiraditya represents resilience and leadership. A medalist at Swimming and an active participant in MUNs and Harvard Youth Leadership Summit, he inspires his peers. A remarkable balance of left-brained and right-brained, Jyotiraditya has an innate love for history and philosophy but aspires to become a theoretical physicist, highlighting his inquisitive nature and love for learning.

God bless Jyotiraditya abundantly!

Khushi Bhatia

Dedicated and adaptable, Khushi was the founder of the Street Dogs of Calcutta initiative and served as Press Head for DCMUN 2024, showing her compassion and creativity. She was the scriptwriter for Bharati House English dramatics, ensuring their victories in 2023 and 2024. Aspiring to pursue clinical psychology, Khushi exemplifies hard work and self-sufficiency.

God bless Khushi abundantly!

Raashi Gaur

Bharati House Captain and Vice-Captain of Hockey, Raashi is a compassionate and dynamic leader. She has earned accolades in debates, art, music, and sports, along with being the Editor-in-Chief for the Daly Prophet and was earning College Colours for the College Band. She has participated in numerous community service projects and internationalism endeavours, showcasing her adaptability and collaborative spirit.

God bless Raashi abundantly!

Raj Aryan Agrawal

An ambitious and curious mind, Raj excels in academics, sports and co-curriculars, earning Cambridge distinction and sports college colors. Vice-captain of Badminton, he is also a talented footballer, IAYP Gold recipient, and accomplished MUN participant. Raj's passion for finance and problem-solving drives his aspiration for investment banking, starting with his acceptance to Boston College.

God bless Raj abundantly!

Riddhima Jain

Hardworking and creative, Co-Curricular Prefect, Riddhima excels academically and balances leadership with artistic excellence. She has won accolades in art and dance, including the Vijayaditya Singh Memorial Trophy. Moving forward with sincerity and dedication, Riddhima aspires to pursue Finance and Economics and has been accepted by University of Southern California.

God bless Riddhima abundantly!

Rutva Jain

A personable and confident young gentleman, Rutva has done well academically, earning accolades in IGCSE and AS Levels. A passionate quizzier and actor, Rutva balances co-curriculars with technical pursuits in coding, XR and GenAI. Collaborative and resourceful, he has also keenly participated in Community Service Projects. Rutva aspires to be a computer engineer.

God bless Rutva abundantly!

Rishaan Bhatia

Daly College Deputy Head Boy, and World Topper in Maths, Rishaan exemplifies excellence in academics, debates, MUNs, sports and the arts. An erudite, ebullient leader and TEDx speaker, his remarkable acting, oratory, and swimming skills have inspired peers. Consistently exceptional, Rishaan's dedication and drive are reflected in his unwavering pursuit of excellence, which guarantee his meteoric success as he gears up to pursue Electrical Engineering.

God bless Rishaan abundantly!

Saara Lunawat

Daly College Head Girl and Girls' Squash Captain, Saara is an exceptional scholar and leader. She has consistently excelled academically, earning the Cambridge Outstanding Learner Award and achieving top ranks. She combines resilience and determination with stellar achievements in debates, MUNs, and public speaking. With a tenacious spirit, Saara aspires to excel in public international law, having secured All India Rank 4 in AILET and admission to NLU Delhi. And that is not all! Saara Lunawat has been accepted into the University of Oxford for the 'Law with Law Studies Program', involving a year abroad at Leiden University in the Netherlands to study European Law and International Law.

God bless Saara abundantly!

Shaurya Parekh

A curious and diligent student, Shaurya has actively participated in MUNs, debates, co-curriculars and community service projects, ensuring he made the most of the opportunities DC has to offer.

God bless Shaurya abundantly!

Sakhi Malpani

A dynamic and effervescent young lady, and the Happiness and Wellbeing Prefect, Sakhi is effervescent and compassionate. She has actively participated in inter-house sports, debates, and drama, showcasing versatility and enthusiasm. Sakhi aspires to excel as a Chartered Accountant. She inspires others with her positivity and determination.

God bless Sakhi abundantly!

Vaibhavi Kumari

Ahilya House Captain, Vaibhavi is a shining star in academics and the arts. With 8 A*s in IGCSE and College Colours for both academics and dramatics, she exemplifies excellence. A commendable actor, scriptwriter and debater, Vaibhavi's creativity, wit and leadership have left an indelible mark, and armed with an acceptance offer from Ashoka University, she will be taking this track record of brilliance to newer heights.

God bless Vaibhavi abundantly!

Vishweshwar Singh Bundela

Confident and compassionate, Vishweshwar is a skilled basketball player, having led his house to consecutive Holkar Nagod Cup victories. Remarkable in dramatics, debates, quizzes and music, he has enriched every team he joined. Through the Sai Jyoti Foundation, he empowered tribal women with education and modern skills, leaving a meaningful impact.

God bless Vishweshwar abundantly!

Vanshika Sangla

A passionate scholar and leader, Academic Prefect, Vanshika excels in academics, earning accolades at Stanford, Harvard, and Johns Hopkins programs. She merges critical thinking with empathy, empowering underserved communities through STEM education. Vanshika's commitment to sustainability and innovation inspires her pursuit of environmental engineering and social impact.

God bless Vanshika abundantly!

Shivam Punit Govilo

Optimistic, pleasant and polite, Shivam is an inquisitive student and a keen quizzer. He has enthusiastically participated in several inter-house sports and co-curricular activities, making optimal use of what DC has to offer.

God bless Shivam abundantly!

Standing, Third Row(L-R)

Avhaan Narang, Kshaunish Satsangi, Aradhya Sultania, Prithviraj Shreemal, Rishabh Pokharna, Manit Gupta

Adityansh Mittal

House Captain, Ashok house, Adityansh, with his strong, athletic build and an undeniable aura of confidence, is a remarkable individual whose relentless drive, academic excellence, and athletic prowess set him apart. With over 90% across classes and multiple Academic Badges of Excellence, he is also a star athlete, brilliant dancer and actor and has contributed to a range of co-curricular and cultural activities. He has earned prestigious awards, including the Maharani Pushpamala Raje Award and College Colours for excellence in visual arts and sculpture. Adityansh also represented Daly College at the Round Square Global Conference in Romania. From acing exams to leading teams, and from winning medals to inspiring peers, Adityansh has proven time and again that excellence is his constant companion.

God bless Adityansh abundantly!

Aneesha Badjatia

Aneesha is an exceptional, goal-oriented student, excelling with a 93.4% in class X board exams and numerous academic awards. A skilled basketball player, she leads with determination and discipline and is the recipient of Certificates of Merit for three consecutive years. Her involvement in global conferences, community service, and NCC reflects her ambition, leadership, and commitment to excellence.

God bless Aneesha abundantly!

Aradhya Sultania

Academic Prefect, Aradhya's towering presence is matched by his signature curly hair, which, much like his intellect, refuses to be tamed. A dynamic and visionary leader, Aradhya's stellar academic and extracurricular achievements highlight his exceptional drive and intellect. He has received top academic honours throughout his school years and has written a research paper on waste management logistics. He went on a Round Square exchange to Cate School in the USA, interned with Amazon Web Services and developed a financial advice chatbot, and contributed to CRY's fundraising efforts. An eager participant in MUNs, music, and sports, Aradhya, with his tall stature and confident demeanour, aims to create a transformative impact in the world.

God bless Aradhya abundantly!

Archit Sehgal

Archit is a versatile and driven individual, excelling in diverse fields from shooting and textile design to MUNs and leadership roles in NCC. With numerous accolades, including a Bronze medal in IPSC and the Jamkhandi Cup for Best NCC Cadet, Archit's enthusiasm for learning, creativity, and teamwork is commendable.

God bless Archit abundantly!

Avhaan Narang

House Prefect of Tagore house and Head of Media for DCMUN 2024, Avhaan, is a remarkable blend of intellect, creativity, and resilience. A gifted IT talent and photographer, he has earned gold badges in both fields. Whether behind the lens, capturing stunning moments, or in front of a camera creating compelling films, Avhaan's creative genius has earned him accolades and recognition across inter-school and inter-house competitions. Awarded the Mrs. Mira Sumer Singh Memorial Medal, Avhaan's future is set to shine. With acceptance offers for Computer Science from UMass Amherst, Northeastern, and Wisconsin-Madison, Avhaan's relentless drive and inspiring vision position him for a successful future as a CS engineer.

God bless Avhaan abundantly

Divishi Sojatia

Driven by a passion for research and a deep sense of compassion, our Chess Captain, Divishi has demonstrated impressive performance in sports and community service. With accolades in chess, squash, and published research, she champions mental health initiatives and empowers others through empathy. Awarded the Best Potential Award at the CIP Programme at NUS Singapore, her resilience and dedication mark her for future success.

God bless Divishi abundantly!

Divyansh Singh Kirar

Divyansh is a whirlwind of talent, wit, and charm. Whether mastering NCC drills, crafting visual art masterpieces, or commanding the stage in dramatics, he excels with a smile and a perfectly timed quip. A quick learner with a heart for philanthropy and an adventurous spirit, Divyansh infuses every moment with his unique humour, adding an irresistible spark to every conversation.

God bless Divyansh abundantly!

Gangula Vainavi

Vainavi is a compassionate and adaptive individual who has flourished during her time at DC. With a keen ability to connect with others and a positive outlook, she participated in extracurricular activities. Vainavi's resilience and optimism drive her to overcome challenges, making her an inspiring presence in every endeavour she pursues.

God bless Vainavi abundantly!

Harshita Agrawal

Harshita is an exceptional individual whose ambition, creativity, and empathy set her apart. A recipient of multiple academic and co-curricular awards, she excels in leadership as the Captain of Girls' skating team. Representing India at the International Scout's Jamboree in South Korea, Harshita's relentless passion and optimism reflect her commitment.

God bless Harshita abundantly!

Hetal Shastri

From the graceful sweep of her violin to the resonant beauty of her voice, Hetal brings a rare fusion of technical mastery and emotional expression to every performance. A gifted violinist, classical singer, and fine artist, she has earned multiple accolades in music and design including the coveted College Prize for Textile Designing. Her dedication to excellence in every field she touches, combined with her humility and grace, make her an extraordinary role model.

God bless Hetal abundantly!

Jal Shivhare

With an unwavering focus on his academic aspirations, particularly his goal of becoming a computer scientist, Jal approaches every challenge with quiet determination and meticulous attention to detail. His soft-spoken, composed demeanour is a reflection of his deep commitment to learning, where the company of textbooks feels more like a trusted companion than a mere tool for success.

God bless Jal abundantly!

Kshaunish Satsangi

Kshaunish is the perfect blend of talent, charm, and sophistication. A gifted swimmer with two golds at the SGFI Districts and a 19th rank at the Nationals, he glides through challenges with the same ease he displays in the pool. He also went on an RS exchange to Australia. His remarkable achievements are matched by his captivating personality, striking looks, and radiant smile, leaving an unforgettable impression wherever he goes.

God bless Kshaunish abundantly!

Maanvi Singh Tomar

Maanvi, the Lady of the Year, embodies grace, intellect, and humility. With a stellar 95% in her 10th board exams and topping both English and Mathematics, she is the quintessence of academic excellence. From receiving academic badges since Class 7 to being appointed Academic Prefect for 2024-25, she channels her focus and brilliance into every academic pursuit, leaving a trail of excellence in her wake. Maanvi's ability to balance academics and co-curriculars, while remaining humble and kind, inspires all. Awarded for 100% attendance from Grade 1-10, an honour instituted for her unparalleled feat and the Radha Krishan Shield for the Best NCC Cadet, Maanvi is a powerful testament to unwavering dedication, perfection, and steadfastness.

God bless Maanvi abundantly!

Manit Gupta

A maestro of the squash court, Captain ,DC Squash Team ,Manit weaves every shot with precision and finesse .He has consistently excelled in squash, securing multiple top rankings, including IPSC individual second runner-up (2023) , MP State runner-up, and Royal Garha Golf Squash Championship titleholder (2023). A two-time national qualifier, Manit's dedication and sportsmanship elevate him beyond the game, making him a true embodiment of perseverance and excellence.

God bless Manit abundantly!

Pearl Kakwani

Pearl is a calm and humble individual, always approachable and amiable. Pearl's participation in inter-house activities reflects her spirit of collaboration and camaraderie. Like a pearl, she radiates calm, grace, and quiet strength, always shining through with her humility and dedication.

God bless Pearl abundantly!

Parishi Jain

With a graceful demeanour and unwavering strength on the field, Parishi seamlessly blends leadership, compassion, and talent both in sports and arts. Vice-Captain of the Girls' Football Team ,she is a consistent performer in multiple IPSC tournaments, and has also excelled in visual arts . Her commitment extends to community service and environmental issues, demonstrated through her participation in Round Square conferences and volunteering at the CBSE Summit.

God bless Parishi abundantly!

Prithviraj Shreemal

A towering figure both in height and character, House Captain, Rajendra house and Vice Captain DC Basketball team, Prithviraj has excelled in sports and leadership. He earned College Colours for basketball and represented MP at the national level. As House Captain, Prithvi's resilience and relentless pursuit of excellence was evident in inter-house athletics and swimming. His participation in the Panna Project and various Round Square conferences further highlight his commitment to personal growth and global citizenship.

God bless Prithviraj abundantly!

Rayansh Rajpal

Rayansh's academic pursuits are not just driven by ambition but by a genuine passion for knowledge, making him an exemplary student in every sense. With his blend of humility and brilliance, he is poised for a future defined by both intellectual excellence and personal growth.

God bless Rayansh abundantly!

Rishabh Pokharna

Rishabh is a humble and dutiful individual, embodying empathy and integrity in all his pursuits. With a passion for technology and a sharp intellect, he earned the first runner-up position in the Sir Padampat Singhania Memorial All India Science Quiz. His aspiration to become a cardiologist reflects his dedication to hard work and service to others.

God bless Rishabh abundantly!

Shivang Doval

A student with a sharp eye and steady hand, Shivang excels as a marksman, where precision meets focus in every shot, reflecting both discipline and determination. As the Shooting Captain, he has earned multiple medals at state and national levels, showcasing his discipline and leadership. He also attended an RS Service project in Thailand. Shivang aspires to be an architect.

God bless Shivang abundantly!

Soham Manduwal

Soham is a true gem—a brilliant, focused, and driven student whose passion for knowledge and technology knows no bounds. Consistently excelling with over 90% across classes, he secured a 1st place in Class 11 and a gold medal in the NSO. A standout in IT, he won 1st place in the IPSC IT Fest 2024 for Python programming and a gold medal in IT and was also Head of Media and IT for DCMUN and DC Invitational Debates. Whether solving intricate algorithms or exploring new frontiers in science, Soham's unwavering focus and passion make him an extraordinary young talent, destined for great things.

God bless Sohām abundantly!

Somesh Garg

Somesh is a dynamic sports person whose passion for football is rivalled only by his unyielding commitment to excellence. As Captain of Tagore House, he has led with unmatched determination, inspiring his team to victory across multiple inter-house events. As U-17 SGFI National team captain and two-time Kasliwal Trophy winner, his football achievements are extraordinary and he was also awarded the Best Athlete of U-17 category in 2023. Whether he's commanding the football field or setting records in athletics, his impact is undeniable.

God bless Somesh abundantly!

Suparna Biswas

A natural talent, Suparna brings every song to life, leaving an unforgettable echo in the hearts of her listeners. A recipient of the prestigious His Highness Ajit Singh Jhabua Trophy and College Colours for Indian Music, she has excelled in Hindustani Classical and Indian Music, earning multiple accolades. Her discipline, dedication, and artistic brilliance make her a true gem.

God bless Suparna abundantly!

Ujjaiti Kumari Singh

Cultural Prefect, Ujjaiti is a dazzling virtuoso, blending passion and precision in every dance movement. A multiple gold medalist, she has graced the Edinburgh Fringe Festival stage. As Vice Captain of the girls' shooting team, she has secured 13 medals in just two years. Ujjaiti has shone at the Shooting Nationals, qualified for Indian Team Trials, and earned a spot in the Khelo India MP Championship 2025. Whether enchanting with her dance or dominating in shooting, her radiant presence and unyielding pursuit of excellence make her an unrivalled force.

God bless Ujjaiti abundantly!

Vivan Raja

Captain, DC basketball team, Vivan Raja is a living spotlight. Whether leading his basketball team to victory as captain or displaying his artistic flair in textile design, Vivan exemplifies the qualities of a true all-rounder. His impressive achievements in sports, from being the highest scorer at the Round Square International Sports collaboration to being a top contender at the State level, are testament to his relentless dedication. With aspirations to become a model, Vivan is all set to shape a future where he will lead with the same warmth, charm, and presence he radiates today.

God bless Vivan abundantly!

Umika Bhalla

Deputy Head Girl, Umika is a force of nature—a blend of brilliance, grace, and unstoppable drive. She doesn't just lead; she defines leadership with a perfect mix of confidence and compassion, making authority look effortless. From dominating marksmanship and tennis courts to writing biochemistry papers and delivering speeches at international conferences, she is a one-woman powerhouse. Whether she is securing gold in shooting or orchestrating philanthropy projects, Umika tackles challenges head-on with a combination of grit that leaves everyone in awe. With every step, she inspires not just admiration, but genuine excitement for what's next from this exceptional leader.

God bless Umika abundantly!

Vidwansh Sahu

IAYP Prefect, Vidwansh is the live wire of the class, radiating energy like a spark that sets everything ablaze. His infectious enthusiasm turns every moment into an opportunity for joy. Whether excelling in sports, leading with confidence, or diving into diverse inter-house activities, he approaches life with the zest of a whirlwind, inspiring all to tackle challenges with a smile and unmatched spirit.

God bless Vidwansh abundantly!

Vritti Chhabra

Vritti is like a burst of energy, dribbling the ball down the basketball court- her presence dynamic, her enthusiasm infectious, and her smile always shining through. Whether she is dominating the basketball court as Vice Captain, securing accolades as the best player, or charming audiences as the best speaker in Hindi extempore, Vritti does it all with a sparkle in her eye and an unyielding spirit. Her enthusiasm isn't just limited to sports and academics; it spills over into debates, dramatics, and beyond. With her boundless energy and brilliance, Vritti doesn't just meet expectations-she surpasses them, proving that true greatness is limitless.

God bless Vritti abundantly!

Yatharth Pandya

Whether commanding the digital world as the IT Prefect, dominating the football field, or hitting the mark as a sharpshooter, Yatharth embodies the perfect blend of brains, skill, and leadership. With a flair for innovation, he has dominated competitions like the All India iLeathon in IoT and shone at the IPSC IT Fest. A skilled shooter with two College Colours, 14 medals, including 3 golds, he has also excelled in football and athletics. Yatharth seamlessly excels across multiple fields proving that his relentless drive, talent, and leadership know no bounds.

God bless Yatharth abundantly!

Seated (L-R)

Mr Dharmendra Yadav, Dr Pooja Jain, Mrs Priyanka Dave, Mrs Richa Chitale, Mr A. K. Singh (Deputy Dean-Discipline), Mr Tushar Bharadwaj (Vice Principal-Pastoral), Dr Gunmeet Bindra (Principal), Mr Soumen Sinhababu (Vice Principal-Academics), Mrs Seema Chaddha, Mr K. S. Rawat, Ms. Shabiya Naaz, Ms Arhana Arya, Mr Rajendra Nagle

Standing, First Row(L-R)-

Raghav Agrawal, Daksh Bhan Singh, Kamakshi Devi, Adima Singh Baghel, Pehal Kharadkar, Sonia Dodve, Bhavika Srivastava, Adrika Yeole, Aviraj Bothra, Avish Barjatya

Standing, Second Row (L-R)-

Parishrut Singh Sisodiya, Yagvesh Narayan Dubey, Rajveer Patel, Rudransh Khatri, Saksham Fagwani, Asit Nagle

A compliant, reliable and energetic boy, Avish participated in the IPSC Cricket Tournament where he claimed 2 silver medals, Bishop Cotton School Invitational Cricket Tournament where he claimed a bronze medal, CBSE Conclave and CIP NUS program. Avish also bagged the Gold at the National Muay Thai U-16 Championship. He also showcased his expertise in DCMUN as the Rapporteur. He participated in Inter house drama & debate and IH Cricket & Hockey matches & the Athletic Meet.

God bless Avish abundantly!

Adrika Yeole

A jovial, witty, dependable and diligent girl, Adrika has many feathers on her cap. Adrika has co-authored Anthology Teen Tales published by Scholastic India and her Children's book 'Snow on the Beach' was published by BriBooks. Adrika claimed the laurels of Exceptional Performance at the IPSC Music Fest in patriotic group song in 2023 and Award for Excellence in Patriotic Group Song at IPSC Music Fest in 2024. She also won Gold badges in Indian music, Western Music & Hindi Literary Society. She was the Captain, RS Pillar Democracy and Editor-in-chief Daly Prophet.

God bless Adrika abundantly!

Bhavika Srivasatava

A disciplined adaptable, and a humble girl, Bhavika participated in Inter-house shooting, hockey, basketball, MP State level Shooting, IPSC Shooting U-19 and secured the second position in it. She also excelled in Inter-house dance, English elocution cum character enactment and inter-house extempore both English and Hindi. She also volunteered for the AFS Grain Distribution and Daly College-Choithram Netralya Eye Camp 2024.

God bless Bhavika abundantly!

Asit Nagle

A diligent, sincere, creative and compassionate boy, Asit was the Cultural Prefect and bagged College Colour for Academics in grade 11. Asit also bagged prizes in IPSC Music for 2 consecutive years, earned College Colours for Indian & Western Music and claimed laurels in IH Indian Music Classical Solo, Western Music Vocal Solo and Western Music Instrumental Duo.

God bless Asit abundantly!

Aviraj Bothra

Aviraj is a dedicated, creative, and compassionate individual with a passion for literature, filmmaking and photography. He has claimed Certificates of Merit in IPSC Shooting and MP State Shooting Competitions. He has been the Design Head of Daly Prophet since 2023. Aviraj was also a part of CBSE State Level Summit, GILF, G-Literati, DCMUN Media Team and DC-Choithram Eye Camp.

God bless Aviraj abundantly!

Kamakshi Devi

Confident, motivated, humble and competent, Kamakshi has held the responsibility of School Sports Prefect and Shooting Captain. Kamakshi has shone victorious by qualifying for Shooting Indian team trials, qualifying for SGFI Districts and for winning 2nd and 3rd positions in SGFI States Shooting, by receiving a College Prize and 3 College Colours for shooting and by bagging innumerable medals and certificates in various shooting events. Kamakshi was also awarded a certificate for being a part of NCC Girls' team.

God bless Kamakshi abundantly!

Sonia Dodve

Confident, committed and well-rounded, Sonia Dodve made a huge impact on her peers as the Jr. Bharati House Prefect and Hockey Girls' Team Captain. She received a Certificate of Merit for academic excellence grade 11. Sonia attained various positions in dance events and a gold medal in Theatrics challenge MU20. She also attained laurels in shooting and Inter house athletic events and received 4 silver, 1 bronze medals in M.P. States Shooting Championship, 2nd position in SGFI districts girls U 19, qualified for SGFI states girls U19 and a B-grade certificate for NCC.

God bless Sonia abundantly!

Saksham Fagwani

Patient, reliable, collaborative and curious, Saksham has held the responsibility of Round Square Prefect at school. He was awarded College Colours for Academics in grade 11. He participated in Doon Young Entrepreneur Conference, Mayo G20, EHIMUN, MU20, Round Square Conference hosted by Paradise International School Romania and volunteered for DC Eye Camp. He is supportive, honest, and encourages others to do their best.

God bless Saksham abundantly!

Parishrut Singh Sisodiya

Creative, resourceful, curious and patient, Parishrut enjoys playing sports. He attained a Certificate of Merit in Cricket and medals in the Athletic Meet. Parishrut was proudly a part of the School Cricket Team and played in IPSC Cricket tournaments. He also contributed to a lot of Inter house sports and participated in Inter house dramatics.

God bless Parishrut abundantly!

Pehal Kharadkar

Resilient, determined, ambitious, diligent and insightful, Pehal has to her credit the role of having been the College Prefect. A tennis player nonpareil, Pehal has won numerous accolades, including being ranked 7th in the All-India Tennis Association rankings, Winner in Doubles & Finalist in Singles at the Asian Junior Tennis Ranking Championship, Silver medallist at the Khelo India Youth Games in Tennis, Finalist at the International Tennis Federation J60 Tennis Tournament held in Colombo, the Jobat Cup and College Prize for the Best Tennis Player, Individual Gold medals in Tennis IPSC tournaments and the Mahida Sword of Honour for the best NCC Cadet & Radhakrishnan Rais Sheild for the Best Girl NCC Cadet.

God bless Pehal abundantly!

Yashodhar Singh Chundawat

A zealous sports person with a competitive spirit, Yashodhar finds it rewarding to socialize and connect with people. He was awarded with the Narwar Shield for the Best Marksman for .22 Rifle, and he also bagged medals in IPSC Shooting and States Championship and qualified for Nationals in Peep Sight .22 Rifle Shooting Championship U17. Yashodhar also won the Best Marksman Award in the ODA MEET '23 and College Colours for shooting.

God bless Yashodhar abundantly!

Keertivardhan Singh Chundawat

Confident and competent, Keertivardhan has claimed innumerable awards in shooting. He was awarded with the Narwar Shield for the best Marksman and the best Marksman cup in ODA shooting match. He has won 29 medals in Shooting States, 3 gold medals in Shooting SGFI, was declared 4th in the All India Rankings and got selected in the top 8 shooters in India. Keertivardhan has been a Gold medallist in States Shooting championship and IPSC matches.

God bless Keertivardhan abundantly!

Raghav Agarwal

Attentive, considerate, courteous and sensible, Raghav is inclined towards doing creative things and wishes to make the world a more colourful place. Raghav bagged a Gold badge in sculpture and participated in the International Dance Festival at Turkey. Raghav aspires to be a successful entrepreneur and is keen on resolving issues faced by common and poor people.

God bless Raghav abundantly!

Rajveer Patel

Energetic, industrious and cheerful, Rajveer has been awarded with College Colours, Gold, Silver and Bronze badges for dancing. He has also been the winner at the National Performing Arts Festival and IPSC dance competition in the solo group. Rajveer has claimed laurels by participating in various inter house events including visual arts and dance.

God bless Rajveer abundantly!

Daksh Bhan Singh

A confident orator, a boy of his own mind and determined, Daksh Bhan earned the privilege of attending the Principal's Dinner for his prowess in Sculpture and Pottery. He bagged prizes in Interhouse elocution, Hindi dramatics and Music. Daksh Bhan was a proud member of the IPSC and Banera Cup Hockey team and participated in almost all Inter house sport events. He also explored his potential as a logistics member at the DCMUN and the Indore Literary Fest.

God bless Daksh Bhan abundantly!

Rudransh Khatri

Jovial and friendly, Rudransh has participated in many inter house events namely, football, basketball, hockey and character enactment. Rudransh aspires to become a successful entrepreneur and wishes to develop new products that could bring about a change in the world economy.

God bless Rudransh abundantly!

Adima Singh Baghel

Respectful, responsible, independent and supportive, Adima contributed immensely to the house as the Sr. Bharati House Captain. She claimed College Prize for Table Tennis, Woodcraft and Band and a Certificate of Merit for Basketball. Adima represented the school in IPSC Basketball 2024 and Inter-school Basketball tournament held at Sanawar in which the team stood 3rd. Her strategic and collaborative skills as a student leader brought many laurels to the house.

God bless Adima abundantly!

Yagyeash Narayan

Resilience, perseverance and integrity are the values close to the heart of Yagyeash. He was the Captain of the aquatics division and claimed many laurels in aquatics events. He brought home a Gold medal in 100m-Freestyle Districts, Bronze medal in 50m – Breast Stroke and 100m- Breaststroke and a Silver medal in IPSC Water polo.

God bless Yagyeash abundantly!

Good afternoon, everyone.

Your Highness Prince Yashwant Rao Holkar III, I welcome you. He is not just a patron of Daly College, but today he is our Chief Guest as well, and I would like to thank him for being here this evening. All the distinguished guests, my colleagues on the Board, respected Principal Ma'am, Dr. Gurmeet Bindra, and all the members of the Daly College family, I welcome you all. On behalf of Daly College, I extend a heartfelt and warm welcome to each one of you.

It is a living, thriving dream.

We are profoundly grateful to you, Prince Holkar, for graciously accepting our invitation. Your presence today not only honors this gathering but amplifies its significance, leaving an indelible mark on this momentous occasion.

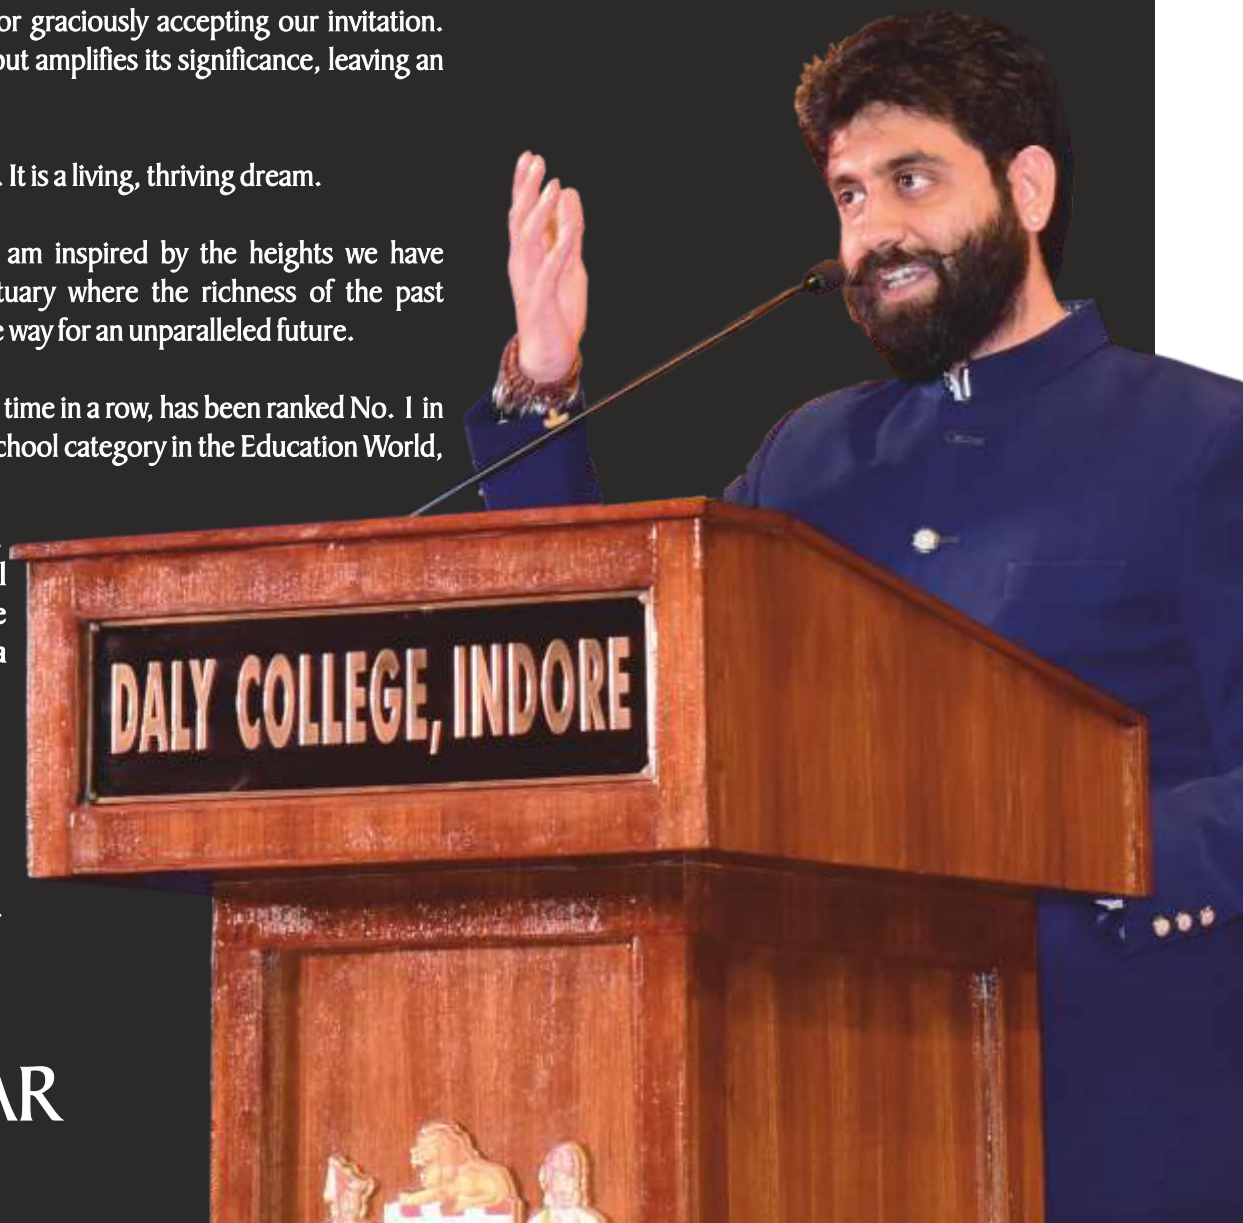

Daly College has been more than an institution to me. It is a living, thriving dream.

Each year, as I pause to reflect on our journey, I am inspired by the heights we have continued to scale. This school stands as a sanctuary where the richness of the past converges with the vibrancy of the present, paving the way for an unparalleled future.

I am glad to announce that Daly College, for the third time in a row, has been ranked No. 1 in India under the Vintage Legacy Day Cum Boarding School category in the Education World, 2024

To continue on that, we have also been ranked No. 1 in Leadership and Management and Special Education. I would like to congratulate all the stakeholders associated with Daly College. This is a matter of great pride for all of us.

PRESIDENT'S WELCOME ADDRESS

HH MAHARAJA
VIKRAM SINH PUAR

Additionally, we are thrilled to announce that our principal, Dr. Gurmeet Bindra, has been awarded the prestigious Principal of the Year Award by the Global Education Award, a well-deserved award. Let's have a greater and a bigger round of applause for that. And I would say that because she is not just working here as an employee or as a Principal; she has been working here as a mother to all the students and she has been bringing out the best potential of Daly College students and showcasing it to the world.

One of my deepest aspirations was to integrate horse riding. I have talked about this topic so many times. But this vision was not simply about adding a sport. It was about imparting discipline, resilience, and grace-qualities that transcend the physical and enrich the spirit.

Witnessing our students rise with charisma and confidence fills me with immense pride and reaffirms my transformative confidence in this initiative.

I am also excited to announce that horse riding was started two years ago. But now I am happy to announce we are taking a step even further, and in a couple of months, we are going to introduce Arena Polo in Daly College, which will be the first polo institution in Central India.

Because all we know about polo is that it comes from Rajasthan, Gujarat, Delhi, Bangalore, and the South, that's it. But never have we seen students or players playing polo in Madhya Bharat. This will be the first! Daly College will take the initiative to do that.

Our infrastructural developments have also been steadily improving. The facilities we have created are designed to support intellectual growth, foster creativity, and encourage ambition.

Every step we take in enhancing these resources reflects our commitment to providing a top-tier educational experience. Over the next six months, we are excited to unveil several projects that will further elevate Daly College, ensuring it continues to grow as a leading institution.

These infrastructural projects, I won't get into the details because, following my speech, Dr. Bindra will take the podium and she will give you the school report and the vision that we have decided for Daly College for the next year. She will share all the details on how we are moving forward—establishing a state-of-the-art hockey ground, creating a world-class athletic stadium, building an all-weather swimming pool, renovating the basketball courts, and many more exciting developments that have already begun.

Apart from that, I am delighted that one more realization of my vision has been achieved—The Finishing School. This initiative is not merely an addition but a cornerstone of our commitment to cultivating well-rounded individuals. By honing confidence, poise, and finesse, we prepare our students to excel on any platform, whether national or international. A finishing school, just a few years ago, seemed like a distant dream, an ambitious vision that would never be completed. But thanks to the dedicated Daly College staff and Principal Ma'am that today, not only have we established it, but it is running successfully and making a real impact.

My heartfelt gratitude as Rumi so eloquently said, "As you start to walk on the way, the way appears. With every effort made, every dream nurtured, and every milestone achieved, the horizon becomes clearer and brighter." My vision is to see Daly College ascend to unparalleled heights on the global education stage—a place where innovation seamlessly intertwines with tradition and excellence becomes a way of life.

My heartfelt congratulations go out to all the prize winners. To me, each one of you is a winner. Your achievements reflect not just personal success but also a commitment to carrying forward the rich legacy of this institution.

I extend my deepest gratitude to my colleagues on the Board, whose unwavering dedication sustains our vision, to my own Dalians, whose continued support reinforces our foundation, to our parents—Daly College's parents—whose trust and faith in us inspire our every endeavor. Ladies and gentlemen, I stand resolute in my belief that this is only the beginning. The collective brilliance of our principal, the enthusiasm and potential of our students, and the steadfast dedication of our staff form the bedrock of success. Let us forge ahead with courage, conviction, and a shared dream of making Daly College a name that resonates far and wide as a cradle of greatness.

Thank you, my very best wishes for the journey that lies ahead for all of you.

Thank you so much!
Happy New Year.

Principal's REPORT

You must be in the present. Launch yourself on every wave. Find your eternity in each moment.

- Henry David Thoreau.

Chief Guest for the evening, Prince Yashwant Rao Holkar, members of the Board of Governors, guests, parents, grandparents, Old Dalians, friends of the school, staff, and above all, dear children, a very warm good evening to all of you, and an even warmer welcome to all of you to the 154th Annual Prize Giving celebrations on this, the seventh day of December 2024. Ladies and gentlemen, in particular, I feel honored to welcome this evening Prince Yashwant Rao Holkar as our Chief Guest.

As the 16th direct descendant of Punyashlok Lokmata Devi Ahilya Bai Holkar and grandson of His Highness Maharaja Yashwant Rao Holkar II, the last ruler of Indore state, he continues to uphold and enhance the grandeur of his heritage. His academic accomplishments include an undergraduate degree in Finance from Franklin and Marshall College in Pennsylvania, and an MBA from the globally renowned INSEAD in France. We also extend a very warm welcome to this year's Padma Shri RN Zutshi Medal winner, Mr. Sultan Singh, Dr. Parvez Pohowalla, who also jointly received the award, is not present with us here today. They are both Old Dalians who have excelled themselves in their chosen fields. I also extend a very warm welcome to Dr. Manish Patel, the recipient of a new award introduced this year by the President BOG called the President's Commendation Award.

Ladies and gentlemen, we share a commitment and a responsibility to empower the children of today with essential tools to thrive in a world that is transforming at an unprecedented speed. It was only maybe a couple of years back or maybe four or five years back when we were talking about the VUCA world, the volatile, uncertain, complex and ambiguous VUCA world. Now you see so many others, and I've spoken about this with my children but at the cost of repetition, now you hear of the BANI world, brittle, anxious, non-linear and incomprehensible.

DR GUNMEET BINDRA

You also hear of the TUNA world, turbulent, uncertain, novel and ambiguous. We are not away from what they call the RUPT world, rapid, unpredictable, paradoxical and tangled. I heard yet another term which says the CAGE world, complex, ambiguous, global and exponential.

This evening I want to talk about something fundamental and that is something that I've been talking about in all my speeches throughout the year and that is the three desires of the human soul. I've spoken about this in almost every address throughout the year and a befitting conclusion to my sharing of thoughts at the APG. So what are the three eternal desires of the human soul irrespective of the VUCA and the BANI and the RUPT, whatever world we live in, three eternal desires of the human soul?

The first is Expression. Every human being wants to be heard, wants to be seen, wants to show the world who we are. We feel suffocated if we are not able to express ourselves and it's not expression only in terms of words.

Those who can't express themselves in words express themselves in paintings. Our children express themselves in a dance. There are so many different ways of expressing but it is a human desire, desire of the human soul to be able to, to be wanting to express oneself. It's about sharing your inner gifts in whichever way. The challenge is to fully embrace the soul's character and purpose by accessing our inborn gifts and talents and thereby give meaning to our life. Our children who are participating whether it was in the Lion King or whether it will be in the evening production are also expressing themselves in some way.

So that's the first, the first desire of the human soul, Expression. The second desire of the human soul is Connection. I remember having spoken about Connection in my entire speech in 2022. Expression leads to Connection. We want to be connected with our friends, with our family, with our neighbors, with our colleagues, with our bosses, with our subordinates, with everyone. But to me connection with all of these people is defined by the connection that we have with our own selves. That defines our connection with everybody else. And what defines our connection with our own selves? Our connection with money defines our connection with ourselves. Our connection with time defines our connection with ourselves. Our connection with power, our connection with authority, our connection with our own existence defines our connection with our own self which then decides and defines the connection with the rest of the world and of course, to me personally, the biggest and the strongest connection is a connection with the divine, with the Almighty. Thereafter,

after expression and connection, the third human desire is of Contribution. We all innately want to contribute.

That's our inner, inner spontaneous desire. You know, I have a friend who is a leading radiologist in Punjab. He had some liver problem, so he went to the hospital in Ludhiana for a check-up and he was coming out of the doctor's chamber and walking towards the reception. His wife moved faster to clear the bills and he had his first epileptic attack. He was not a patient of epilepsy, but as he was walking out, and he had his first epileptic attack. I don't know how many of you know it, but in an epilepsy, you're not supposed to hold the patient because the inner muscles and bones and everything, they just vibrate. So you just have to, if at all you want to help, you just hold the person lightly and allow the body to do its vibrations or whatever.

Now, when the doctor had this epileptic attack, he was going through the reception area. I mean, dozens of people, they just went and in an effort to help him, they all just held him, you know, he shouldn't fall and they held him so tight and they held him against the force of the inner body that both his shoulder bones broke. I'm not talking about what happened.

The point that I'm trying to make is that it's a spontaneous desire to help even to an unknown person. That is our inner desire of the human soul, the desire to contribute. From Maslow's hierarchy, we know all of that, to Richard Barrett's model, even spiral dynamics, all theories of human motivation highlight this truth.

At the end of the day, what is life if not an opportunity to express, to connect, and to contribute? These are not just desires to me; they are the foundation of a very meaningful life-Expression, Connection, and Contribution. Ladies and gentlemen, yes, contribution.

Prince Holkar's contributions are both profound and far-reaching. As a custodian of a great legacy, he has passionately restored several places of worship across India. He excelled in the world of investment banking in New York and Singapore before returning to India to contribute meaningfully to his homeland. He is now a board member of Ahilya Experiences, which manages the Ahilya Heritage Hotel in Maheshwar and Ahilya by the Sea in Goa. Prince Holkar also champions the cause of sustainable livelihoods and handloom preservation through

his roles as a board member of Rehwa Society and Women Weave. These non profits support over 150 families, funding education, healthcare, and daily sustenance while upholding the time-honored Maheshwari weaving tradition.

The Ahilya School, supported by these organizations, stands as a beacon of hope and empowerment. As a founder of the Holkar Cultural Center in Maheshwar, he has created a platform to celebrate and preserve the traditions and customs of his lineage. Sir, we are indeed honored to have you here with us this evening. Thank you for joining us in our celebrations. Expression, Connection, and Contribution. Yes, ladies and gentlemen, connection again!

We all connect with the vision of Sir Henry Daly, and I pay a tribute to the soul of this great man. Expression, Connection, and Contribution. Yes, ladies and gentlemen, expression.

I express my deepest gratitude to a very supportive and encouraging Board of Governors. His Highness Maharaj Vikram Singh Puar of Dewas Senior, President, Board of Governors, is a visionary, forward-thinking leader, and a proud alumnus of Daly College. He inspires us with his boundless energy and heartfelt commitment to elevating Daly College to unmatched heights of excellence.

The speed with which he wants to work, I marvel at my own speed and I'm very proud of my speed, but the speed at which he wants to work keeps me on my toes, and Maharaj, thank you for keeping me on my toes. His Highness Maharaj Narendra Singh Jhabua is not here today. We value his presence on the Board.

His Highness Maharaj of Narsingarh brings a sense of tradition and modernity that strengthen Daly College's commitment to excellence and progress. Maharaj Priyavrat Singh contributes profound insights and timeless wisdom towards innovation and success. Mr. Dheeraj Lulla is the soul of Daly College and the soul of its progress. He offers valuable perspectives, tirelessly dedicating himself to its growth and embodying the institution's spirit every single day with energy and enthusiasm. Mr. Monu Bhatia stands as a pillar of strength with unwavering support that

anchors Daly College through every endeavor, crisis, thick and thin, always, everywhere. Mr. Sandeep Parikh actively participates in school discussions and is present for all school events. Mr. Sanjay Pahwa is a compassionate advocate for parents, seamlessly addressing their concerns with a focus on building trust and collaboration. Mr. Sumit Chandhok's approach consistently drives Daly College to growth and success. Thank you, my dear Board members; my respected Board members! Your unwavering support and dedication are the driving force behind everything we accomplish. Expression, Connection and Contribution! Yes, ladies and gentlemen, expression once again!

The Principal's APG speech is an expression of the achievements and successes of the children under our care. I have so many to show off, so many achievements to boast of, but in the interest of time, I've picked up only the key ones and let me tell you that itself is quite a bit.

We continue our focus on academics as is evident from the improved Board results. Yuvraj Agarwal topped class 12 with 96.6%, better than last year. 22 students scored above 90%. Three scored a perfect 100 and 100 in Psychology and one a perfect 100 in Music.

Six students out of 14 scored 99 out of 100 in Painting. Overall, there is a substantial improvement in the percentage of students getting distinctions and first divisions. In grade 10, Daksh Bhatnagar topped the class with 97.2%. 24 students scored above 90% and of these, five achieved more than 95%. Six scored a perfect 100 on 100, two in Mathematics and four in French. The school average increased by a whopping 6%. In CI class 12, 38% students have scored grades A* and A. Saadgi Garg topped with three A* and two As and Vivaan Gautam with three A* and one A. In CI grade 10, 40% were awarded with a distinction and 60% Merit Certificates in Cambridge IC group award.

Aditya Dev topped the class with 8 A* and one A and Niaa Baheti with 7 A* and 2 As. I received an email this morning, on the 7th of December, that Saara Lunawat has won the prestigious Cambridge Outstanding Learners Award, 24.

Overall, the number of students who have received College Color for academics has increased to 38 this year as compared to 21 last year. There is also a substantial increase in the number of students who have received college academic badges and merit certificates. As part of our ongoing commitment to providing world class exposure to our students, DC hosted several top universities like John Hopkins University, Boston

University, Imperial College, London, and University College, London.

In addition, an international university fair was organized featuring participation from over 85 universities from across the world. 20 students attended summer schools in the best of universities, including Brown, Howard, Oxford and NUS. 15 completed AI internships with Amazon Web Services.

Students of grade 7 to 9 are enrolled in Project Based Learning KRUU, where they interact with professors from across the world. The class of 24 students has secured coveted spots in prestigious institutions such as IIM, Indore, Ashoka University, Hansraj College, SRCC, NMIMS, Jai Hind College, St. Xavier's College, and Mithibai College in India and, if you please, the Penn State, USA, along with Embry-Riddle Aeronautical University, Indiana University, Bloomington, Boston University, UT Dallas,

University of Wisconsin, University of Washington, Stony Brook, Drexel, all in USA, Imperial College, London, University of Toronto, New South Wales, University of Western Australia, and the LaSalle College of Arts in Singapore.

Expression, Connection, and Contribution. Yes, ladies and gentlemen, once again, contribution. Gary David Gilberg once said, "It takes a lot of people to make a winning team". Everybody's contribution is important. 23-24 has been yet another year of stellar achievements at the regional, national, and international level in sports. Some of the highlights, and this is my favorite section of my report, the academics and the sports. Hear this out.

Shivam Kapasia of grade 6 set a new record at the All India IPSC shooting. Arnav Sharda has been appointed captain of the Madhya Pradesh under-16 cricket team. Arvi Jain, all of 13 years old, has been appointed captain of the Madhya Pradesh under-13 girls' table tennis team.

Team DC represented Indore at the Nehru Cup tournament. It's a very prestigious hockey tournament and DC represented at the Nehru Cup tournament and stood second runners-up in both the boys' and the girls' categories. We won the overall championship in the CBSE Cluster Athletics meet in the boys' division. Saharsh Shahra emerged as a champion in the boys' under-15 category at the GCH All India Squash Championship. Stellar performances were given in tennis by Vihaan Nawab, Vaidehi Shukla, Anya Rathi, and Reet Arora.

We lifted the Kishangarh Shield. So Kishangarh is a shield, a tournament that is played in a triangular series. The Mayo, Scindia, and Daly College. And there are more than one game. So there is soccer, there is cricket, there is hockey. We lifted the Kishangarh Shield for the 12th time in a row, beating the other two, Mayo and Scindia! One of the board members of Mayo, who is known to someone I know, mentioned to him last week when they sent a letter to us to come, you know, and receive the trophy. He says, "Mayo College made this Kishangarh Trophy. It went from here 12 years ago and Daly College is not returning it to us!"

IPSC tournaments, which we all know are at the All India level, so I am just saying IPSC, we all know they are all at the All India level. Our wait list for victory is long. So I am only sharing the top two and I will go very quickly with this. Under-14 Boys' Tennis, Under-19 and Under-14 Boys' Shooting, and Under-12 Boys' Table Tennis—all of these we won at the national level. And the first Runner-up in Under-17 and Under-14 Girls' Hockey, Under-19 and Under-17 Girls' Shooting, Under-19 Boys' Cricket, Under-19 Boys' Skating, Under-19, Under-14, Under-12 Boys' Squash, Under-14 Girls' Squash, Under-19, Under-17, Under-14 Girls' Swimming, Under-14 Girls' Tennis—all of these, the first Runners-up positions. Yes, it's not easy.

IPSC has the likes of the finest schools in the country. When we breathe IPSC, we breathe Doon, Mayo, Wellham, Scindia, Modern School, DPS RK Puram, Rajkumar College. We breathe these schools in IPSC. And to beat them all and bring home so many trophies, ladies and gentlemen, my boys and girls deserve a loud round of applause. Let me also show off to you once again with a comparison of a medals tally.

Last year in my report, I compared the medals tally with the previous year. So, just for one, just to give you a sense of the growth trajectory, I'm just mentioning that in Athletics, we lifted 34 gold. Last year it was 17, so we've doubled it. And the year before last, it was 15. In Athletics, 26 silver has gone up from 23 and before that 19. 38 bronze, last year it was 12 and before that it was 9. This is just to give you a sense of the trajectory. Now I'm not going to go to the year before last, let me just compare with last year. Shooting, this year 80 gold, last year 45. This year 73 silver, last year 29. This year 68 bronze, last year 13. Tennis- 32 gold, 27 silver, 11 bronze. Skating- 5 gold, last year there were none and 8 silver. The total medals tally, ladies

and gentlemen, 228 gold, 336 silver and 275 bronze. The number of gold medals, ladies and gentlemen, has doubled! We are talking of gold and we are talking about national, all India level. Gold has doubled and the total medals tally has increased to almost 3 times.

As many as 10 school records were broken in the Inter- House Athletics in October, including the boys' under 17, 400 m record, which was broken by Arush Kandelwal after 44 years. Boys' under 19 discus throw, broken by Kabir Maini after 35 years. So when I had this 40th year batch, who came and said, "Ma'am our batch has a record", I said "It's broken this time". 40 years! And in pole vault U-17, Karan Bachkaniwala after 18 years.

Our success story continues at the School Games Federation of India tournaments, where our athletes compete against the best young talents. The School Games Federation of India has teams from different states. It's not just schools like the IPSC, the Doon, Mayo and the likes. It has state teams. So we play against Madhya Pradesh, Punjab, Kerala, Tamil Nadu, whatever. It's very, very competitive. At the SGFI, as many as 150 boys and girls qualified for the national tournaments across all games, 51 in athletics alone.

I must, I need a louder applause for our children. It's not a small achievement. And if you don't find sufficient reason to clap, let me tell you, Dr. Manish will tell me that the nerves at the end of these fingers are directly connected to the eyesight. So every time you clap, you are improving your own eyesight. So while we are still at sports, Maharaj Vikram did announce, we have signed off, in the sense that, I mean, I'm very grateful to my board, who spared a lot of time with, you know, vendors, and we have finalized the vendors for upgrading sports facilities. Give me six months, and you'll see a changed face in sports facilities.

The hockey ground will become turf ground amongst the top 2% schools in the country. All basketball courts will have synthetic grounds. Both the swimming pools will be all-weather swimming pools. The athletic ground, where we are having our evening production today, because I said we are going to get into our synthetic grounds next year, so the athletic ground will also be turned into the synthetic, athletic ground, the entire track, with the D inside for field events also. That's huge. Of course, Maharaj's vision is also to do up the cricket ground and make it indoor and upgrade the shooting range also. We are doing so well.

So that's also in the pipeline and a number of other projects. In the interest of time, I'm not enlisting them. But thank you, my dear Board members,

for supporting and taking this vision forward. And it may sound out of place, it's an APG speech, but on this platform, Mr. Dheeraj Lulla, thank you for your fantastic negotiation skills at the finalization of vendors at the board meeting. And thank you, dear Board members, including Mr. Sanjay Pahwa, for very intense engagement with the vendors to understand and then take a decision.

In literary activities, so in the interest of time, what I'm going to do now is just name the activity and the award.

IPSC Visual Art, RKC Raipur: Sublime Harmony Award for Tie and Die, Best Emerging Artist Award for Jewelry Designing, Sublime Harmony Award for Photography; All India Srinjayan Art and Design Fest at Assam Valley- overall First Runner-up trophy, won the first position in Macrame, first in Still Life Painting, first in Nature Photography, and first in Poster Making, second in Product Design and Textile Design, and third in String Art; Lafayette Zaverian at Gurgaon- first prize in Dance with a cash prize of 25,000; IPSC Dance, we clinched prizes for Outstanding Performance in Choreography and Western Group Dance also for Outstanding Award. There are no ranks that are given in the IPSC dance. Our dancers also gave a commendable performance at the Dance Festival in Turkey.

IPSC Music Fest at Scindia School- Awards for Excellence in Hindi Group Song, in Sufi-Qawwali Group Song, in Indian Instrumental Orchestra and Western Vocal Solo. Again, there are no ranks, so meritorious and performance for excellence are the highest awards.

IPSC Lit Fest in Nainital-Award for Best Use of Sound in Triologue competition; Silver Jubilee Commemorative Young Thinkers Conclave at the Mayo Girls' Ajmer- Best Ensemble Award in Twistology and the Best Critic Award for English Creative Writing. At Aspirations and Online Discursive Thinking Exploration at Varanasi- the Best Writer Award for Exceptional Creative Writing. At the All India Platinum Jubilee Memorial Inter-School Debate at the Scindia School Gwalior- Best Speaker Award in Preliminary.

At the Junior English Debating Invitational Cup at The Doon School, we secured five Best Speaker Awards. We participated in 12 MUNs this year,

four Best Delegates, 10 High Commendations, 16 Special Mentions, 11 Verbal Mentions and five Best Position Papers. Winners- PG Miller Memorial Invitational Quiz, IPSC Literary Fest Quiz Segment and also the Most Promising Quizzier Award. And the crowning glory, ladies and gentlemen, at the Inter-City Quizzing Challenge organized by NIT Bhopal, we emerged as Indore winners, so we were named Team Indore and then it was a state-level competition from all the cities of Madhya Pradesh. Guess what? We became the Madhya Pradesh champions! Hindi Literary Activity, IPSC Lit Fest, again at Nainital- Best Research Team and Overall Outstanding Speaker.

Internationalism-13 students went for exchange trips to Denmark and Hungary. Nine attended the Round Square exchange programs in various overseas Round Square schools, which include the Hotskills School, USA, Scotch College, Australia, Bunbury Cathedral, Grammar, Australia, the Landhim MRC, Germany, St. Stithians Girls' College, South Africa. A total of five students from

Germany, Scotch College, Australia and St. Stithians, South Africa were hosted by us. Two of our students attended the prestigious Round Square International Service Project in Thailand. Five attended the Round Square International Conference in Bogota, Colombia with a post-conference in Brazil.

Twenty-six attended the Round Square Conference in RS member schools in India. Seven students attended the RS Conference in Woodridge College and Preparatory School, South Africa. Six in the Sambath Church Academy, UK and another six at the Paradise International College, Romania. Sixty-three participated in the RS Zoom Postcards hosted by various Round Square schools in India, including us, South Africa, Japan, UAE and China.

Ladies and gentlemen, I know it's getting tiring for you to hear. Can you imagine what the children must have put in to achieve all of this? DC students participated in Round Square's first ever worldwide Show and Tell sessions for the age group eight to ten on the theme of Traditional Games in our Country. We collaborated on a project on Sustainable Art around the world hosted by Michael Hamm, Argentina. Our school undertook an inspiring project and this idea came from one of the children. He said, "Ma'am, we must donate our old shoes. We outgrow them so soon and they're expensive shoes. They don't wear out. We must donate them to the

underprivileged." I said, "Give it a name, we'll do it." And he named it, the name of the project was Sole Support, S-O-L-E. The idea came from the child, the name came from the child, and you should have seen how these children donated for the underprivileged.

Looking at the grand success of our regular annual Panna Project. We have been chosen to host the Round Square International Service Project at the buffer village of Panna Tiger by Round Square International. The last time India got a Round Square International project was 15 years back at Dehradun. We've got it now this year scheduled for December 25. Expression, Connection, and Contribution!

Ladies and gentlemen, Contribution. The best contribution one can make to humanity is to improve oneself, said by Frank Herbert. A host of teacher training sessions were organized, including CBSE's capacity building program on the theme Happy Classroom, two days' Adolescence Life Skills and Mental Health Summit, a two day incentive training of teachers' workshop for principals and teachers across Madhya Pradesh, Montessori training for our primary teachers, training by Tinker Village on teaching STEM subjects.

Daly College also hosted two teacher trainees, Martin and Amy, from the Melbourne Graduate School of Education, University of Melbourne. We hosted a number of events, G-Literati, a Pan India Literary Festival, the Indore Literature Festival, Roundtable of Principals as part of the Great Indian School Tour, our Immerse and Inspire program continues with thundering success, our new initiative, the first school to bring Oxford Union Debate style to India, Constitutional Debates at Daly College, CD at DC, was incredibly heartening. Mr. Prashant Bhushan and Mr. Gopal Shankar Narayan, along with others, debated with our ace, Saara Lunawat.

We were privileged to host innumerable distinguished personalities. To name a few, Captain Ashim Mitra, Mr. Manoj Bajpayee, Dr. Ameeta Mulla Wattal, Dr. Sushant Kalra, Dr. Sundeep Kochar, His Excellency, Javier Paulinich, Ambassador to Peru, Ma'am Shabnam Minwalla, the author, Mr. Rajmohan Singh, Mr. Edward Rippeth, Leena Asher, Amarjit Singh Mehta.

The crowning glory, of course, was Ma'am Sudha Murty and yesterday, Mr. Rajdeep Sardesai. All

our activities, all our achievements, everything that we have accomplished are a testament to what I'm speaking about. Expression, Connection, and Contribution.

It is therefore not surprising as Maharaj Vikram announced that we won the first position by Education World in the Vintage Legacy Day Cum Boarding Schools category for the third year. Ladies and gentlemen, for our old Dalians, I don't know which expression, which word to use. Expression, Connection, or Contribution!

I think it's all three. It's all three for my current students and it's all three for my old Dalians. Expression, it is so heartening to see them expressing their love and respect for their alma mater. It is so heartening to see the connect. I was there at the ACB in Chandigarh. I was overwhelmed and moist-eyed to see the phenomenal respect the old Dalians had when I arrived there, led by none other than Mr. Pankaj Bagadia himself. It speaks volumes of the value system that Daly College gives to anyone who passes through this blessed land. And Contribution, of course, I don't know of any school that has such a strong alumni bond.

I don't know of any school that has such an active ODA week. Just your presence, dear old Dalians, on the campus is your contribution. Of course, I look for funds also. Kunal Jhaveri promised 20 lakhs to do two fountains in the front lawns. I look for that also. But like they say, Punjabi mein- tan man dhan. Whatever way you contribute, most welcome. So Expression, Connection, and Contribution for my old Dalians. Expression, Connection, and Contribution, ladies and gentlemen.

Gentlemen, I can't speak enough for my teachers for their contribution in achieving what we are achieving for our children. Only those who have learned the power of sincere and selfless contribution experience life's deepest joy through fulfillment. -Tony Robbins.

And this goes for parents and teachers alike. My deepest gratitude to my team of tireless teachers. My deepest gratitude to parents who are giving time to their children. I know you'll say this comes naturally, doesn't come so naturally. Thank you very much, dear parents.

Thank you very much, dear teachers, for all that you are doing for these children. Together you make Daly College a beacon of learning and a sanctuary for self discovery. Let us continue to strive for excellence and remain humble in our achievements.

Before I conclude, a word about our Annual Production, Grease. It's

perhaps the first time we are doing an American production. It's an American high school drama. It's the first time we are doing it. So when we started doing the play, I asked the children. I said, "Are you sure we should do this?" "Yes, ma'am." We had thorough practices for almost four weeks. I got them again to the Darbar Hall. I said, "Are you sure we should do this?" "Yes, ma'am, we want to do it."

And they've enjoyed it thoroughly; they've had a blast. It's an American high school musical. We've taken the entire music from Grease, but we've changed the entire script. And the good news is that the script is written by the children themselves. They've actually had a blast. They've enjoyed themselves. And in the script, they're talking about friendship. They're talking about peer pressure. They're talking about making the right decisions, winning, losing, expectations versus reality, and so much more. And I wish I had the time to share with you the journey that some of these children have gone through in this production. It's a very American play, but let me assure you, however American and English it may be, our roots, we are connected to our roots. Expression, Connection, Contribution. We are connected to our roots.

We are going to introduce the Indian Knowledge System, where we are talking about the contribution of our Indian legends in astrology, in scriptures, in all of that. We are really, really looking forward to that.

I conclude here & look forward to a very lively evening annual production.

To all my students, you're the heart and soul of Daly College. Congratulations for earning yourself a seat in this hall, in that part of the hall. Congratulations to you! May you continue to aim higher, your dreams and accomplishments keep us going!

And I conclude, signing off by saying, "May the Almighty give us-everyone-and children, this is particularly for you. Listen to this carefully; it's for everyone. My prayer, in my heart, for everyone associated with Daly College is that the Almighty bless us with endless opportunities to express ourselves happily, to connect abundantly, and to contribute unreservedly."

Thank you. God bless us all, and have a great evening ahead.

CHIEF GUEST'S ADDRESS

Good evening,

and before I share a few words with you, I'd like to yet again have a massive round of applause for the incredible achievements of our students under the tireless guidance of Principal Bindra and the leadership of Maharaj Sahib. That is truly a testament to the work that you are all doing here. And Principal Bindra, I must say, in addition to the numerous awards you have received, you are well deserving of an award for elocution because if you had not read the long list of achievements of our students today at the pace and with the fluency that you had, we might have been here till next week. Truly remarkable, truly remarkable.

So, good evening one and all—Honorable President, His Highness Maharaj Vikram Singh Puar of Dewas Senior, distinguished members of the Board, Madam Principal Gunmeet Bindra Ji, respected guests, proud parents, dedicated faculty members, and most importantly, our young achievers tonight. Thank you from my heart for having me here to join you on this special occasion. It is truly an honor to be amongst you, amongst our great history of Daly College and the luminaries that have led this school and created this wonderful legacy. I would like to thank the Board of Governors and Principal Bindra for inviting me to address you on this significant occasion.

It is an honor to stand before you today not only as Chief Guest but as a proud descendant of a patron family deeply entwined with the history of this venerable institution. Daly College is not merely a school; it is an enduring legacy, a testament to the vision of its founders and the collective determination of all those who have nurtured it over the years. The Holkar family's contribution to Daly College is a point of pride and historical connection. It was during Maharaja Tukojirao II's reign that the Residency School began in Indore in 1870. Later, it was named the Rajkumar College, and eventually, it became what is known today as Daly College.

The old Daly School near MY Hospital was ably supported by two boarding houses—the Holkar House and the Scindia House—which now stand outside of this new and beautiful campus. At the turn of the century, it was felt that Daly College deserved a larger and more modern campus. At that time, my great-grandfather, Maharajadhiraj Tukojirao Holkar III, had the foresight to donate 118 acres of land for the establishment of this beautiful campus that we enjoy today. This land, this soil

that we stand on today, provides a home for generations of scholars and future leaders who fly Daly College's flag high and with pride.

The old Daly College School is one that is very dear to the history of this College, and we now today have seen its fruit borne through the children who have achieved so much. The further contribution of the Holkar family, a founding amount of 2.5 lakh rupees, laid the financial cornerstone of this institution, and the grand inauguration banquet was held at Lalbagh Palace in 1912 to inaugurate this campus. These acts of vision, and those of all of the founding patrons of Daly College, remind us of the values that guide true leadership—firstly, an investment in education, and secondly, a strong belief in the power of knowledge or Gyanmev Shakti, which is our school's important motto.

Today, on the occasion of the 154th Annual Prize Giving, we pay homage to the legacy of those who walked these halls and grounds of Daly College before us. My great-grandfather, Maharajadhiraj Tukojirao III, was amongst the illustrious alumni embodying the ethos of Daly College in his life. My grandfather, Maharaja Yashwant Rao Holkar II, my aunt Maharani Usha Devi, and my father, Prince Richard Shivaji Rao Holkar, have all been ardent supporters of this great institution and have contributed to ensuring the Daly College flag is held high.

This legacy thrives because of the enduring support of founding families, new donors, a vibrant Old Dalian Association, our parents, and countless individuals who believe in the transformative power of education. That is why we are standing here today in this wonderful institution. The Board of Governors, led by His Highness Maharaj Vikram Singh Puar, and the administration under Madam Principal Gunmeet Bindra Ji, have upheld and expanded the vision of the founders. We have heard today about the incredible plans and developments for the future of our school—the facilities that will come for our children and the doors they will open for their futures. That is a tremendous achievement and vision that allows for this.

As we celebrate the achievements of the students today, let us also remember the values instilled by this institution—discipline, courage, and the unwavering pursuit of excellence. To the young scholars here, the awards you receive today are a testament to your hard work and your potential. Carry forward the good name, repute, and legacy of Daly College with humility, purpose, and commitment to contribute

meaningfully to society. Always be proud of being a Dalian, no matter what challenges life throws at you.

This being the 300th birth anniversary of Punyashlok Lokmata Devi Ahilyabai Holkar, my hope is that each of you will have a chance to learn from her life history. The wonderful film on Maa Saheb's life, prepared by the students of Daly College with the learned guidance of Dr. Vijay Rajopadhyayji and the tremendous vision of the Board of Governors, beautifully captures the invaluable lessons of Devi Ahilyabai's life—dedication, perseverance, service to society, piety, humility, inclusivity, strength, strategy, and diplomacy. I hope you will always keep her example in your hearts and minds as you go forth to achieve the remarkable things for which Daly College has prepared you.

To deepen this understanding and appreciation of Devi Ahilyabai's living legacy, I would like to extend a warm and open invitation to all of our students and the entire Daly College fraternity to visit Maheshwar and see Devi Ahilyabai's legacy firsthand—from the beautiful heritage buildings, ghats, fort, and temples to the vibrant handloom industry, which continues today through countless master weavers and organizations like Rehwa Society and Women Weave, which the family founded. You can experience India's diverse and rich rural economy and connect with the cultural and conservation activities of this remarkable heritage. Through such experiences, it is my hope that as you plan and chart your futures, lifting your eyes to the infinite possibilities ahead, you remember to seek strength and inspiration from the foundation of the past.

In closing, I would like to congratulate the winners of the Padma Shri R.N. Zutshi Award medal for outstanding achievement by an Old Dalian, Mr. Sultan Singh, as well as to further congratulate Dr. Manish Patel on receiving the President's Commendation Award. I would also like to acknowledge the tireless efforts of the administrative staff, led by the Bursar, Mr. Harshwardhan Singh Purni. Your work behind the scenes is invaluable in keeping Daly College buzzing and the spirit alive.

Thank you once again for the honor of being part of this momentous occasion. May Daly College continue to shine brightly, shaping the future and inspiring generations of remarkable Dalians to come.

Jai Hind!

The finals of the ODA Kalukhera Cup Basketball Tournament were played on 18th April at the DC Courts, where team DC Tigers emerged as champions of the Tournament and Batch of 2000 were the Runners-Up.

ODA JS Anand Memorial Night Cricket

ODA JS Anand Memorial Night Cricket tournament commenced on 4th June 2024. The tournament lasted nearly 10 days, and 34 teams participated. The final match of the tournament was held on 13th June. Mrs Manmeet Anand, patron of the tournament, graced the occasion as Chief Guest.

ODA MSD Open Squash Tournament

ODA MSD Open Squash Tournament was held at Daly College from 5th to 8th June. Mayank Doshi (Batch of 2007) graciously sponsored the event. The tournament was played in 4 categories General, Doubles, Lucky Doubles, and Ladies Singles. Maharaj Tripureshwar Kachibaroda was the Chief Guest for the Closing Ceremony and prize distribution.

ODA Cakes n Craft Badminton Premier League

The ODA Cakes n Craft - Season 4 powered by GO HIPPO Auction was held on 7th August at Hotel Marriott. The auction was graced by the presence of Chief Guest, Dr. Gunmeet Bindra, Principal of Daly College, and Special Guest, Mr. Tanishq Lulla from Cakes n Craft, the title sponsor of the tournament. along with BOG members – Mr. Dheirraj Lulla, Mr. Sandeep Parekh, and Mr. Sumit Chandhok. The tournament was held from 13th to 17th August.

The highly anticipated finals saw SP Conquerors emerge victorious against Golden Hawks, clinching the championship for the third consecutive time.

The Prize Distribution saw Mrs. Jasmine Lulla as the Chief Guest. BOG members, along with Principal, Dr. Gunmeet Bindra, were also present.

ODA Family Picnic

ODA Family Picnic organised at Neertaru Resorts was a terrific event that brought together nearly 130 Old Dalians from various batches for a day of fun and camaraderie, which included live singing, few rounds of Tambola, birthday celebrations, good food and even ziplining!

To mark Teachers' Day, the Old Dalians Association (ODA) hosted its first-ever event to recognize and honour the former teachers of Daly College. The occasion was met with great enthusiasm, drawing a remarkable gathering of Board members, the Principal, and Old Dalians, all united in their gratitude. The event highlighted the strong connection between the alumni and the educators who played a pivotal role in shaping their academic journeys. Several esteemed former teachers were felicitated during the ceremony, with all attendees applauding their unwavering commitment to mentoring students and their invaluable contributions to the institution. The event also included speeches, heartfelt expressions of appreciation, and cherished memories, reflecting the profound influence these teachers had on the lives of Old Dalians.

Teachers' Day Celebration

ODA APG WEEK

Rajgarh Cup

The traditional Rajgarh Cup cricket match between the ODA and DC Staff was held on 2nd December at Daly College. Principal, Dr. Gunmeet Bindra was the Chief Guest for the inaugural ceremony and officially declared the 154th APG Meet open. In a nail-biting encounter that went down to the last over, the match was won by the DC Staff Team. The Chief Guest for the Prize Distribution Ceremony was Mr. Anand Kedia, former member of the DC Board and Managing Director of Associated Alcohols.

Narsinghgarh Cup

The Old Dalians' Association (ODA) triumphed over the Present Boys team in a well-fought match. The Vice President of the Board of Governors, HH Rajyavardhan Singhji Narsinghgarh, presided as Patron and Chief Guest. Also in attendance were BOG members, ODA executives and Principal, Dr Gunmeet Bindra.

Squash Trophy:

Clinched by the Old Dalians, winning 3-2

Tennis Trophy:

Ended in a 3-3 draw between the Present and Old Dalians

Badminton Trophy: Lifted by the Old Dalians

Football Trophy:

Present Dalians stormed to a 6-2 victory over ODs.

Shooting Trophy:

Both the Indoor and Outdoor Shooting Trophies were clinched by the Present Dalians.

Banera Cup: The fiercely contested hockey match ended in a 1-1 draw.

Basketball: The Present Dalians dominated with a 56-38 win.

The ODA Meet concluded with a flourish as Dr. Manish Patel (Batch of '77), an eminent doctor, and Mr. Sunil Bajaj (Batch of '79), Secretary General of Billiards Federation of India, graced the occasion as the Chief Guest and Guest of Honour, respectively. Members of the Board and ODA Office Bearers were also present, along with Principal, Dr. Gunmeet Bindra.

ODA Jhabua Trophy Cricket Premier League

The auction of the ODA Jhabua Trophy CPL, powered by Go Hippo and BRG Group, was held on 16th November. The tournament, with 102 ODs participating from across the country and the globe, commenced with a grand Opening Ceremony, and the Chief Guest was Mr. Amit Singh, Additional Commissioner of Police.

For the Closing and Prize Distribution, Shri Ganesh Singhji Jhabua, former BOG member, was present as the Patron, and Principal, Dr Gunmeet Bindra graced the occasion as the Chief Guest. Additionally, Mr. Jai Singh Jhabua, Mr. Bhiguraj Singh Jhabua from Jhabua Family, and Mr. Yash Goyal from BRG Group, were also present, along with BOG members, Mr Dheirraj Lulla and Mr. Sandeep Parekh.

The finals took place on 22nd December, where Golden Hawks emerged victorious against SP United.

The gala ODA Annual Dinner was held at Desai Lakeside, with captivating live music, delectable food and drinks, and multiple batch reunions – 50, 40, 25, 20 and 15 years – celebrating the quintessential Dalian bonhomie and camaraderie.

ODA Annual Dinner

ODA Diwali Bash Bumper Tambola

The ODA Diwali Bash Bumper Tambola was a resounding success, bringing Old Dalians and their families together for an exceptional and unforgettable evening. There was vibrant live singing and four thrilling rounds of Bumper Tambola with cash prizes of 5 lakhs. Moira & Ambassador Groups gave their unwavering support in making this event possible.

JUNIOR SCHOOL

Carry the
spark within!

Greetings,

'Every child is a different kind of flower, and all together make this world a beautiful garden.'

Every morning as I enter this 'beautiful garden' with its intoxicating fragrance of innocence, vibrant colours and mellifluous sounds of life itself, I can't but thank the Supreme Power that is, for this wonderful blessing, my junior school. The happy faces lit up with enthusiasm, twinkling eyes full of curiosity, the corridors echoing with laughter and excited chatter - this is where my beautiful flowers bloom. Today's world is ever changing, each dawn ushering new complexities fraught with challenges and conflict. The onus is on us, the parents and mentors, to equip our children to grow up to be worthy citizens of this global village, by ensuring a healthy diet of holistic development that is modern yet rooted in our rich culture, tradition and values.

Rashmi Ahuja

Jr. School
Headmistress

We strongly believe that every child that one encounters, is a divine appointment. Our well designed curricula rests on the philosophy of learning while doing. The various activities encourage and nurture creativity and spontaneity; all the literary activities, cultural programmes, RS, MUN, art, craft, music, dance and all the sports fixtures, in a loving, safe and secured environment are all programmed to ensure preparedness to face life. "Children are the living messages we send to a time we will not see." John F. Kennedy. It is they who are going to build the world of tomorrow and carry forward the legacy of humanity.

The key therefore, is to strike a balance where the roots of responsibility and the wings of independence will make a future that is secured, healthy and a happy place for them to bloom and grow forever.

As days lead to weeks, weeks to months and months yet to another year, I invite you to walk down memory lane browsing through the 'Kodak Moments' captured beautifully in the following pages.

God Bless !

CLUB ACTIVITIES

Fine Arts / Art Appreciation

'Art is the only truth that speaks directly to the heart.'

Art creates, often revealing deeper truths that resonate beyond words or logic. In the Art Appreciation club, children had hands-on experience with various art forms, including Scribble Silhouette art, Floral design on canvas, Symmetrical pop art, Murals on nature using different mediums, Dry pastel shading using stencils, and an amusing fun figure art on unused bottles to uplift and stimulate their creativity. The budding artists made a stunning appearance at the art show, complete with a dramatic makeover and a confident strut down the ramp, leaving the audience in awe of the eye-catching and spectacular presentation. One of our budding artists, Diaara Verma was awarded second position along with a Rs. 7000 cash prize in the "Strokes of Colours" Open Painting Competition, organised by DPS Rau, Indore. Additionally, Hanushvi Shyamsukha stood in top 10 of VEENA VATIKA INTERNATIONAL DRAWING CONTEST 2024 and Ishvita Jindal received a Gold medal in the Interschool Drawing Competition (Art of Creation)

Diaara Verma -6 CI

Block Printing

Block printing is a traditional method of textile printing that involves carved wooden blocks to imprint patterns onto fabric or paper. Our students recently explored the timeless art of block printing, applying their creativity and craftsmanship to a variety of surfaces. Through this hands-on activity, they gained an appreciation for traditional printing techniques while experimenting with colors, patterns, and textures. They printed on bookmarks, envelopes, paper bags, bandarwals, and greeting cards, transforming everyday items into artistic expressions. Each piece reflected intricate designs, showcasing their keen sense of aesthetics and precision. Expanding their creativity further, students also printed on fabric items such as hankies, cushion covers, jute bags, and wall hangings. Using vibrant natural dyes and beautifully carved wooden blocks, they brought life to textiles, making unique, handcrafted pieces. This enriching experience not only honed their artistic skills but also deepened their understanding of traditional craftsmanship and sustainable art forms. The joy of creating something with their own hands was evident in every printed piece, making the exhibition a truly memorable one!

CLUB ACTIVITIES

Brain Café

Computer Club Jr. School

The Brain Café club aims to foster creativity, innovation, and ICT skills among students while enhancing their research, presentation, and critical thinking abilities.

Throughout the year, the students of the Brain Café demonstrated remarkable enthusiasm and dedication. They honed their PowerPoint presentation skills, creating various projects during club sessions that significantly improved their organizational and presentation abilities. They also explored the fascinating worlds of artificial intelligence and robotics, with the robotics lessons being especially engaging and fun for the students.

The students were brimming with excitement and enthusiasm as they prepared for the Junior School Computer Exhibition, eagerly working on charts and projects. They designed interactive quizzes and games using PowerPoint, which were met with great appreciation from parents and the Chief Guest.

The Creative Nook

The Creative Nook: Where Imagination Comes to Life

Step into the Creative Nook, the vibrant childrens' club where forgotten objects are reimaged, and creativity takes center stage. This year, our young artists transformed a dining corner, breathing new life into it with their boundless imagination and artistic skills. The transformation began with old chairs, which were given a stunning makeover using fabrics. From bold prints to delicate textures, each chair now tells its own unique story. These revamped treasures sit perfectly alongside the handmade table mats and a beautiful runner, all lovingly crafted to bring warmth and charm to the dining space. The children's creativity also extended to block-printed jholas (cloth bags). Using vibrant designs and eco-friendly fabrics, they created beautiful, reusable bags that blend utility with art. These 'jholas' stand as a testament to their efforts in promoting sustainable living while showcasing their artistic talents. The innovation didn't stop there! Nature inspired their next project, where they crafted stunning decorative art pieces from bark of wood, turning simple materials into extraordinary creations. They also covered old diaries with vibrant fabrics, giving them a fresh, artistic appeal perfect for capturing ideas and dreams. Even the smallest scraps of fabric found a purpose, as children skillfully transformed them into delightful decorative items. Every stitch, fold, and design reflected their commitment to sustainability and creativity.

CLUB ACTIVITIES

Chirpy Avians

Bird Watching Club

Daly College, surrounded by lush vegetation, is a perfect haven for birdwatching. Birdwatching, the enjoyable hobby of observing wild birds in their natural environment, offers an affordable and accessible way to connect with nature. It's an activity that can be done anytime and anywhere. At Daly College, our Birdwatching Club provides students with a unique opportunity to explore the diverse bird life on campus. Every Saturday, our club members gather to observe a variety of bird species that call the campus home, including bulbuls, orioles, barbets, parakeets, hornbills, kites, doves, owls, and various water birds. These birds thrive amidst the rich flora, creating a vibrant and dynamic environment for birdwatching. Our club activities focus on fostering a deeper connection with nature. By engaging in birding, students learn to appreciate the delicate balance of the natural world. Birdwatching also promotes essential life skills such as patience, concentration, and attention to detail - all vital skills that enhance students' overall observational abilities. During our club sessions, we learned how to identify birds not only by sight but also by their calls, songs, and unique characteristics, such as plumage patterns and colors.

We would like to express our sincere gratitude to our Principal, Dr. Gunmeet Bindra, and our Headmistress, Mrs. Rashmi Ahuja, for providing us with all the necessary facilities. We also extend our sincere thanks to our Club Incharges, Dr. Minakshi Rathore and Ms. Goldi Singh, for making this hobby so engaging and enjoyable.

Dhruv Agarwal, Sawai Singh, Kabir Kabra

Cookery Club

A Taste of Learning and Fun

At DC's Cookery Club, young chefs explore the joy of cooking while learning essential kitchen skills. Under the guidance of dedicated teachers, students have mastered a variety of delicious dishes, from protein-rich ladoos to winter favorites like potato zucchini bake, papdi chaat, and tacos. Alongside cooking, they also practice important safety habits—washing hands, handling kitchen tools with care, reading recipes thoroughly, and keeping their workspace clean. They learn to stay focused, ask for help when needed, and always use caution around hot surfaces. Most importantly, they discover that cooking is not just about making food—it's about creativity, teamwork, and having fun!

Shanaya Sethi 6CI*

CLUB ACTIVITIES

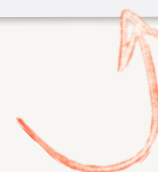

Green Club

The most amazing thing about nature is its infinite variety. In Green club we did a lot of activities on nature like collecting information about different kinds of plants and animals on the campus.

We went on nature walks and saw different types of birds and their nests. An activity of making paper bags and posters, was very fascinating for the students. They did the leaf impression activity with different types of leaves. These fun filled educational activities kept the students engaged throughout the year.

Namish Jain- 5 C

Pravit Agrawal- 6 B

Photography

Photography is the art of freezing a moment, capturing not just what we see, but the emotions and stories that words cannot express."

Photographers don't take pictures. They create images. Photographs are just light and time. The Daly College Junior School Photography Club (Shutterbugs) is the base platform for students to become professional photographers in the future. This club is a batch of students from class 6. The purpose of this club is to hone the skills of the students.

This year students enthusiastically learned about different technical terms (ISO, shutter speed, aperture, depth of field, focal length) and skills to operate the camera. The students actively participated in all the activities and frequently took pictures of all the events which were displayed during the school exhibition. The students have also captured mesmerizing pictures of different places (Desai lake, Sitamau House, Barwani House, Cactus garden, different garden areas, Main building, Durbar Hall and Kataria lake) on the campus. Shutterbug always tries to bring out the photography talent of the school.

CLUB ACTIVITIES

Music

"Music has infinite power to bridge the gap between the heart and the soul to create infinite and ineffable joy" - Debasish Mridha

The music club at our school cultivates a deep appreciation for music while providing opportunities for growth in both instrumental and vocal disciplines. Our session commenced with an exceptional performance in the cultural program on 15th August. The orchestra elegantly harmonized three patriotic tunes, "Hum Hindustani", "Jai Hind" and our National Anthem, "Jan Gan Man" while the choir soothed the audience by singing "Apni Azadi". On the 5th October, Euphoria had children from classes 1st, 2nd and 3rd singing "Khandon Se Milte Hai Khande" and "We are the world" and orchestrating "Raga Bilaval" and "Red River Valley". On Junior school day, the 5th of December, children from class 4th, 5th, and 6th showcased their musical talents by singing in the play, "The Lion King". These gifted children, with their natural musical flair, never fail to impress. Their talents go beyond singing, as they are also talented and versatile performers. The 26th of January viewed an outstanding performance by the orchestra, displaying their skill in playing "Dedi Hamein Azaadi" and "Mera Joota Hai Japani". The choir highlighted their ability in front of the audience by singing "Jai Jan Bharat", which made this wonderful day even more joyful. The music club continues to nurture our students' musical talents and bring joy to our school community, with each performance demonstrating the power of music to unite and inspire.

Vihaan Vaish VI

Craft & Pottery

The craft exhibition was full of creativity and excitement. Students made amazing projects like bottle art with wool, quilling cards, glass painting, scenery on jute cloth, paper craft, decorative pieces made from egg cartons, decoupage on glass bottles, flowers made with paper, and 3D modular origami, which everyone loved. There were also ice cream stick decorative articles and hanging art pieces, making the display even more colorful.

The Best Out of Waste competition entries, also shown in the exhibition, included creative items made from old newspapers, magazines, bottles, and cartons. These projects showed how students used waste materials in smart and useful ways. The pottery exhibition had beautiful creations like clay diyas, Ganesh idols, small pots, toys, animal figures, terracotta plates, and sculptures. The terracotta plates and sculptures were especially praised by everyone for their detail and design.

Shanaya Sethi 6C1

CLUB ACTIVITIES

Storytelling

The club, held every Saturday, inspired creativity with activities like role play, puppet theatre, and story building. Students excelled in competitions, building their confidence and showcasing their talents. It had remained a cherished space for nurturing imagination and skills. A special highlight of the year was the Diwali Story Enactment, where students performed a dramatized version of the Ramayan. Through this performance, students not only improved their storytelling abilities but also gained a deeper understanding of Indian culture and traditions.

Aahana Doshi- 5

Helen O' Grady

Daly College and Helen O' Grady International Creative Education Academy joined hands this year for conducting Developmental Drama program. With the help of Well Structured Curriculum and trained teaching staff, this program helps un developing confidence, communication, creativity critical thinking and collaboration in children and adults of all age groups. In junior school students of classes 5 and 6 are attending these classes every week. Students presentation during DC Annual Exhibition was much appreciated by the parents.

Few parents shared the way their children are incorporating these skills in their daily lives which eventually will become a part of their own personality.

Shanaya Sethi - 6C1

CLUB ACTIVITIES

Science Club

The Science Club for Class V has been an exciting journey of discovery, innovation, and hands-on learning. This year, students explored a variety of scientific concepts through engaging activities and projects. Reyansh of Class VA built a smart dustbin and worked fantastically with circuits. Students experimented with invisible ink, and designed models on rainwater harvesting, smart cities, and water filtration, showcasing their creativity and problem-solving skills. Additionally, they conducted hands-on experiments like simple electric circuits, shadow formation, floating and sinking, and air pressure demonstrations. Eris of Class V B showcased flying ghosts using her knowledge of thermal energy. Advika of class V A performed on lava lamp and volcanic eruptions. These activities helped students understand real-world applications of science while fostering teamwork, curiosity, and critical thinking. The Science Club has truly made learning interactive and enjoyable, inspiring young minds to explore the wonders of science beyond textbooks.

Aarav Yadav VA

Model United Nations

MUN, or Model United Nations, is a school activity where students learn about global issues, diplomacy, and decision-making by simulating the United Nations. For classes 5 and 6, MUN introduces students to the roles of different countries and how they work together to solve problems like poverty, climate change, and world peace. During the activity, students represent different nations, discuss real-world challenges, and propose solutions through debates and teamwork. It helps improve public speaking, critical thinking, and collaboration skills, making it a fun and educational experience for young learners.

CLUB ACTIVITIES

Quiz Club

"Quizzing is not just about knowing the answers; it's about the thrill of discovering them."

The Quiz Club of our school has had an exciting and intellectually stimulating year, fostering curiosity and knowledge among its 21 enthusiastic members. Dedicated to enhancing learning through quizzing, the club actively engages in various activities that challenge and inspire students. Members of the club regularly prepare PowerPoint presentations on diverse topics, contributing to their research and presentation skills. Weekly Friday Assembly Quizzes keep the entire school community engaged, ensuring a fun yet educational start to the day. The club also conducts two inter-house theme-based quizzes annually, sparking friendly competition and encouraging teamwork. A highlight of the year was the much-awaited "Ignite" Inter-School Quiz Competition Season 7, held on 31st August 2025. This event witnessed intense quizzing battles, with teams from various schools competing for the top honors, making it a grand success. Aavyaan Gupta was adjudged the best quizzier junior school for this year. We have other quiz enthusiasts in Junior School like Kriesha Dashora, Arnav Arora, Anshika Mittal, Priyamvada Bakiwala, Nia Doshi and Heer Kaur Bhatia. "A quiz is not just a game; it is a journey of learning, exploration, and discovery."

हिन्दी साहित्य और नाट्य क्लब

‘हमारे स्वप्नों की भाषा है, हिन्दी।’

जब बात आती है स्वयं के भावों व विचारों के आदान प्रदान की तो हिन्दी भाषा ही हमें सहज लगती है। कहानियों का संसार, नाटकों के पात्र और कविताओं के भाव हमें आत्मिक संतुष्टि प्रदान करते हैं।

इस वर्ष हिन्दी साहित्य क्लब के हम सभी विद्यार्थियों ने मुहावरों, लोकोक्तियों और कहावतों के इतिहास को जाना और उन्हीं की कहानियों को पढ़कर पोस्टर पर लिखा व संबंधित चित्रांकन भी किया।

कविता और नाटक के विभिन्न अंगों के बारे में जानकर कविता व नाटक लेखन का प्रयास भी किया।

विभिन्न अंतर्गृह प्रतियोगिताओं में मंच संचालन करते हुए नए-नए शब्दों का प्रयोग भी करना सीखा। इस वर्ष से अंतर विद्यालयीन ‘संभाषण सह पात्र अभिनय’ प्रतियोगिता का आयोजन भी किया गया, जिसका विषय था ‘रामायण के पात्र’ हिन्दी लिटरेरी क्लब में हमने स्वयं कथोपकथन लिखकर अभिनय का प्रयास भी किया, वार्षिक प्रदर्शनी में नुक्कड़ नाटक तथा अन्य रचनात्मक लिखित चार्ट और व्याकरण के मॉडल भी बनाए, ‘रहीम की कुटिया’ आकर्षण का केंद्र रही। औषधीय पौधों में इस वर्ष हमने आँवले के गुणों की जानकारी भी दी।

Hindi Character ENACTMENT

Hindi Declamation

What an inspiring morning!! The children of classes 5 & 6 came in dressed as characters from the epic Ramayan for the Hindi Declamation and Character Enactment !! The grandeur and the beauty of the characters simply took our breath away !! The characters portrayed by the students indeed gave a message that 'Ramayana' is not just a story but a beacon of Dharma, illustrating the eternal struggle between good and evil. Kudos to all those who trained the characters so well. Ayaana Patel came first, Heer Kaur Bhatia and Vihaan Jolly were second, Arnab Singh Arora was fourth, Ram Sinha and Aarav Sancheti were fifth. Arnab Singh Arora - 6

English Literary Club Activities

A literary culture in a school is not built by books alone but by the voices that bring them to life through speech, drama, and creative expression."

- The English Literary Club gives students a space to think, express, and engage with language beyond the classroom. This year, the Inter-House Literary Competitions once again brought out the best in our young speakers, writers, and performers.
- The year began with the Inter house English Elocution Competition, where students took the stage with confidence, delivering well-rehearsed pieces with clarity of expression. From poetry to speeches, each participant brought their own style.
- The result of the competition was - Aavyaan Gupta- First ,Ranvir S.Nahar—Second, Eris Kate Wilfred - Third
- The Inter house Character Enactment & Declamation Competition was a lively affair, with students stepping into the roles of famous literary and historical figures. From powerful monologues to expressive dialogues, the stage came alive with performances that transported the audience.
- The result of the competition was-Kiaan Yadav – First, Abeer Mishra

-Second, Nikisha Gupta— Second, Kriesha Dashora- - Third

- The Inter house Debate Competition was where arguments flew and counterarguments hit back just as fast. This year's topic, Social media a boon or bane, sparked passionate discussions, with each team bringing well-reasoned points to the table.
- The result of the competition was- Viyaan Raj - First, Aryan Taiwade - Second, Aavyaan Gupta – Second, Aarav Sanghvi - Third
- For the writers, the Salter Zutshi English Essay Writing Competition featured topics like 'The Impact of Social Media,' 'Protecting the Environment,' and 'Books vs. Screens'. Students presented clear, thoughtful arguments, making it tough to pick a winner. Anika Ranawat of Class-6 was the winner.
- From the first competition to the last, every event was a reminder of the talent and enthusiasm our students bring to the literary space. Congratulations to all the winners and participants for making this year's competitions truly engaging!

Wings of Words

"A strong vocabulary and clear pronunciation can transform the way we communicate."

Building on the success of last year, the 'Wings of Words' Spelling Competition returned with even greater enthusiasm. Designed to strengthen spelling skills, pronunciation, and confidence, the competition saw students from Classes I to VI take on a series of challenging rounds. Participants tackled tricky words with precision, showcasing not just memorization but a deep understanding of language. The competition reinforced the importance of accuracy in everyday communication. With each round, the stakes grew higher. The competition once again proved that words, when mastered, truly give wings to expression.

The Falcons of this year are: Class 1 - Parav Agrawal, Class 2- Somya Maheshwari, Class 3-Kabeer Bisht, Class 4- Aryan Mittal, Class 5- Advika Parasrampur, Class 6 Priyamvada Bakiwala.

Junior School Annual Photography Competition

"Photography is the beauty of life captured through a lens".

The Photography Competition was held on the 19th of August on the occasion of the 'World Photography Day'. It is the sixth year of the photography competition at Junior School for the students of grades 5 and 6. A total of 189 entries were received in 18 categories- Celebrations/Festivals, Car/Bike, Happy Days at School, Monsoon Magic, Monuments, Nature, Sports, Teachers, Wildlife, Black and White, My Pet, Me and My Selfie, Vacation Time, Grand parents, Candid Moments Of People, Food, Rural Life and Humor. Amazing photographs were clicked by students and a total of 60 certificates were awarded. The enthusiasm shown by the budding shutterbugs was worth appreciating.

Immerse and Inspire

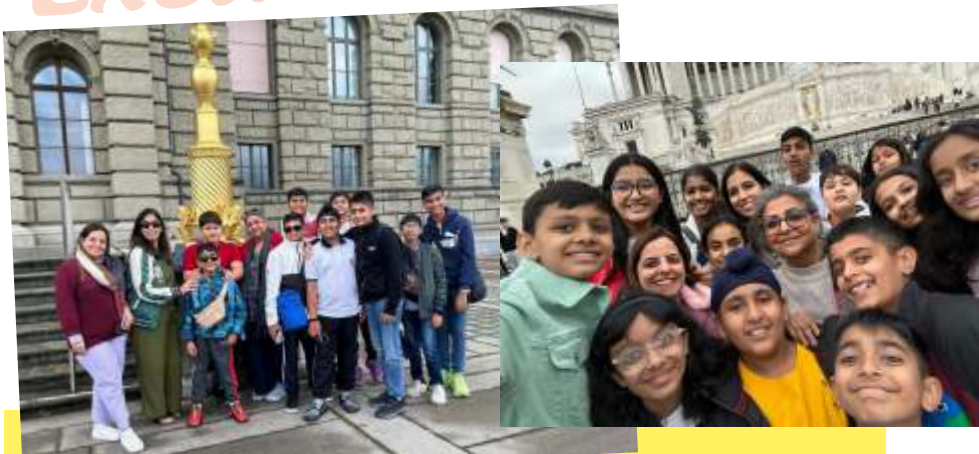

(Classes V and VI)

Brainchild of our Principal, Dr. Gunmeet Bindra, 'Immerse and Inspire' aims at achieving the goal through a well thought out and unique programme, "to develop well-rounded, independent thinking and confident individuals with leadership and communication skills who are socially, emotionally, spiritually secure and to create global citizens with strong values." This year the programme was a grand success as 129 students from classes V & VI participated and had an enriching boarding house experience. During this programme, children participated in various activities and excursions like visit to Ujjaini, Heritage Excursion to Ujjain & sporting events like swimming, skating, basketball, badminton, cycling and traditional games. They enjoyed the magic show & learnt magic tricks and story telling sessions. Children were taught to tie shoelaces, wear a tie, thread a needle, sew a button etc.

The cooking and baking session was liked by them the most. Learning foreign languages, photography, decoupage, tie and die, pottery tiles, Gond art, wood work, face painting, calligraphy, mandana, paper collage, learning hymns from scriptures, session on personality development and dining etiquette were a part of Immerse and Inspire 2024-25. This programme is a mélange of sporting and cultural activities which gives students the exposure that it takes to weave an all-round personality.

Excursions

Excursion to Switzerland & Italy

The much-anticipated midterm excursion for students of classes 5, 6, 7, and 8 escorted by Head Mistress Junior School, Mrs. Rashmi Ahuja along with teachers, turned out to be a thrilling and educational adventure as they explored Switzerland and Italy. The journey was filled with breathtaking sights, cultural discoveries, and unforgettable experiences. The students were fascinated by the rich heritage, stunning architecture, and vibrant traditions of Europe.

The excursion began in Switzerland, where the children were mesmerized by the scenic beauty of the Alps. The snow-covered mountains provided an exhilarating experience as we played in the snow, took part in fun activities, and admired the picturesque landscapes. The crisp mountain air and serene surroundings made for an unforgettable start to their European journey. From Switzerland, our group travelled to Italy, where we immersed ourselves in the country's rich history, art, and delicious cuisine. The first stop in Italy was Milan, known for its fashion and stunning architecture. We were awed by the grandeur of the Milan Cathedral (Duomo di Milano) and the elegance of the city's streets. We also explored the famous Galleria Vittorio Emanuele II, one of the world's oldest shopping galleries, and learned about Milan's influence on fashion and design. Some important highlights of the trip were the visits to the Leaning Tower of Pisa and the Colosseum in Rome. We were fascinated by their unique architecture and we learned about the history behind its construction. We also visited Vatican City. Walking through the historic streets of the smallest country in the world, we gained a deeper appreciation for art, history, and religion. No trip to Italy would be complete without indulging in its world-famous cuisine in authentic Italian pizzas, pastas, and gelato.

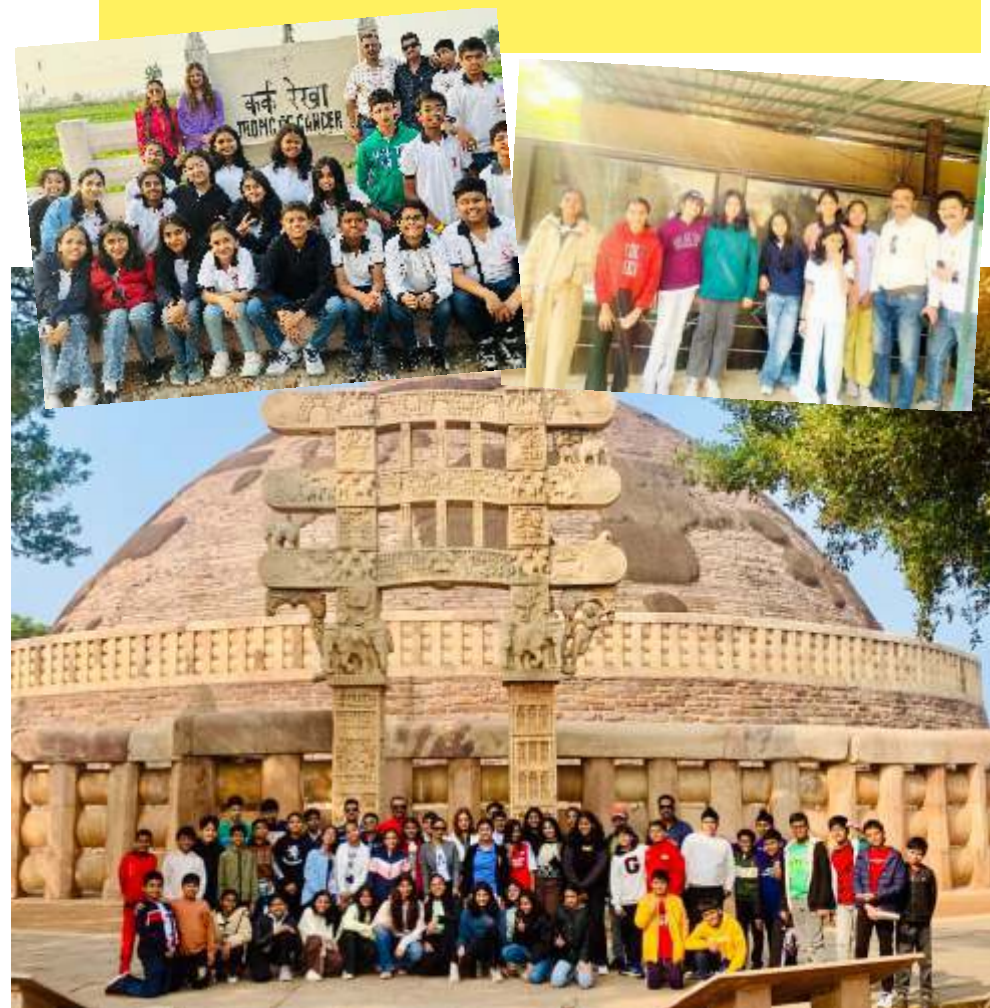

The midterm excursion to Switzerland and Italy was an enriching experience that combined education, adventure, and cultural immersion. We not only had a fantastic time but also gained valuable insights into European history, architecture, and traditions. The memories made during this trip will surely stay with us for a lifetime.

Anvesha Jain- 6 CI Jay Bagani- VI CI

Social Science Educational Excursion

A group of 49 students of grade VI and 5 teacher escorts went for a Social Science Educational excursion to Sanchi Stupa, Bhimbetka caves, Udaigiri Caves, Tropic of Cancer, National Museum of Mankind, Vanvihar Zoological Park, Bhopal, and Bhojpur from 23rd to 25th January 2025. They say education is all about the overall development of an individual. Therefore, there needs to be a balance between active engagements both indoors and outdoors to develop the mind, body, and soul.

For this, the Social Science department organized this educational excursion to enrich the students and to take learning beyond the four walls of the classroom. The main objective of conducting this educational excursion was to enhance personal and social development; develop a deeper relationship with nature and boost self-confidence with classmates. Educational tours are a great way for students and educators to absorb, interact and to grasp theory practically. We thank our Principal Dr. Gunmeet Bindra, Headmistress Mrs. Rashmi Ahuja, Mr. Giriraj Singh Chundawat, Mr. Dharmendra Parashar, Ms. Pinki Dawani and Ms. Prachi Malik for organizing this enriching trip. Vihaan Vaish VI A, Aarav Bisani VIC, Vaniya Jain VIC, Tvisha Jain VI B

Mid term excursion to Jodhpur

Our mid-term student excursion to Jodhpur was an enriching and exciting experience. The trip included visits to some of the most iconic landmarks, along with fun-filled activities that made it truly memorable. The team arrived in Jodhpur filled with enthusiasm. The main attractions included visit to Mehrangarh Fort, one of the largest and most well-preserved forts in India. The grand architecture, intricate carvings, and panoramic views of the Blue City left everyone in awe. Umaid Bhawan Palace, which is a blend of heritage and luxury, the museum showcasing artifacts from the royal family, and vintage cars, provided an insight into the opulent lifestyle of the Maharajas. Later, we explored Mandore Garden, known for its beautiful cenotaphs, lush greenery, and historic temples. The Ghantaghar was an icon not to be missed. We embarked on a cultural excursion to Bishnoi Village, where we experienced the rural lifestyle their, traditional crafts, and the community's dedication to wildlife conservation. The interaction with local artisans were the highlights of the visit. In the evening, we explored Jodhpur's local markets, shopping for handicrafts, textiles, and the famous Jodhpuri spices. Apart from sightseeing, the trip was filled with entertainment. A DJ night was organized, where students danced and enjoyed the lively atmosphere. The pool party was another exciting event, allowing everyone to relax and have fun. The excursion to Jodhpur was a perfect blend of history, culture, and entertainment. It provided students with an opportunity to learn, explore, and create unforgettable memories. The trip was well-organized, and everyone returned with a deeper appreciation for Jodhpur's rich heritage and vibrant traditions.

The University of Melbourne MGSE, (Australia) & Daly College, Indore, India Internship

MGSE

Two teacher-trainees from The Melbourne Graduate School of Education of the University of Melbourne in Australia, a world leader in the field of Education, were at Daly College for two weeks from 17th to 29th July. MGSE has developed an International Internship Programme with Daly College Indore since 2012, that seeks to provide Australian Teacher Trainees completing their Master of Teaching with an opportunity to visit and work in schools abroad. Daly College is the only school in India which provides this programme. This teaching internship provides Australian teachers with opportunities to gain a better understanding of education through experience in a different national system. At Daly College, visiting teachers from Australia learnt by teaming with their Indian colleagues to teach different classes. In addition, they participated in many other significant educational, social, cultural and community service programmes undertaken by DC. In addition to attending classes, the MGSE students were provided with various opportunities outside the classroom, which included their visit to Sirpur Lake for bird watching, Kasturba Village for social and community services, historical sightseeing at Mandu, Maheshwar, Fossil Park, understanding community living at Manav Chetna Vikas Kendra, Abhivyakti orphanage, Lalbagh palace, Indore Central Museum and Golden Temple, Amritsar, Punjab. Besides the yoga and meditation sessions, the trainees attended sessions on Indian history, Indian dance, music, art, craft, 3D printing, tie and dye and kite flying. They also experienced sports-shooting, horse riding, a cooking session, sessions on Indian Caste system, Vedic Maths and Ancient Indian Science.

Inspiring Session on the Geeta

for Classes 1-6

The students from Grades 1 to 3 had the privilege of attending an enlightening session on the Geeta, conducted by Mrs Sharda Kasliwal. Through captivating storytelling and thoughtful explanations, the children were introduced to the timeless wisdom of the Geeta. Ms. Kasliwal emphasized that God is one for everyone, and we should remember Him in every action we perform, day in and day out. She also highlighted values such as kindness, perseverance, and the importance of inner strength, leaving the young learners inspired and engaged. We extend our heartfelt gratitude to Ms. Kasliwal for imparting these valuable teachings in such an engaging manner. It was a memorable and meaningful experience for everyone!

Computer Exhibition

The students were brimming with excitement and enthusiasm as they prepared for the Junior School Computer Exhibition, eagerly working on charts and projects. This event became one of the year's highlights, with club members showcasing their impressive creations. They designed interactive quizzes and games using PowerPoint, which were met with great appreciation from parents and the Chief Guest. The students' creativity and hard work were widely praised, making the exhibition a resounding success. It was a wonderful opportunity for them to learn new skills and have a truly enriching experience.

Rajveer Singh Sheetal – 6 B Suhaan Vaidya – 6 C I

Craft & Pottery

The craft exhibition was full of creativity and excitement. Students made amazing projects like bottle art with wool, quilling cards, glass painting, scenery on jute cloth, paper craft, decorative pieces made from egg cartons, decoupage on glass bottles, flowers made with paper, and 3D modular origami, which everyone loved. There were also ice cream

stick decorative articles and hanging art pieces, making the display even more colorful.

The Best Out of Waste competition entries, also shown in the exhibition, included creative items made from old

newspapers, magazines, bottles, and cartons. These projects showed how students used waste materials in smart and useful ways. The pottery exhibition had beautiful creations like clay diya, Ganesh idols, small pots, toys, animal figures, terracotta plates, and sculptures. The terracotta plates and sculptures were especially praised by everyone for their detail and design.

English Exhibition

The Jr. School English Exhibition, themed 'Page to Stage', was an immersive celebration of literature that brought beloved characters to life. Students from Grades 5 and 6 embodied iconic characters from books such as Charlie and the Chocolate Factory, Anne of Green Gables, The Adventures of Huckleberry Finn, The Wizard of Oz, Alice in Wonderland, The Chronicles of Narnia, The Adventures of Tom Sawyer, Malgudi Days, and Tintin. A unique highlight was a tea party held in the open, where students remained "in character," engaging guests in humorous and thought-provoking conversations. Anne Shirley shared her vivid imagination, Tom Sawyer and Huckleberry Finn hatched clever schemes, Alice recounted her surreal adventures, and Willy Wonka spoke passionately about chocolate. Dadi from Malgudi Days stole the show with her brilliant portrayal, constantly calling out, "Swami, Swami, have you seen Swami?" Her performance transported everyone back to the golden era of R.K. Narayan's storytelling and drew hearty applause and smiles. Students also created vibrant posters and illustrations to showcase the themes and characters of each book, adding a creative visual element to the event. These displays reflected the students' understanding and appreciation for literature and its journey beyond the written word. The event was made possible by the dedication of our teachers, who guided students in preparation and rehearsals, ensuring every performance and display captured the essence of the books. The English Exhibition was an inspiring platform for students to collaborate, explore their creativity, and bring stories to life. It left participants and visitors alike with a renewed love for literature and storytelling.

Priyamvada Bakiwala, 6 CI

Science Exhibition

The Junior School Science Exhibition held on 26th November, 2024 was an extraordinary spectacle, attracting a full house of enthusiastic visitors. The event was a grand display of scientific temperament, hands-on learning and a dash of ingenuity. Students from classes 4 to 6 of the Junior school showcased their unbounded scientific acumen through an array of extraordinary models and experiments like the Pneumatic Maze, Optical Illusion, Electric Robot, Fun with sound, Aditya L-1, Cable car, Hydraulic Lift, Tuned Mass Damper, and Solar Oven. Other notable exhibits like Smart City Model, Plant-Powered Light Bulb, Aquaponics, Rainwater Harvesting, and Wastewater Treatment reflected students' commitment to sustainability, thereby resonating with the Theme of the Exhibition- "Innovation for a Greener Tomorrow". The young scientists' zeal and deep understanding of principles mesmerized the audience, making the event truly sublime. The exhibits transformed the venue into a hub of innovation and scientific marvels.

JUNIOR SCHOOL ACTIVITY

WILDLIFE ECOLOGY CERTIFICATION COURSE

The Wildlife Ecology Certification Course, organized by the Animal Rehabilitation and Protection Front, at Junior School, Daly College, has ignited young minds with a deep reverence for nature. With 126 students from Classes 4 to 6, the course unfolds through interactive sessions led by experts, exploring the wonders of wildlife, ecosystems, biodiversity, and conservation. Each session is a revelation, a gateway to understanding the delicate balance of life in the wild. The air buzzes with curiosity as students immerse themselves in discussions about the fragile yet resilient threads of nature. Every session brings an element of surprise: conserved pug marks, live animals, snake scales, or other artifacts that bridge the gap between knowledge and reality. Beyond mere learning, the course instills a sense of responsibility towards Mother Nature. With every session, curiosity blooms, and young hearts embark on their journey as custodians of the wild, armed with knowledge and awe for the natural world.

IGNITE QUIZ

What a great start to a stupendous Quiz time!! Today we had the Seventh edition of the Inter School "Ignite Quiz for classes 5 and 6. The quiz masters were Mr. Kanchan, Prachi Malik, Kajal Kapasiya, Sheena Chatwal and Shruti Muchaal !! Our Dear Principal ma'am Dr. Gunmeet Bindra lighted the lamp !! DC team emerged as winners, Advanced Academy were first runner up and Emerald Heights the second runners up !!

Ignite- Season 7

Best quizzier was from Bhavans Prominent School on 31st August 2024.

JUNIOR SCHOOL ACTIVITY

Sound Healing Session for Grade 1 Students

Grade 1 students experienced a unique and calming journey into the world of sound healing, led by the talented *Varsha Bidasaria.* Through soothing vibrations and resonant tones, the session introduced the young learners to the therapeutic effects of sound. The children were mesmerized by the enchanting sounds of the instruments, which created a serene atmosphere, promoting relaxation and mindfulness. It was a truly enriching experience, fostering a sense of calm and balance in our little ones. We are grateful to Ms. Bidasaria for this wonderful session and look forward to more such meaningful engagements !It was an inspiring and engaging session.

An Educational trip to Taramandal at Ujjain, was planned for the children of grades 2 and 3. It was highly informative and interesting. Children were mesmerised to view the Universe live along with the Sun, Moon the various planets, volcanoes, the earth's crust, the rockets and how Voyager 1 and II were sent into the space to record their observations. Children enjoyed every bit of it and it was indeed a trip worth remembering as it was full of practical knowledge. It is a planetarium that shows movies about the solar system and has exhibits that teach about history.

Educational trip to Taramandal

JUNIOR SCHOOL ACTIVITY

JUNIOR SCHOOL ACTIVITY

Heritage Week

Initiatives like the HERITAGE WEEK CELEBRATION play a vital role in promoting cultural appreciation, a sense of belongingness of our heritage buildings and preserving heritage resources among the younger generation. As a part of this activity, the children of PKG and LKG visited the 'Scindia Pavilion' of Daly College. They were amazed by the grandeur of the place, filling it with laughter and mirth. The class of UKG visited the much celebrated 'Daly College Main Building'. Along the way, the young ones were enchanted by the flora and fauna. The teachers told them about the tales of Daly College's rich history. Furthermore, the school unveiled a captivating array of indigenous avian species, which was a sheer delight for the young audience. Students of classes 4- 6 visited various heritage sites in Indore like the Lal Bagh Palace, Rajwada & Martand Malhar temple, Kaanch Mandir & Central Museum. The activities of the Heritage week were spread over a week in the month of April. Naman Malhotra- 6A Ethan Daniel- 6A

Treasure Trove

The Treasure Trove 2024 event at Daly College Junior school was a thrilling success, with students from Grades 4-6 participating enthusiastically. The event, a legacy tradition, featured meticulously planted clues across the Junior School campus. It celebrated teamwork, wit and a pinch of chaos, that both the young treasure hunters and teachers secretly enjoyed. Five winners from each grade were awarded prizes, generously sponsored by the Old Dalians Association. The event was graced by the Principal and the Headmistress, who added to the excitement and joy of the occasion, making it a treasure filled day for all.

Visit to Pagadandi

To celebrate Children's Day, our Class 1 students had an unforgettable visit to Pagdandi Ecofarm! The young explorers were thrilled to see exotic animals like emus, baby dragons, pythons, iguanas, marmosets, terrapins, and sulcata tortoises, alongside familiar domestic animals like sheep, cows, goats, hens, ponies, oxen, bulls, and more. The trip also included a visit to a vibrant bird aviary, where students were captivated by colorful birds in flight. To top it off, they explored a section filled with medicinal plants, learning more about nature's healing wonders. A fantastic day filled with discovery and joy!

JUNIOR SCHOOL ACTIVITY

Janamasthami Celebration

Janamasthami is celebrated to honour the birth of Lord Krishna, the revered eighth incarnation of Lord Vishnu. While this festival is joyously observed across the globe, the celebrations in Mathura and Vrindavan hold a special charm, as these two holy cities are deeply intertwined with the birth and early life of Krishna. Our LKG 1 and 2 students came together to celebrate the divine occasion of Janmashtami, commemorating the birth of Lord Krishna. The assembly began with a captivating depiction of Krishna Janm, showcasing the miraculous birth of the divine prince. The tiny tots then brought to life the mischievous and playful side of Lord Krishna, with a delightful performance of 'Bada Natkhat Hai', 'Govinda ala re' and 'Govind bolo hari gopal bolo'! Through song, dance, and storytelling, our young learners embarked on a journey to explore the teachings and essence of Lord Krishna's life. The assembly was a vibrant celebration of devotion, innocence, and joy, filling the hearts of everyone present with the divine spirit of Janmashtami.

The spirit of Christmas lies in spreading kindness, generosity, and love. Homes light up with twinkling lights, cities are decorated with colorful displays, and the air is filled with the aroma of festive treats. To spread this message and to celebrate the birth of Jesus Christ, the students of grade 3 enthralled everyone with a plethora of performances.

A play, that depicted the birth of Jesus Christ was staged followed by the Christmas Carol-'Go tell it on the mountain' The children were informed about the significance of Santa, holly leaves, wreath, joy stick, and cherries.

We sang Christmas-Carol-Twelve days of Christmas and Rudolf the Red-nosed Reindeer, Christmas is never complete without the most loved carol-Jingle Bells and it was beautifully sung by our children. The children attempted some mind boggling puzzles related to Christmas which added a spark to our celebration They had some delectable cupcakes and candies. Children truly had a la, la, la..... TIME !! Christmas vibes were in the air !!!!

Christmas Celebration

CO-CURRICULAR ACTIVITIES

Born To
spark, made
To shine!

Greetings,

"Think left and think right and think low and think high. Oh, the things you can think up if only you try!"

- Dr. Seuss

Perseverance, learning from mistakes, and pushing past challenges—these are the ingredients for creating something truly extraordinary. At CTDC, the Visual and Performing Arts faculty, through their dedicated training in CCA classes, instill in students the ability to think, rethink, and refine their craft. The journey is not about instant perfection but about growth, exploration, and the joy of self-discovery. From holding a paintbrush for the first time to producing a mesmerizing piece of art, from gripping a pair of drumsticks to confidently performing in the APG Choir, or from taking hesitant first steps in dance to mastering a graceful routine, every student embarks on a transformative journey. Even the simple act of handling a saw to shape a block of wood evolves into an act of precision and creativity over time. At CTDC, students are encouraged to explore multiple artistic disciplines before choosing their true calling. The initial sounds of uncertainty—a mix of offbeat drum rolls, misaligned dance steps, and hesitant vocal notes—gradually blend into a harmonious symphony of talent. Here, mistakes are not setbacks but stepping stones. A little push, a gentle nudge, and unwavering encouragement from mentors ensure that every student keeps moving forward until they achieve their own version of perfection. To further enrich their artistic journey, renowned experts and professionals are invited to conduct workshops, exposing students to diverse

art forms and techniques. These sessions open new horizons, allowing children to experiment, innovate, and expand their creative boundaries. By the time they leave school, they either emerge as versatile individuals proficient in multiple forms of expression or as young masters in a specialized craft, ready to leave their mark on the world. This year, our students have brought home numerous accolades and awards in IPSC and inter school competitions across various categories—arts, dance, music, IT, literary events, and drama. These achievements are a testament to their dedication, hard work, and the nurturing environment that CTDC provides. The increase in the number of colors and badges awarded this year speaks volumes about the talent flourishing within our campus. One of the standout moments of the year was the staging of Grease – The Musical. For many students, it was their first time stepping onto a grand stage, an experience that proved to be a turning point in their journey. The confidence boost they gained was palpable, and it was heartwarming to see them shine under the spotlight. The musicians outdid themselves, crafting a musical and vocal foundation that elevated the entire production. The performance was not just a show; it was a celebration of persistence, teamwork, and creative passion. Beyond the structured training, what truly defines CTDC is the enthusiasm with which students immerse themselves in their artistic pursuits. It is inspiring to see them voluntarily return in their free time—some lost in perfecting a brushstroke, some rehearsing a musical piece, others fine-tuning their dance routine or preparing for an upcoming performance. Their dedication extends beyond the confines of competitions and events; it is a passion that finds expression in every opening and closing of the numerous programs DC hosts throughout the year. Each year, as we look back, the story of CTDC appears to follow a familiar pattern—newcomers stepping in, unsure and hesitant. Yet, the journey never fails to surprise us. By the end of their time here, they leave not just with sharpened skills but with a newfound confidence, a sense of accomplishment, and the ability to embrace creativity fearlessly. This cycle of learning, growth, and artistic brilliance is what makes CTDC a vibrant hub of talent, innovation, and boundless potential.

Fine Arts

Our journey of self-discovery continues to happen each single day. The art department is not just a place of learning; it is a hub of innovation, self-expression, and artistic mastery. Here, the students get a platform to explore diverse artistic mediums, refine their skills, and establish their unique artistic voices. This was yet another exciting year for the Dalians. Skill development is a part of art education, but creativity and imagination make one a true artist. We, the budding artists of Daly College, tried hard to achieve both. The year's highlight was our Annual Art Exhibition, featuring impasto paintings, miniature paintings, nature study, a charcoal panel wall of nine full-sized Greek gods and goddesses, created by eleventh-grade students. The exhibition also showcased large-scale canvases and a wall installation of painted palettes, making it the star attraction of the year.

Painting is self-discovery. Every good artist paints what he is."

- Jackson Pollock

Our notable achievements in IPSC Visual Arts 2024, hosted by Rajkumar College, Raipur, are as follows:

- Best Emerging Artist in Linocut: Divina Somaiya & Krishna Gupta ; Innovative
- Award in Flower Making: Aadhyaa Gurnani & Anushvi Bothra ;Visionary
- Award in Relief Sculpture: Radhika Tibrewal & Samwar Jain ; Sublime
- Harmony Award in Tie and Dye: Siddhant Rajpal; Best Emerging Artist in Jewellery
- Design: Aadhyaa Gurnani ;Sublime Harmony Award (Photography): Aradhya Bansal .
- In the Srijanyam Art and Design Fest 2024, at Assam Valley School, we won the 1st Runners-up trophy. The Dalians brought many laurels to school, which are as follows: 1st Place in Macramé: Shreya Dafria & Harshita Chandak; 2nd Place in Product Design: Krishna Gupta & Hardev Singh Krishnawat; 2nd Place in Textile Lampshade Design: Avihaan Agrawal & Siddhant Rajpal; 3rd Place in String Art: Geetanshi Sancheti & Saranya Goyal; 1st Place in Still Life Painting: Aradhya Agrawal; 1st Place in Nature Photography: Aradhya Bansal; 1st Place in Poster Making: Pritika Narsaria.
- Pritika Narsaria received a Certificate of Commendation at the ICS International Art Competition. Sidiksha Singh Shandilya, Pritika Narsaria of class, and Arush Agrawal and Mudit Tayal of class represented Daly College at the "Voice of Art: Add a Tail" exhibition at Nirmal Bharatia School, New Delhi.
- These achievements reflect the passion and dedication of our students and faculty. We look forward to another year of artistic excellence and innovation!

Pritika Narsaria, XI B

Woodcraft

The Woodcraft Department is a hub of creativity, where students do more than just carve and shape wood—they cultivate patience, precision, and the joy of transforming ideas into reality. From mastering tools with confidence to crafting everything from simple models to intricate designs, they develop a keen eye for detail and a hands-on approach to problem-solving. It's a space where imagination meets skill, and every project is a testament to their growing craftsmanship. Each year, students continue to refine their abilities while talented newcomers bring fresh perspectives, enriching the department's legacy. Their dedication and passion enable us to produce exceptional projects that reflect individuality and artistry. This year, our primary focus was on mastering techniques such as wood carving, woodturning, and pyrography (wood burning). Students demonstrated remarkable skill in these areas, learning the value of patience, precision, and focus while creating intricate, visually captivating work. A proud highlight of the year was securing second place in Product Design at IPSC Visual Arts 2024—an achievement that has further fueled our confidence and commitment to excellence.

Swasti Tiwari, XA

Sculpture & Pottery

At Daly College, students explore pottery and sculpture as powerful forms of artistic expression. Through hands-on learning, they shape clay into functional and decorative pieces while mastering three-dimensional sculpting in materials like plaster and metal. This creative journey hones their technical skills, imagination, and understanding of form and texture, fostering a deep appreciation for the arts. In a recent display of students' works, Dalians showcased a fusion of creativity. Relief terracotta sculptures, round sculptures, terracotta pots, and blue pottery demonstrated advanced techniques and the artistic growth of the students. This integration of pottery and sculpture illustrates the students' artistic range and technical proficiency. Our students won the Visionary Award in Relief Sculpture for 'Tree of Life' at the IPSC Visual Arts 2024!

Shourya Agarwal, XI B

Textile Designing

The students of the textile department have shown their creativity and expressed their talents through various techniques and forms such as block printing, vegetable and synthetic tie dye, artificial flower making, jewellery and dress designing, macramé, mandala, flower rangoli, weaving, batik, and embroidery. All students are familiar with all types of techniques and forms; however, some exceptional students excel in specific techniques and forms at the department. Also, it is heartening to see that many boys have started taking interest in textile designing. The creativity and innovation of the students brought laurels to the school in different events of IPSC Visual Arts, 2024, such as the Innovative Award in Flower Making, Sublime Harmony Award in Tie and Dye, and Best Emerging Artist in Jewellery Design.

At the Srijanyam Art Fest 2024, our students secured 1st position in Macrame, and 2nd position in Textile Lampshade Designing. This year a loom has been installed in the textile department, and we are eagerly waiting to see what comes next!

Mokshika Arya, IX CI

Photography

The academic year of 2024-2025 has been a remarkable success for the photography department, marked by a series of impressive achievements and recognition. Our students have demonstrated exceptional skill and creativity, securing top honours in various prestigious competitions.

Notably, the department triumphed at Srijanyam, The Assam Valley School, winning first positions with outstanding entries that showcased both technical expertise and artistic vision. In addition, we proudly received the Sublime Harmony Award at the IPSC Visual Arts Photography Category, which was hosted by Rajkumar College, Raipur, further solidifying our position as leaders in the field of photography.

Our involvement in the Kamera Obscura, event at WelMun was equally commendable, where our students competed fiercely and clinched 4th place in Filmmaking, showcasing their ability to perform at a high level on an international platform. In addition to these notable accomplishments, the department placed significant emphasis on nurturing and developing the skills of our students. A structured curriculum was designed to teach them the fundamentals of photography, from understanding camera settings to mastering the art of composition and lighting. Through hands-on workshops and practical sessions, students were equipped with the foundational knowledge necessary to excel in the field, ensuring a solid base for their future success. These accomplishments reflect the talent, hard work, and dedication of our students and faculty, and we look forward to continuing this momentum in the coming months. The photography department's consistent success is a testament to the strength of our program, the passion of our students, and the commitment to fostering growth at every level.

Sumedh Chopra, IX CI

Dance

"To watch us dance is to hear our hearts speak."

Dance is a profound expression of creativity, discipline, and emotional depth. Beyond its artistry, it plays a vital role in fostering holistic development, enhancing physical fitness, mental well-being, and social connection. For the Daly College Dance Team, this transformative art form has been a gateway to success, inspiring excellence on national and international stages.

At the IPSC Dance Festival, "Nrityanjali," held at Scindia Kanya Vidyalaya, Gwalior, from July 28th to

August 1st, 2024, the Daly College Dance Team delivered a performance that will be remembered for its brilliance. Drawing inspiration from the theme "Rang Manch," the team masterfully recreated the grandeur of Padmaavat, earning the prestigious Remo D'Souza Award for Distinction in Choreography. Their ability to blend storytelling and technique also won them the Michael Jackson Award for Excellence in Western Group Dance, solidifying their reputation as versatile performers.

The team's success continued at "La Fête Xavierrene," hosted by St. Xavier's High School, Gurgaon, on October 18th. Here, their breathtaking performance earned the First Prize in Dance along with a cash prize of ₹25,000. Among the highlights was Rajveer Patel's individual accolade, the Best Performer Award, which showcased the exceptional talent within the team.

In "Idam-Bharatam," the Daly College Dance Team earned Certificates of Appreciation for their captivating performances, highlighting India's cultural heritage.

Their journey extended beyond borders at the "Cappadocia World Dance Festival" in Turkey, from July 23rd to August 2nd. Representing India with pride, the team delivered mesmerizing classical and folk dance performances, earning widespread admiration from international audiences. The festival also provided an invaluable opportunity for cultural exchange, with workshops allowing students to connect with global participants. Memorable moments included a grand closing ceremony, a meeting with the Mayor, and visits to landmarks like the Blue Mosque, Hagia Sophia, and Topkapi Palace, making the trip an unforgettable blend of artistry and exploration.

At home, our dancers captivated the audience with a stunning Invocation dance at the commencement of the 3-day Teach Camp which was held from December 19th to 21st. The performance not only set a reverent tone for the event but the graceful movements and expressive storytelling also showcased the artistry and dedication of the dancers, leaving a lasting impression on all present. The Inter-

House Dance Competition added excitement and camaraderie to the year. Categories such as Duo Classical, Small Group Western, Large Group Folk, and Solo Extempore Dance encouraged students to showcase their creativity and refine their craft while fostering a strong sense of teamwork.

Throughout the year, the Daly College dancers continued to captivate audiences with their versatility and innovation. Their performances at events such as DCMUN, G-Literati, and the Indore Literature Festival reflected their dedication to storytelling through movement. New additions, like Afro-Brazilian dance at the Athletic Meet, pushed creative boundaries, while their fusion of Kalbeliya folk and Russian dance at the CIS event symbolized unity, leaving a lasting impression on international delegations.

None of this would have been possible without the unwavering support of Mrs. Noopur Dube, whose dedication to dance and commitment to her students have driven our success. She has been a constant source of motivation, encouraging us to give our best, no matter the outcome.

We also extend our gratitude to Mrs. Kanak Bali, Dy. Dean of Co-curricular Activities, for her support and the opportunities she provided for us to showcase our talents. Finally, our sincere thanks to our Principal, Vice Principal Academic, and Vice Principal Pastoral Care for their continuous encouragement, enabling us to embrace every opportunity and excel in our performances.

These achievements are a testament to the Daly College Dance Team's unwavering dedication, creativity, and passion. With every performance, they uphold the legacy of excellence, lighting up stages and inspiring all who witness their remarkable journey.

Ishana Vaish
Cultural Prefect, XII-B

Music

This year the school has actively organized various music events for students which included the Inter-House music competitions for both Indian and Western categories which were judged by the renowned musicians of Indore like Mr. Jagdish Barot, Mr. Rahul Bene, & Mrs. Trupti Kulkarni for Indian Music and Paul Brothers & Mrs. Harminster Kaur for Western Music.

The competition was a result of a constant and rigorous practice schedule followed by students of each house and a dedicated team of teachers behind the tremendous success of the events. Some of the spectacular performances given by the students including Asit Nagle, Suparna Biswas, Raghav Gupta, Angad Ubeja, Sanghamitra Bhargava, Aaditya Samaiya, Ayaan Hasija, Sanjoly Porwal, Vignesh Fasatey, Adrika Yeole, Vedika Toshniwal, Advika Mohan, Avyaan Bhargava, Saumya Baheti raised the bar for the upcoming musicians in order to be more professional and presentable in terms of their performances.

Our students also performed amazingly on August 15, 2024 & January 26, 2025. They also performed on the occasion of Janmashtami and Ram Leela on Dusshera. This year we also did a Gospel Singing festival on Easter under the direction of Paul Brothers. We also had Sufi Singing festival along with performances at many opening and closing ceremonies of various events organized by the school. We managed to achieve a position in Atmadarshan Realty Singing competition organized by Atmadarshan Television. This was the first time that our students organized a choir program on the occasion of Christmas.

This year our music students participated in IPSC Music (Saaz-e-Rang) competition hosted by Scindia School Gwalior. The following awards were achieved by our students:

- 1) Award for Excellence in Hindi Group Song (Patriotic)

The participants for the same were: Asit Nagle, Suparna Biswas, Adrika

Yeole, Aaditya Samaiya, Aayan Hasija, Karan Arora, Angad S. Ubeja, Vani Soni and Sanjoly Porwal.

- 2) Award for Excellence in Sufi Qawwali Group Song

The choir comprised Asit Nagle, Aaditya Samaiya, Aayan Hasija, Karan Arora, Rachit Sanghi, Avyaan Bhargava, Dyutiman Biswas.

- 3) Award for Distinction in Indian Instrumental Orchestra

Our instrumentalists were Vignesh Fasatey, Angad S. Ubeja, Sanghamitra Bhargava, Saumya Baheti, Advika Mohan, Dev Bam, Mayuri Bawra.

- 4) Award for Distinction in Western Vocal Solo

The participant for this event was Aaditya Samaiya who received a Special Mention by the Principal of the host school for not only choosing a song as challenging as 'Hallelujah' but also for doing justice by performing it with passion and precision.

Our students also participated in the APG celebration, where they performed high school music under the direction of Paul Brothers. The students' passion and dedication to every performance made it a huge success."

Our students also participated in the APG celebration where our students performed High school Music under the direction of Paul Brothers. The students' passion and dedication for every performance made it a huge success.

Sidhiksha Singh Shandilya 11 G

Dramatics

Daly College boasts a rich tradition in dramatics, with students excelling at events like the IPSC Drama Fest, IPSC Literature Fest, MCGS Invitational, Ramlila, Annual Concert, and Inter-House Competitions. These platforms enhance their skills in acting, directing, and technical theatre, fostering creativity, teamwork, and confidence. Students can also join weekly Helen O'Grady workshops to refine their acting and communication skills. This year's Inter-House Competitions explored the themes of Accountability and Commitment in English and Hindi drama, while the revival of Ramlila added grandeur to the Dussehra festivities, showcasing Class IX talent. The Annual Production, a spectacular adaptation of Grease, mesmerized audiences with high-energy performances and a timeless story of friendship and self-discovery. The journey began in August with the Dramatics Workshop, where students, from beginners to seasoned performers, honed their craft. More than performances, dramatics at Daly College is a celebration of creativity and dedication, shaping confident, well-rounded individuals ready for the stage and beyond.

Band

The College Band is an integral part of Daly College's musical and ceremonial traditions, adding grandeur and spirit to every significant occasion. Its absence would render the school's music scene incomplete, as it plays a pivotal role in elevating the atmosphere at events such as National Day celebrations, the Annual Athletic Meet, and the Guard of Honour for distinguished guests. This year, the band had the honour of performing for Honourable Shri Sudha Murthy ji, a moment of immense pride and significance.

Following its winter hiatus, the band returns to infuse warmth and patriotism into the Republic Day celebrations, where the solemn yet inspiring strains of the National Anthem and the flag song resonate through the campus, setting the tone for one of the most revered events of the year.

Shortly thereafter, it takes center stage once again at the Graduation Ceremony, marking a defining moment for the outgoing batch. Their performance is a blend of discipline, dedication, and musical excellence.

Beyond formal occasions, the College Band fosters a deep sense of camaraderie, discipline, and passion for music among students. Their commitment and dedication exemplify the essence of teamwork and artistic excellence, ensuring that the legacy of music at Daly College continues to thrive for generations to come.

Quiz

PG Miller Memorial Invitational Quiz

Our flagship Invitational Quiz, during the course of the preliminary and final rounds, saw some thrilling tussles, with the quizzers' brilliance captivating the audience. Finally, Daly College carved out a resounding victory, with Welham Girls' coming in as Runners-up.

IPSC Literary Fest Quiz Segment

Dalian quizzers performed well at the Literary and Entertainment Quiz that was part of the IPSC Literary Fest 2024. Aayan Hasija won the “Most Promising Quizzier” award.

MCGS Young Thinkers Conclave Quiz Segment

Ayaan Hasija, Kavya Agrawal and Oorjit Sethi represented Daly College and were finalists.

Inter-City Quizzing Challenge – NIT BHOPAL

The Indore city round for the Inter-City Quizzing Challenge, organized by Maulana Azad National Institute of Technology, (MANIT) Bhopal, was held at Daly College.

After an exciting written and preliminary round, Team DC comprising – Sahastranshu Bhadoria, Kushagra Jain, Adhiraj Jhaveri, Daksh Bhatnagar, made it to the City Finale. After the exhilarating Finale, Team DC won the quiz and were named Team Indore.

On 16th Nov 2024, the team represented Indore city in Bhopal and emerged winners.

English Literary Society

The English Literary Society has been a hive of activity throughout the year, filled with events that showcase the power of words. As April arrived, so did a surge of literary enthusiasm, marked by the prestigious DF Jack Memorial Invitational Debate, the inaugural inter-school event of the season. Once again, our students demonstrated their skill and determination, emerging victorious. Saara Lunawat and Nia Baheti stood out as formidable competitors, with Saara receiving five awards, including Best Speaker in the Preliminary, Quarter Final, and Final Rounds, Runner-Up in the Semi-Finals, and Overall Best Speaker of the Tournament.

The Society also continued its tradition of hosting engaging in-house activities, offering students a platform to showcase their literary talents. This year, we introduced a fresh approach, replacing traditional debates with modified Parliamentary and Oxford-style debates. The change was warmly received, providing students with a valuable learning experience.

On September 2, 2024, Daly College once again teamed up with the Valley of Words Literary Festival and AFS India to host the Young Adults Vertical as part of the nationwide literary festival, G-literati, marking the third consecutive year of our involvement. This event, which brings together books, stars, and life experiences, allowed young authors and students to engage with contemporary writers and participate in a range of literary activities. The festival was further enhanced with features such as Booktique and Dynamic Duo, drawing participants from across the country. A highlight of the event was a series of book signings by authors, which provided an immersive experience into the world of literature.

At the "Aspirations" online Discursive Thinking Exploration, organized by

Sunbeam School, Naavya Seksaria earned the Best Writer Award for her outstanding creative writing. At the IPSC Lit Fest, Nirvaan Barjatiya, Ayan Hasija, and Arnab Mandloi took home the Best Use of Sound Award in the Trialogue competition. Our students also participated in the Silver Jubilee Commemorative Young Thinkers' Conclave at MCGS, where Manasvini Thatte, Raghav Gupta, and Ayan Hasija earned the Best Ensemble Award in Twistology. Oorjit Sethi won the Critic Award for English Creative Writing.

At the Scindia Debate, Aditya Dev won the Best Speaker Award in the Preliminary Round. Meanwhile, our junior students—Vidhi Ruchandani, Netika Chaudhary, and Vivan Shah—put up a good show in the JEDI Debate at The Doon School, with Netika winning three Best Speaker awards in the preliminary rounds, and Vidhi and Vivan each securing a Best Speaker award. Advika Mohan won the Best Speaker Award in the preliminary round of the Virtual Emerald Heights Knowledge Convergence ArcOur students also participated in various literary activities at the virtual 4th Edition of Cela Fiesta, hosted by the Assam Valley School.

In a world that is increasingly driven by fast paced digital communication and constant change, events such as debates, literary competitions and festivals provide an essential platform for students to hone their critical thinking, articulate their ideas, and engage in meaningful discourse. As we continue to encourage these pursuits, we reinforce the importance of words—not just as a means of communication, but as a powerful tool for transformation in today's interconnected world.

Incharge, ELS

हिन्दी साहित्य परिषद्

“हिंदी केवल एक भाषा नहीं, बल्कि
हमारे संस्कारों और संस्कृति की
आत्मा है। इसकी समृद्धि और विकास
में ही हमारी सच्ची प्रगति निहित है।”
— महात्मा गाँधी

साहित्य से मनुष्य का मस्तिष्क तो मजबूत होता ही है साथ-ही-साथ वह उन नैतिक गुणों को भी जीवन में उतार सकता है, जो उसे महानता की ओर ले जाते हैं। यह साहित्य की ही अद्भुत व महान शक्ति है, जिससे समय-समय पर मनुष्य के जीवन में क्रांतिकारी परिवर्तन देखने को मिलते हैं। साहित्य मनुष्य की विचारधारा को एक नई दिशा प्रदान करता है।

विद्यालय स्तर पर पुस्तकीय ज्ञान के साथ ही समय-समय पर आयोजित होने वाली साहित्यिक और सांस्कृतिक गतिविधियाँ विद्यार्थियों के सर्वांगीण विकास के लिए परम आवश्यक हैं। ये प्रतियोगिताएँ शिक्षार्थी को न केवल अनुभव देती हैं बल्कि उसकी अंतर्निहित प्रतिभा को पुष्पित, पल्लवित होने का अवसर भी प्रदान करती हैं। इन्हीं संभावनाओं को दृष्टिगत रख कक्षा सातवीं से कक्षा बारहवीं तक के छात्र-छात्राओं के लिए तीन स्तरों में वाद-विवाद, निबंध-लेखन, वाग्मिता चरित्राभिनय-जैसी प्रतियोगिताओं का आयोजन किया गया। विद्यार्थी इन प्रतियोगिताओं में भाग लेकर न केवल हार-जीत को स्वीकार करना सीखते हैं बल्कि उनके भीतर साहित्य की समझ भी विकसित होती है, उनके विचारों का दायरा विस्तृत होता है और उनकी सोच भी बेहतर बनती है। विद्यालय स्तर पर आयोजित इन तमाम प्रतियोगिताओं में प्रतिभागियों ने अपने-अपने गृहों का प्रतिनिधित्व पूरी निष्ठा के साथ किया। प्रदर्शन की गुणवत्ता का स्तर उत्तरोत्तर विकासोन्मुखी रहा।

डेली कॉलेज द्वारा प्रतिवर्ष आयोजित की जाने वाली अखिल भारतीय पद्मश्री जे.के. काटे स्मृति अंतर्विद्यालयी हिंदी वाद-विवाद प्रतियोगिता में ज्योतींद्र मोहन प्रताप मिश्र और रिद्धिमा जैन ने हमारे दल का प्रतिनिधित्व किया। प्रतियोगिता के क्वार्टर फाइनल में डेली कॉलेज के ज्योतींद्र मोहन प्रताप मिश्र को सर्वश्रेष्ठ वक्ता के खिताब से सम्मानित किया गया।

बिड़ला विद्या मंदिर नैनीताल ने 6-8 अगस्त, 2024 तक आईपीएससी लिट. फेस्ट का आयोजन किया। इस प्रतियोगिता में डेली कॉलेज से सौम्या राठौड़ और स्वस्ति तिवारी ने भाग लिया। सौम्या राठौड़ को बेस्ट रिसर्च टीम के खिताब से नवाजा गया, जबकि स्वस्ति तिवारी को बेस्ट रिसर्च टीम के अवॉर्ड के साथ-साथ ओवरऑल आउटस्टैंडिंग स्पीकर का खिताब भी मिला। अगस्त महीने में ही मेयो कॉलेज गर्ल्स स्कूल ने सितंबर जुबली स्मारक यंग थिंकर कॉन्क्लेव-2024 की मेजबानी की। डेली कॉलेज का प्रतिनिधित्व सुहाना करोड़े, काव्य कोठारी और सौम्या राठौड़ ने किया और इन प्रतिभागियों के प्रयासों की बहुत सराहना की गई।

हिंदी साहित्य परिषद् ने इस वर्ष विद्यार्थियों को हिंदी भाषा और साहित्य के प्रति जागरूक बनाने में महत्त्वपूर्ण भूमिका निभाई। आगामी वर्षों में परिषद् का लक्ष्य और अधिक रचनात्मक कार्यक्रमों का आयोजन करना है, जिससे हिंदी भाषा को बढ़ावा मिले और विद्यार्थियों की साहित्यिक प्रतिभा को निखारने के अवसर मिलें।

अंत में, हम विद्यालय प्रशासन और शिक्षक-शिक्षिकाओं का आभार व्यक्त करते हैं, जिन्होंने परिषद् को हर संभव सहयोग प्रदान किया। हम सभी छात्र-छात्राओं को उनके उत्साह और सक्रिय भागीदारी के लिए भी धन्यवाद देते हैं।

बृजेश भटोरे

प्रभारी — हिंदी साहित्य परिषद्

Daly College's Model United Nations (MUN) Club has once again demonstrated the school's dedication to fostering global awareness and understanding. The tenth-anniversary edition of the Daly College Model United Nations (DCMUN) was held from August 30 to September 1, 2024.

This year's theme, Eperantia: Uncovering Unheard Voices, took a unique approach, shedding light on underrepresented global issues and giving a platform to communities and crises that are often overlooked. Delegates were encouraged to explore lesser-known challenges, fostering a deeper comprehension of the world's complexities.

The conference was led by Secretary General Saara Lunawat, with Hriday Anand serving as Director General, Rishaan Bhatia as Deputy Secretary General, and Ishaan Agarwal as Deputy Director General. Delegates engaged in debates on carefully curated agendas such as the South China Sea dispute (UNSC), Ladakh tribal rights (AIPPM), AI ethics on the dark web (WTO), and the EU migrant crisis (EU). These topics challenged delegates to address the intricacies of geopolitics, human rights, and technology, encouraging innovative solutions to real-world issues like wildlife trafficking (UNCBD), HIV in Zambia (WHO), and the Mekong River dispute (UNESCAP).

The event kicked off with the lively DC Carnival, followed by a surprise midnight plenary session led by the Secretary General and the chairpersons of various committees. This gripping midnight crisis required delegates to collaborate across committees, testing their spontaneous thinking and problem-solving skills. The conference was further elevated by the presence of distinguished guests, including the Ambassador of Peru to India and the former Editor of the Economic Times.

Our delegates further honed their MUN skills at prestigious conferences such as DSMUN, WELMUN, SNAMUN, Cathedral MUN, EHISMUN, SCIMUN, IPSCMUN, MCGSMUN, LMGMUN, the MU20 Opportunity Summit, the Indore Democratic Summit, and OxfordMUN India. The Inter-House MUN proved to be an exciting platform for students to enhance their teamwork, debating, and leadership skills.

Additionally, Daly College was proudly represented in the Secretariat at the MU20 Conference by Hriday Anand, Harsaham Jain, Rajaryan Agarwal, and Nirvan Barjatiya at OxfordMUN India, further solidifying our commitment to excellence in Model United Nations.

To quote Mahatma Gandhi, "You must be the change you wish to see in the world." Through their participation in DCMUN, our delegates have taken the first steps in becoming the change-makers of tomorrow, armed with knowledge, empathy, and a passion for justice. We look forward to continuing this journey of learning, leadership, and service, as we work together to build a better, more inclusive world.

AFS STP : Hungary

Six students of Daly College - Risha, Radhika, Atharv, Aryaavir, Harsham and Mohammad - went on an AFS Intercultural Short-Term Program (STP) to Hungary, from 3rd May to 2nd June 2024.

The first segment was a 12-day stay in Budapest, with visits to neighbouring cities as well. The AFS Coordinator - Mrs. Shweta Verma, accompanied the students to Budapest. For the last two weeks of the program, students stayed with host families in various cities of Hungary.

The entire group engaged in significant intercultural learning and immense fun!

Gliterati

Gliterati, hosted by Daly College, in collaboration with Shabdavali and AFS India, had its third edition this year, with participation from nearly 30 schools, pan-India.

This flagship endeavour was conceptualized by Principal, Daly College, Dr. Gunmeet Bindra and Mr. Sanjeev Chopra, who is a retired IAS officer, is an eminent Historian, Public Policy Analyst, Former Director of the Lal Bahadur Shastri National Academy of Administration, and the author of *We the People of the States of Bharat: The Making and Remaking of India's Internal Boundaries*, published in 2022. He is now the Director of the Valley of Words International Literary Festival, held annually in Dehradun, India.

It was an honour to have literary luminaries like Ms. Shabnam Minwala, Ms. Linthoi Chanu, Ms. Devika Cariappa and Mr. P. Sainath attend the event and interact with students.

AFS Facilitations at DC

Principal, Dr. Gunmeet Bindra, facilitated a national cohort for AFS Pathways, and AFS Coordinator, Mrs. Shweta Verma was the co-facilitator. Mrs Shweta Verma has completed four AFS educator and facilitator certifications – GCC, Effect+ , Foundations and PEAK. Furthermore, five staff members successfully completed the Pathways certification in August.

AFS STP: November Denmark

Three students of Daly College travelled to Ranum Efterskole, Denmark for the November Denmark STP. They had thrilling academic and co-curricular experiences.

AFS STP: Argentina

Emaira Sethi went for the AFS Argentina Intensive Program from 31st Oct to 9th December 2024.

Year-long Hosting At DC

DC is currently hosting Thai student – Jirachaya Petranurat till May 2025. She was enrolled in Class-11 and engaged in all school activities enthusiastically, including participation in Gliterati and acting in the annual theatrical production, for which she was awarded a Bronze Badge on Republic Day 2025.

Daly Ethos

Daly College Service Club

The Daly College Service Club undertook and initiated a series of impactful projects during the academic session of 2024-25. The club's activities began with a campaign titled "Jaalmeev Jeevanam", aimed at addressing the critical issue of groundwater depletion. As part of this initiative, students organized an assembly and visited Shri Vama Shishu Vihar, where they educated the children about the importance of water conservation. Additionally, they donated a complete library and a collection of board games to the school. During the summer holidays, the students worked on creating eco-bricks, ensuring that household waste and garbage were repurposed for sustainable use. With the resumption of the session in July, they organized three successful fundraising events, selling chocolates, corn, and friendship bands on multiple occasions within the school, contributing to the funds for their ongoing projects.

In a significant collaborative effort, the students partnered with the Mayor of Indore to participate in a plantation drive. Hundreds of saplings were planted across the Daly College campus, enhancing the green cover and fostering environmental responsibility. Furthermore, the students participated in the 'Traffic Mitra Campaign' in Indore, contributing to raising awareness about road safety and responsible traffic behavior.

Adding to their ongoing efforts, the students visited the Higher Secondary Government School, where they donated furniture and engaged in meaningful interactions with the students there.

Through these diverse initiatives, the Daly College Service Club enabled the Dalians to give back to society, fulfilling the core mission of service at Daly College.

AIR WING

As we commenced the year, we welcomed 25 new enrollees in April, bringing our total cadet count to 50. Notably, 10 second-year boys and 6 girls attended the combined annual training camp, where our cadets showcased exceptional talent and dedication.

The camp yielded an impressive array of achievements:

- Our quiz team secured a commendable 3rd position.
- The basketball team delivered an outstanding performance, finishing 3rd.
- Both boys' and girls' teams excelled in Tug of War, earning 2nd place in their respective categories.
- The girls' athletics team dominated the competition, emerging as champions.

The pinnacle of our success came when Dalians were declared Overall Winners of the camp, recognizing our cadets' exemplary performance throughout the activities.

17 cadets appeared for A Certificate examination in January 2025.

Six talented cadets : Durva Vijay Singh, Amey Gupta, Sourish Tiwary, Hiranya Wadhwa, Amaira Chadda, and Vidhi Sharma - were selected for flying, a testament to their exceptional skills and potential.

NCC ARMY WING(GIRLS)

NCC has long been a source of pride for the students of Daly College. Each year sees even more enthusiastic participation from the cadets. This year, a 10-day camp was organized at Daly College, Indore, from 7th June to 16th June 2024, with participation from cadets of various schools, including 16 cadets from our school. The camp aimed to instill discipline, leadership, teamwork, and self-reliance among the participants. The cadets attended several sessions on diverse topics such as map reading, weapon training, field craft and battle craft, health and hygiene, communications, and the armed forces. Practical training sessions included the use of a .22mm deluxe rifle, where cadets received hands-on experience in weapon handling and shooting. Obstacle training was also part of the schedule, helping participants build physical endurance and confidence.

The camp concluded with a grand event where cadets showcased their talents, leaving a strong impression on all. The entire experience of the camp fostered values of discipline, punctuality, unity, and leadership among the cadets, which contributed to their overall growth and development. The achievements of our cadets were remarkable. Yuvika Garg secured the 3rd position in the solo dance competition held during the cultural night. Vanya Gupta finished 3rd in the cross-country race, while Netika Choudhary achieved the 2nd place in the extempore speech competition. The Kho-Kho team secured the 2nd position, and our cadets demonstrated exceptional teamwork and strength by bagging the 1st position in Tug of War.

The 10-day camp was an enriching and unforgettable experience for all participants. It not only provided a platform to develop essential skills but also fostered a spirit of camaraderie and excellence. Our girls also presented the Guard of Honor to the Chief Guest at the Annual Prize Giving. On 19th January 2025, an A-Certificate Exam was conducted for the second-year cadets who had attended the camp. This exam comprised both written and practical tests based on the subjects taught during the camp.

NCC ARMY WING(BOYS)

Daly College takes immense pride in its long-standing association with the NCC organization, which continues to instill values of patriotism, service, discipline, and hard work in our students. In 2024, 25 new cadets were enrolled in the Junior Division (Army Wing), bringing the total strength of the wing to 50 cadets from classes 8 and 9. As part of their training, the cadets attended the Annual Training Camp held at Daly College, Indore, from 9th to 18th December 2024. The 2022-24 batch of second-year cadets displayed exemplary performance, with all seven cadets achieving 'A' Grade distinction in the NCC 'A' Certificate examination.

This year witnessed a proud moment when Subedar Pushpendra Singh, Shooting Coach and Caretaker of the NCC Army Wing, served as the Commander Trainer of the NCC Indore Contingent during the Madhya Pradesh Republic Day Parade from January 17 to 26, 2025. Competing against 22 contingents, including BSF, MP Police, and others, the NCC Indore Contingent emerged victorious, further solidifying Daly College's reputation for excellence. In addition to these achievements, our cadets actively participated in community engagement activities. On 13th July 2024, 25 cadets took part in the "एक पेड़ मां के नाम अभियान" tree plantation drive at Revoti Range, Indore. Similarly, on 25th January 2025, the cadets enthusiastically joined a Walkathon organized by NCC Group HQ Indore, covering the route from Rajwada to Regal Square. Their efforts were recognized and appreciated by the Honorable Chief Minister of Madhya Pradesh.

The cadets also celebrated the 76th NCC Day on 24th November 2024, showcasing their dedication to the organization. As a customary tradition, they presented the Guard of Honour during school functions, demonstrating their discipline and commitment. This year, the enrollment process for new cadets was modernized and conducted online, ensuring greater efficiency and accessibility. As we look ahead, our vision is to further enhance the participation and performance of our cadets in NCC activities, inspiring them to excel in leadership, community service, and competitions.

R O U N D S Q U A R E

Let your
spark take
flight!

Greetings,

As we reflect on another exciting year of Round Square activities at our school, I would proudly like to highlight the integral role that these experiences continue to play in shaping our students into global citizens. Our commitment to the Round Square values of international understanding, democracy, environmental stewardship, adventure, leadership, and service remains stronger than ever.

This year, we took a significant step forward in implementing the RS Discovery Heroes programme for classes PKG to IV, which provided students with an opportunity to engage in instilling core values in young learners. By associating these 12 values with a cartoon character, children could easily understand these traits in making them better human beings.

We have also organized several impactful in-house activities, such as the Round Square In-house Forum, where students had the chance to engage in thoughtful discussions and share ideas on impact of AI on this generation, Protecting our Planet – Addressing Environmental Pollution, Waste Management and Sustainability. Our Plantation Drive allowed students to actively contribute to sustainability, while the Workshop on Organic Manure educated

them on innovative solutions to environmental challenges. The Sole Support Campaign was a heartfelt initiative where students demonstrated empathy and solidarity, supporting those in need with their footwear donations.

Beyond our school walls, our students have enthusiastically participated in Round Square Exchanges and Conferences, both in India and overseas. These experiences have opened their eyes to diverse cultures and global perspectives, strengthening the bonds of friendship and collaboration. Furthermore, several of our students were fortunate to take part in the Round Square International Service Project in Thailand, Community Service Project in Panna and Eye Camps. These service projects provided an opportunity to students that allowed them to engage directly with local communities and contribute to meaningful development projects.

Building on the tremendous success of the Panna Project, Daly College has been selected to host the Round Square International Service Project at the buffer village of the Panna Tiger Reserve, scheduled for December 2025. During this project, approximately 60 international participants will work together to build a library for the local community, furthering our commitment to service and environmental conservation.

These activities are a testament to the values of Round Square that we hold dear and continue to nurture in our students. As we look ahead, we remain committed to offering more such experiences that foster leadership, personal growth, and a sense of responsibility towards both local and global communities.

Let us continue to inspire each other to embrace the world beyond our school, to be active citizens of the world, and to always strive to make a positive difference.

Durga Singh

RS Rep

The Hotchkiss School, USA

Archit Sehgal of Class XII attended the Round Square Exchange Programme at The Hotchkiss School, USA from March 25 to June 1, 2024. Apart from attending regular academic classes, he learned to draw from observations, swimming, made his own guitar, participated in community service projects, rock climbing, hiking, and was involved in trekking activities. He was at Hotchkiss for two months and it was an academic-focused exchange. He explored the US classroom system and learned how to self-study.

As an exemplary mentor, David Thompson, a Director of International Programme provided a thorough observation during the student exchange and dedicated quality time interacting with the kids, leaving a lasting positive impact on their development.

"My exchange to Hotchkiss School was truly an enriching and thrilling experience. I was fortunate to meet a lot of amazing people with different cultural and ethnic backgrounds which helped me enhance my cultural awareness. I was also able to learn a lot of new skills and learnt from all the diverse perspectives. The campus was really beautiful and the community was very welcoming and understanding. Going to Hotchkiss School gave me a lot more than words could describe and I am truly grateful for this wonderful opportunity".

Scotch College, Australia

Pranshu Agrawal and Hridayasth Dev Bundela, students of class XII from DC, attended the Round Square Exchange Programme at Scotch College, Australia during the summer vacation in May – June, 2024.

Their participation in the student exchange program at Scotch College, Perth, Western Australia, was marked by captivating experiences. During their venture to Rottnest Island, they were delighted by encounters with kangaroos and koalas, truly immersing themselves in the essence of Australian wildlife. They embraced the authentic Australian lifestyle, enjoying exhilarating rodeo spectacles and the serenity of picturesque beaches. Their exploration of Elizabeth Quay offered insights into urban Australian culture, complementing their island retreat. Throughout their journey, their gracious host families extended unparalleled hospitality, treating them with utmost warmth and care, fostering a familial bond that made them feel cherished and nurtured.

This enriching sojourn not only broadened their cultural perspectives but also left an indelible impression of Australia's natural beauty and heartfelt generosity.

Bunbury Cathedral Grammar School, Australia

Ojas Agrawal and Yuvraj Bansal visited Bunbury Cathedral Grammar School, Australia for the Round Square Exchange programme in the month of May during the summer vacation.

Apart from attending regular classes, they actively participated in other school activities enthusiastically. At their cooking classes they learned to make Australian snacks and also learned to make Anzac biscuits. It is thought that these biscuits were sent by wives and women's groups to soldiers abroad because the ingredients do not spoil easily and the biscuits kept well during naval transportation.

In their hobby classes they learned metalwork and welding work. They represented the BCGS Hockey team in an Inter-School hockey match and won the match. They also participated in a community service programme for homeless people. They travelled to Perth with BCGS students to watch a game of Australian Football League (AFL) which took place in Optus Stadium.

It was an amazing experience which they will cherish throughout their life. They were grateful to the BCGS community for their warm welcome and hospitality.

Stiftung Landheim Ammersee, Germany

Angeli Mann, a Class X student went on a Round Square exchange to Stiftung Landheim Ammersee, Germany in June - July 2024. She was hosted by the family of Mim Schweizer who was on exchange to Daly College in March 2024. Her host family was incredibly welcoming. They introduced her to local food, customs and provided a supportive environment that made her stay comfortable and enjoyable. She visited many nearby places / picnic spots with her host family. Some of the visiting places are: Neuschwanstein castle, Schondorf summer festival, a coal mine, Cistercian monastery in Kloster Fürstenfeld, an ancient Roman bathhouse and a Church in Ostallgäu. She also attended an Outward Bound trip organized by the host school to Vienna.

The Round Square student exchange program provided her an invaluable opportunity to experience a new culture, educational environment, and community life at Stiftung Landheim Ammersee in Germany. She also had the chance to interact with the local students, which provided deeper insights into daily life and local perspectives.

St. Stithians Girls' College, South Africa

Three Daliens, Pritika Narsaria , Somya Rathore and Divisha Singhvi went on RS exchange to St. Stithians Girls' College, South Africa from August 31 to October 6, 2024.

This exchange provided a unique opportunity for cultural immersion, academic growth, and the chance to engage in collaborative projects with peers from a diverse global community. The event was part of the larger Round Square network, which promotes experiential learning and international understanding among schools worldwide.

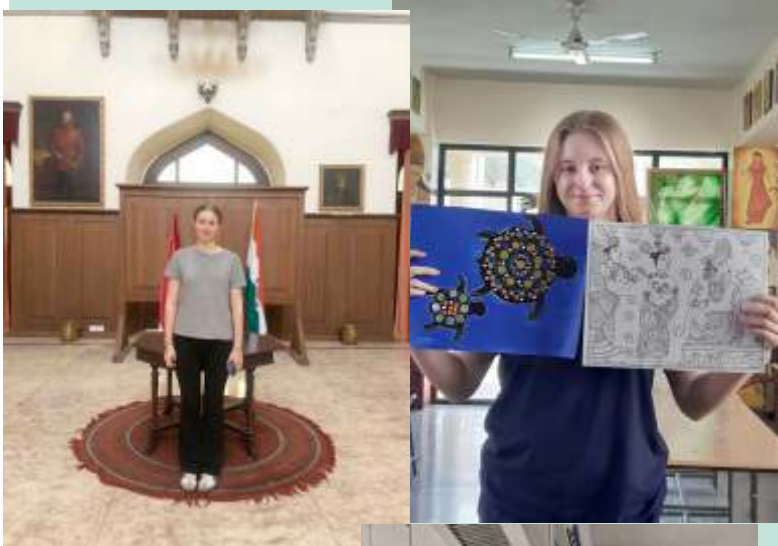

This year Daly College hosted five students from Germany, South Africa and Australia.

Landheim Ammersee, Germany

Mim Marie Schweizer, a student of Landheim Ammersee, Germany visited Daly College under the aegis of Round Square student exchange programme from March 3, 2024 to March 20, 2024.

During her stay at Daly College, she attended regular academic classes and participated in co-curricular and sport activities. She also attended Daly College Community Service and Environment Awareness Project at Panna for 4 days.

St. Stithians Girls' College, South Africa

Kaela Naidoo and Emily Decker from St. Stithians Girls' College in Johannesburg, South Africa attended a seven week Round Square Exchange Programme at Daly College.

They stayed on campus and experienced the vibrant Indian culture through visiting local family-hosts on weekends.

They learned Madhubani Painting and Pottery in their hobby classes.

Emily was hosted by Somya Rathore during the Diwali vacation. The host family took her to Udaipur, Jaipur and Agra to show her Indian heritage.

Kaela celebrated her 16th birthday with Pritika Narsaria's family. She was hosted by Pritika's family during the Diwali vacation. Kaela enthusiastically participated in Diwali celebrations and decorated the home with Rangoli flowers and also applied Mehendi with Pritika.

Their parents have a lot of praise and gratitude for Daly College and the host families.

Scotch College, Perth, Australia

Two students from Scotch College, Perth, Australia visited Daly College on RS Student Exchange Programme. They attended class X CI.

Apart from attending regular classes, the College arranged Cooking, Art & Craft and Hindi & Sanskrit classes for them. They enjoyed horse riding, shooting and playing football. They also learnt about Indian culture and the education system during their stay at Daly College. The exchange students visited Mandu-Maheshwar along with the trainee teachers from Melbourne University, Australia.

To give them a feel of how an Indian family is like, they were hosted by Hridyast Dev Bundela's family at Datia. They were enamoured by the beautiful architectural structures at Datia, Orcha and Gwalior.

In the words of Alex and Leo:

"My exchange to Daly College was a life -changing experience, it was truly incredible!! I was taught lots of words in Hindi which helped me create friends. I went to a lot of historical buildings but at first I did not have any interest in going but once I learnt about them in more detail, I realised the history behind them and how important they are to the Indian culture. I will always remember the bond between the students and the teachers in Daly College. The teachers were so kind and amazing. I was alone for the first 2 weeks, I always felt welcomed."
- Alexander Riley

"My exchange from Scotch College, Australia to Daly College was an amazing experience. The learning environment at Daly College was different, with a more hands-on approach and a strong emphasis on traditional subjects. The food was also quite different but delicious, with lots of spices and new flavors. I enjoyed trying new dishes like dal and chapati, which were very different from what I'm used to at home. Overall, it was a memorable and enriching experience".
- Leo Buck

ROUND SQUARE INTERNATIONAL SERVICE PROJECT, THAILAND

Two Dalians Vainavi Gangula and Sonia Dodve attended the Round Square International Service – Big Build from July 16 – July 29, 2024 in Thailand. The Project involved 44 young people and 6 adult leaders from 23 different Round Square schools. They constructed an earthen building in the community of Ban Raum Thai, near Kui Buri National Park, Thailand.

The aim of the project was to enable young people from a wide range of cultures, nations, and backgrounds to experience and learn to value each other by working together on voluntary service projects. In addition to this, young people were given the opportunity to feel that they had done something to help other people and to learn something about themselves from the experience.

ROUND SQUARE INTERNATIONAL CONFERENCE, 2024

A delegation comprising 5 students and 2 adults attended the Round Square International Conference 2024 hosted by RS Member School in Bogota, Colombia from September 22 - 28, 2024. The theme of the conference was 'Blooming from the Past'. They also attended a Pre & Post Conference trip to Turkey (20–22 September, 2024) and Brazil (September 29 – October 2, 2024).

Student Delegates:

1. Gunjan Singhania
2. Vaishnavi Singh Jhabua
3. Bhavika Singh Jhabua
4. Vedika Mandhan
5. Shaurya Gupta

Adult Delegates:

1. Dr. Gunmeet Bindra, Principal
2. Mrs. Durga Singh, RS Rep

ROUND SQUARE CONFERENCE 2024

Pathways World School, Gurgaon

The Round Square Conference revolved around the theme: 'Myriad Cultures, One Beautiful World' was hosted by Pathways World School, Gurgaon from February 15 – 19, 2024. The conference was based on the Round Square Pillar of Internationalism and aimed to foster a spirit of camaraderie and partnership among students in diverse communities across the globe.

Student Delegates:

1 Anjuna Goyal	2 Anvesha Jain	3 Aarav Goel
4 Reyansh Jain	5 Rajveer Arora	6 Simrit Manocha

Teacher: Mrs. Mukti Rathore

Vivek High School, Chandigarh

A delegation consisting of 6 students and a teacher attended the Round Square Conference hosted by Vivek High School, Chandigarh from April 3 to April 7, 2024 on the theme "Discover More". The 5-day event featured dynamic icebreakers, influential keynote speakers, immersive workshops, thoughtful Baraza discussions, and a visit to a serene hill resort.

Student Delegates:

1 Manas Agrawal	2 Darsh Agrawal
3 Rudraksh Bajaj	4 Arnav Agrawal
5 Devansh Agrawal	6 Alakh Jaiswal

Teacher: Mr. Arvind Benjamin

ROUND SQUARE CONFERENCE

Scindia School, Gwalior

A delegation of 14 students escorted by Sijo Mathew and Mrs. Prachi Malik attended the RS Conference on Environmentalism. The focus was on sustainability, climate action and environmental responsibility. Keynote speakers Rakesh Khatri, the “Nest Man of India,” and Animesh Kapoor inspired students with insights on conservation and sustainable living. Engaging Baraza sessions, the Seed Bomb initiative, and visits to Eco Park and Jai Vilas Palace Museum deepened their environmental awareness. Mindfulness sessions highlighted the connection between well-being and nature. The conference also featured a light and sound show, cultural evening, and masquerade party, fostering friendships and collaboration.

It concluded with a heartfelt closing ceremony, leaving students with valuable insights and lasting memories.

Student Delegates:

- | | |
|---------------------------|----------------------|
| 1. Adityavardhan S Sengar | 2. Moksha Shyamsukha |
| 3. Daksh Taiwade | 4. Suhaan Vaidya |
| 5. Aarna Agrawal | 6. Aarna Anand |
| 7. Abhisri Kothari | 8. Aahana Gupta |
| 9. Vaanya Sharma | 10. Saiyuri Tapaida |
| 11. Shravya Sojatia | 12. Riana Sanghvi |
| 13. Plaksha Agrawal | 14. Viaan Dhawan |

Teachers:

1. Mr. Sijo Mathew

2. Miss Prachi Malik.

ROUND SQUARE GLOBAL CONFERENCE 2024

Woodridge College & Preparatory School, South Africa

7 Dalians attended the Round Square Conference hosted by the Woodridge College and Preparatory School, South Africa from April 22 – April 26, 2024. Embracing the powerful theme “Sizonqoba: Together We Triumph – Adventure and Leadership,” this 5-day event was a transformational journey immersed in nature’s splendor.

Student Delegates:

- | | |
|---------------------------|--------------------|
| 1 Harshvardhan Ganediwala | 2 Jay Bagani |
| 3 Advik Tuteja | 4 Abeir Kumar |
| 5 Harshit Khandelwal | 6 Khushagra Nagori |
| 7 Plaksha Agrawal | |

Teacher: Mrs. Arpita Dasgupta

The Samworth Church Academy, UK

The Samworth Church Academy, UK hosted the Round Square Conference on the pillar of ‘Adventure’ for the students of age group 11-13 years from May 30 – June 2, 2024. The theme for the conference was “A bushcraft Odessey” and was held in the beautiful scenery of North Yorkshire, just north of the picturesque city of York.

Student Delegates:

- | | |
|---------------------|--------------------|
| 1 Aarav Shrivastava | 2 Kabir Matlani |
| 3 Tanirika Sancheti | 4 Ansh Mulchandani |
| 5 Riddhi Tiwari | 6 Siddhi Tiwari |

Teacher: Mrs. Namita Singh Rathore

ROUND SQUARE GLOBAL CONFERENCE 2024

Paradis International College, Romania

5 of our students and a teacher attended the Round Square Conference held at Paradis International College, Romania for the students of age group 16 – 18 years from June 10 – 14, 2024. Around 50 delegates from schools in Chile, Germany, India, and the USA explored the theme “A Mountain of Science” and collaborated through science activities.

Student Delegates:

1 Bhavika Singh Jhabua 2 Daksh Bhatnagar
3 Aahana Dhawan 4 Adityansh Mittal

5 Saksham Fagwani

Teacher: Mrs. Pooja Pabwa.

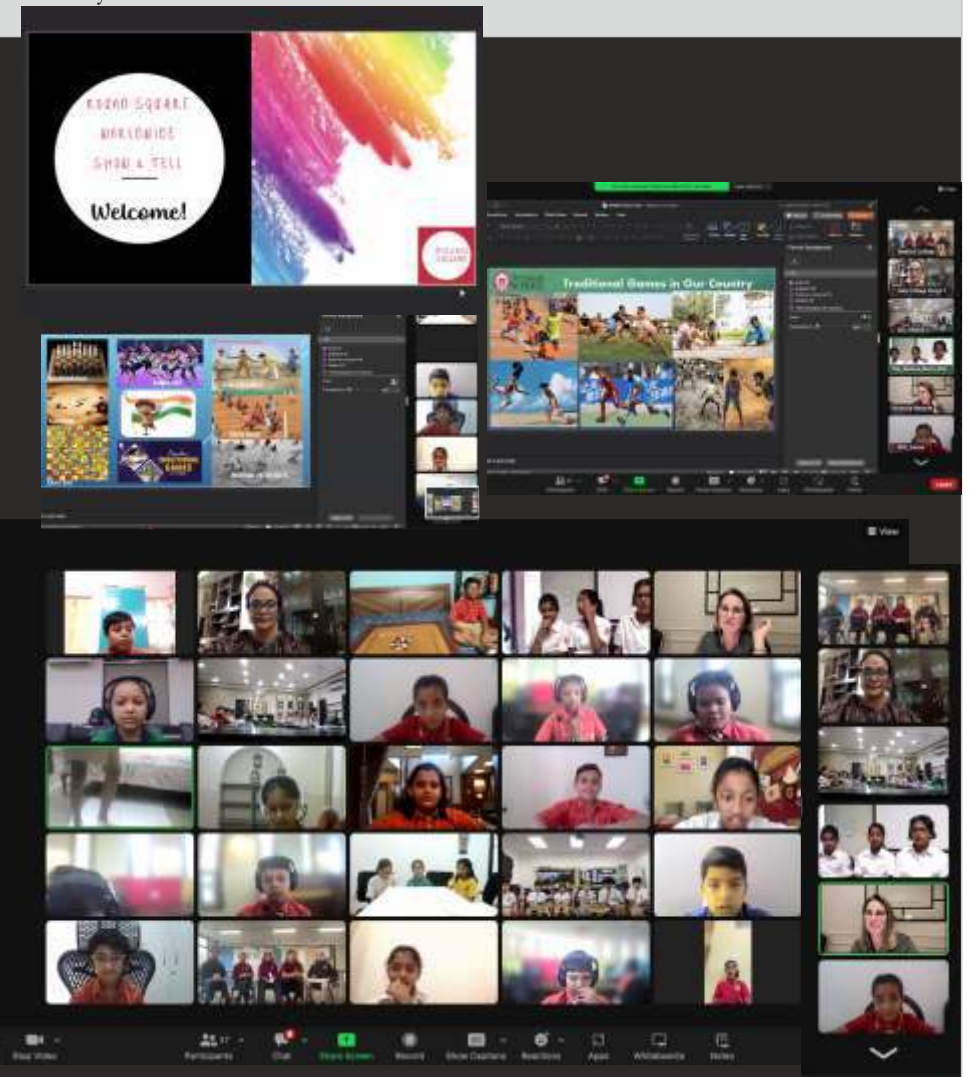

WORLDWIDE SHOW & TELL SESSION

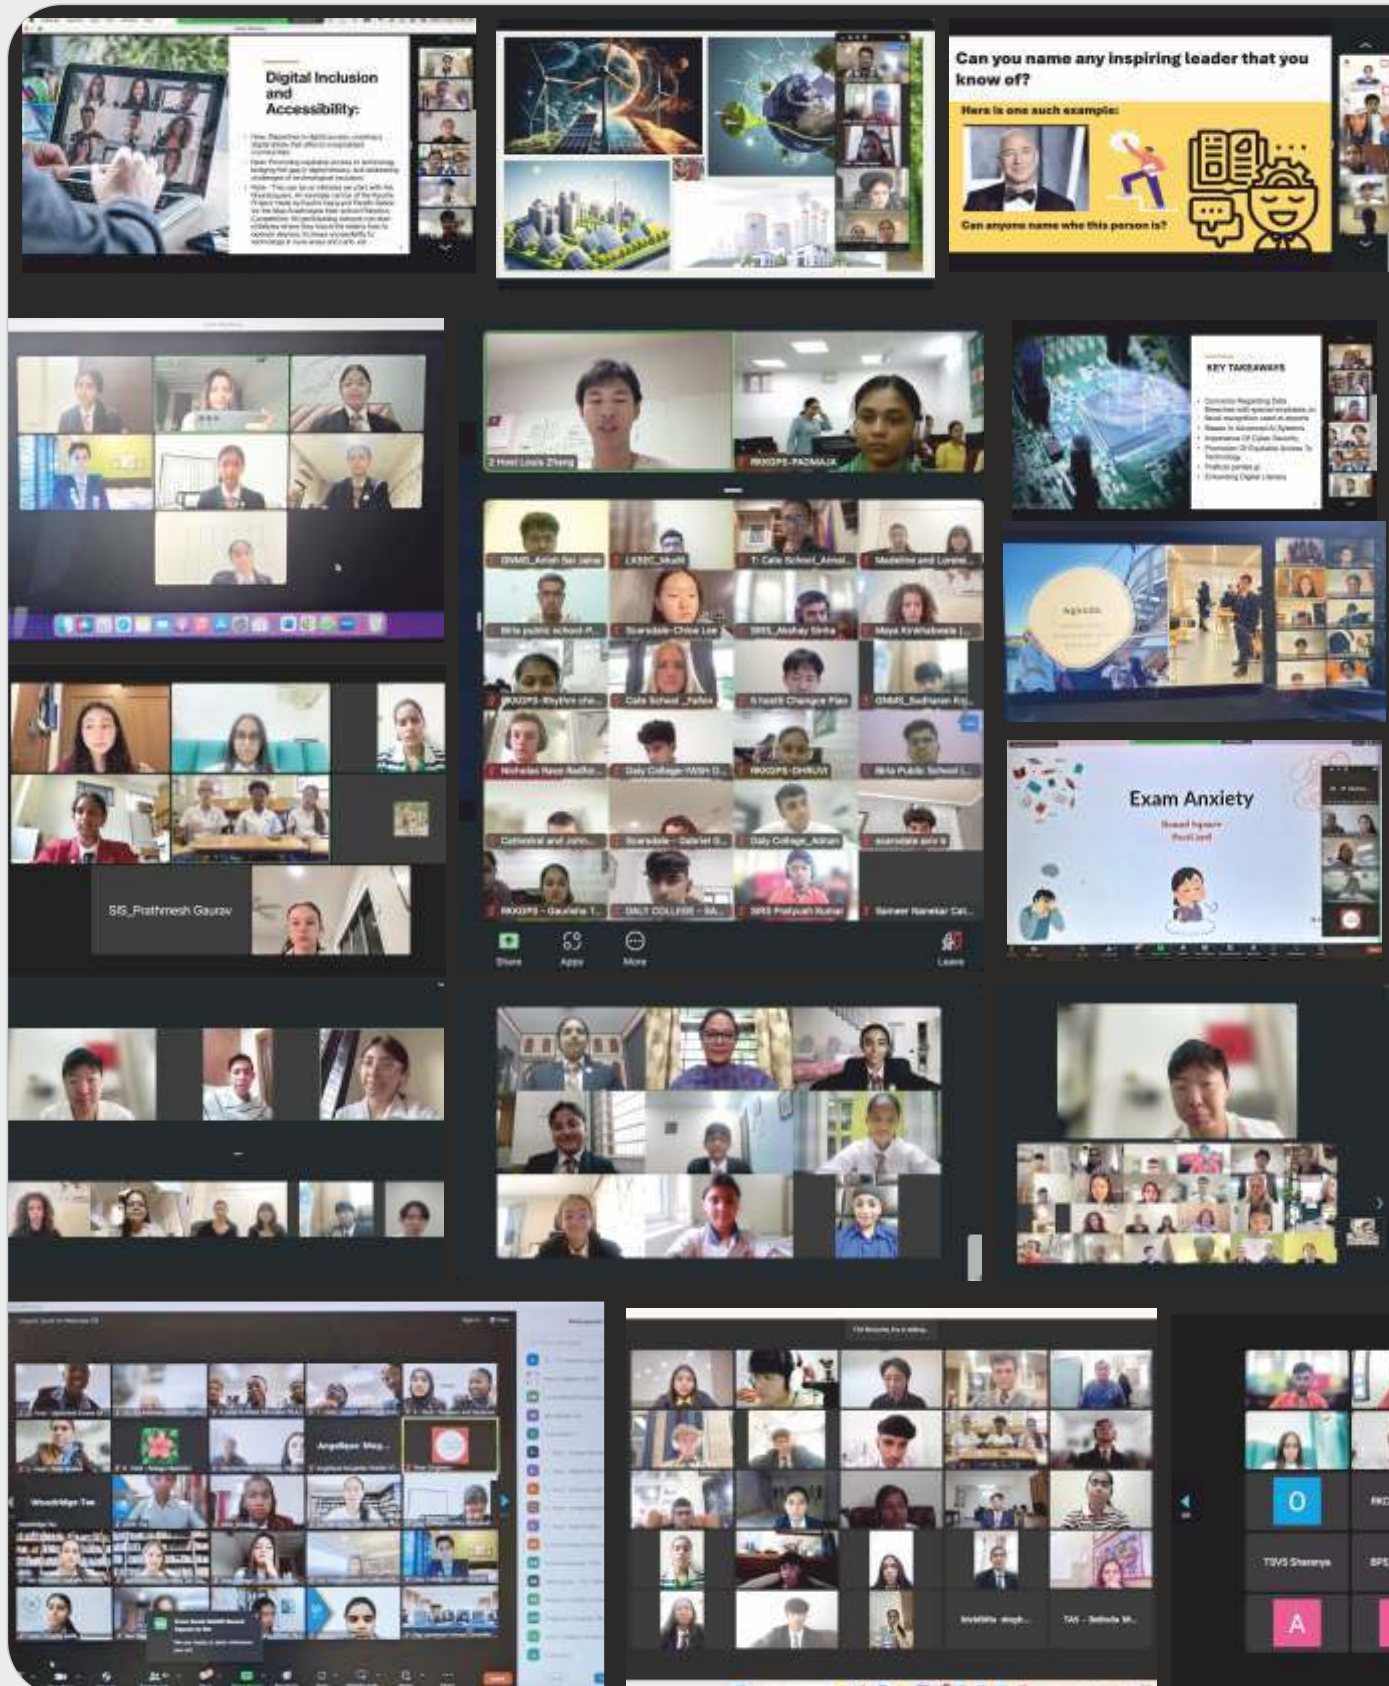

DC Students participated in Round Square’s first ever Worldwide Show and Tell sessions for the age group 8-10 yrs, the theme was - Traditional Games in our Country.

The students connected with their peers across the world online and shared perspectives and experiences around different topics through a show-and-tell format.

Student participants were asked to prepare, together as a delegation, a single-slide with a 2-minute talk on the topic of the session. Each participating delegation after their presentation, was invited to ask one question to another delegation, related to their presentation and/ or the topic of the call. Eris Wilfred, Advika Parasrampur, Vedansh Kemkar, Kyra Aidasani, Kimyra Jain and Rajveer Kasliwal participated in this activity.

ROUND SQUARE ZOOM POSTCARDS

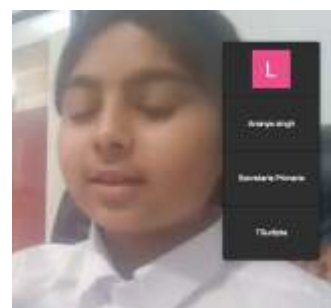

This year approximately 63 students participated in RS Zoom Postcards hosted by various RS Schools in India, South Africa, Japan, UAE and China.

- St Andrew's School for Girls in South Africa
- The Affiliated High School of Peking University's Dalton Academy
- Junior & Senior High School of Kogakuin University
- Providence Day School
- Welham Girls' School
- The Millennium School, UAE

COLLABORATIONS

Collaboration with Michael Ham School, Argentina

DC students collaborated on a project on sustainable art around the world hosted by Michael Ham School, Argentina. DC students took part in a collaboration on invasive species in the world. The students uploaded details of invasive species on a padlet and later attended a zoom meeting with the host school. The idea was focusing on these species' place of origin, place invaded, problems caused and may be possible solutions too.

Story Relay- Pass the Baton collaboration with SAI International School

13 DC students participated in a Story Relay-Pass the Baton collaboration with SAI International School. The host school students wrote the first chapter of the story and passed it on the Daly College to write the second chapter. The theme for this year was - Unity in Diversity. 18 Round Square Schools worldwide got together and showcased their creative excellence while collaborating with others in order to create a story book. The learning focus was to collaborate and create a story book which would develop all the 21st century skills like language skills, collaborative, creative and critical thinking skills.

SOLE SUPPORT PROJECT

Students of the RS Wing of Junior School undertook an inspiring project named "Sole Support," with the aim of collecting and distributing shoes to underprivileged children. This initiative not only provided an opportunity for our students to engage in community service but also fostered a sense of empathy and solidarity among them.

The collection drive was launched with great enthusiasm. Students, teachers, and staff members rallied together, spreading the word through social media, local community centers, and parent-teacher meetings. Donation boxes were placed in various locations within the school premises. The response was overwhelming, with hundreds of pairs of shoes being donated in just a few weeks!

After the collection phase, the students volunteered their time to sort, clean, and pack the shoes. This task was not only a logistical challenge but also a learning experience. Students categorized the shoes by size and type, ensuring that the distribution would be as organized and efficient as possible.

The highlight of the Sole Support project is the distribution event planned for Helen Keller Day. This special day will see our students visiting a local school for the blind, where they will personally hand over the shoes to the visually impaired children.

SPREADING SMILES ON 'HELEN KELLER DAY'

IN-HOUSE LEADERSHIP FORUM - AI AND GEN Z

Daly College RS Club conducted its first In-House Leadership Forum. The Forum on "AI and Gen Z" was a vibrant gathering of almost 50 students from grades 7, 8, and 9.

The Baraza leaders of classes 11 and 12 facilitated discussions, beginning with an engaging ice breaker, the "Robotic Dance," and meaningful discussions.

The students were divided into four groups and delved into stimulating discussions on various aspects of AI. After the insightful conversations, the students presented their thoughts and ideas. The session concluded with an impactful presentation on how AI can be effectively utilized for positive outcomes.

RS FORUM (SOUTH ASIA & GULF REGION)

Mrs. Durga Singh RS Rep attended RS Forum hosted by Indian School Al Ghubra in Oman on 8th and 9th November 2024. Principals and their representatives attended it. They were from India, Oman, Pakistan, Armenia and Jordan.

Round Square Heroes Discovery Framework

The Round Square Heroes of Discovery is a team of cartoon superheroes created to bring the twelve attributes of the RS Discovery Framework to life for younger children from K-8, through Early and Primary Years.

Students meet Compassionate Carlos, Problem Solving Papri, Self-Aware Simba, Courageous Collette, and Teamwork Tama. They find the RS Discovery of “Commitment to Sustainability” embodied in Sustainability Suki, and “Appreciation for Diversity” brought to life by Diversity Dani. They spend time with Inquisitive Indu, Tenacious Tino, Responsible Rami, Communication Cara and Inventive Idris.

At Daly College Junior School, RSHDF has been successfully implemented. The 12 Heroes were categorized and were successfully divided keeping the age group and needs of the students.

RS INSPIRED ACTIVITIES DURING IMMERSE & INSPIRE PROGRAMME

This year RS Inspired Activities took place during the Immerse and Inspire programme held for the classes 5, 6 and class 9 on the IDEALS of Environmentalism and Adventure respectively.

Children of classes 5 and 6 were taken to Ambhajhara village where they had an opportunity to listen to Mr. Vasudevan, a renowned Environmentalist and Mr. Gadikar, an Ornithologist. They spoke about conservation and ways to protect our mother Earth. Mr. Gadikar spoke about various species of local birds and how birds migrate from long distances.

Mr. Mir Ranjan Negi also addressed the students and spoke to them about teamwork and adventure. He shared his experiences and motivated the students to never say die.

During class 9 Immerse and Inspire, we invited Mr. Abhilash Mishra (IAS), Asstt. Municipal Commissioner for a Keynote address. He was impressed with how our school has been disposing waste and generating manure using leftover food from the mess. He also visited our Green Centre and witnessed the process of making organic manure.

ROUND SQUARE EXHIBITION

The Round Square Exhibition at Daly College provided a vibrant platform for students to display their involvement in various international exchanges, conferences, and service projects. Students put together informative charts that highlighted their experiences and learning from these global engagements, offering a glimpse into their personal growth and the college's international connections.

In addition to these displays, the exhibition featured a stall dedicated to promoting organic manure, showcasing the students' commitment to sustainable agricultural practices. This stall provided visitors with insights into the importance of organic farming and its environmental benefits.

A vibrant food stall was also set up at the Round Square exhibition, featuring a delightful fusion of Indian and international desserts. Highlights included Rasgulla Tiramisu and Boeber, a traditional South African Vermicelli Kheer, thoughtfully curated to celebrate and showcase the richness of different cultures.

Overall, the Round Square exhibition was a successful event that not only celebrated student creativity and global involvement but also fostered an appreciation for sustainability and cultural exchange.

DALY COLLEGE COMMUNITY SERVICE & WILDLIFE AWARENESS PROJECT AT PANNA TIGER RESERVE

Daly College Community Service and Wildlife Awareness Project in association with BAAVAN was organized at the buffer village of Panna Tiger Reserve from March 16 - 20, 2024 for RS Member schools. A total of 66 students and staff members from 7 RS Members schools attended the project.

Highlights of the Projects:

- Painted the walls to make the classrooms more attractive and interactive
- Organized wildlife awareness and sustainable living orientation programmes and eco-friendly construction activities
- Organized an Eye Camp and Health Camp

- Created awareness about hygiene in women and distribution of Sanitary Napkins
- The delegates were also taken on a safari in the Panna Tiger Reserve, Ken River Boating and a visit to Pandu Caves

Looking at the grand success of the Panna Project, Daly College has been chosen to host the Round Square International Service Project at the buffer village of Panna Tiger Reserve which is scheduled in December 2025 where approximately 60 overseas participants will build a library for the local community.

**DALY COLLEGE
COMMUNITY SERVICE
& WILDLIFE AWARENESS
PROJECT AT PANNA
TIGER RESERVE**

DALY COLLEGE EYE CAMPS

In 2024, Daly College in partnership with Choithram Netralay and FRS India, Daly College, organized two Eye Camps at Sanwer and Musakhedi in the month of April and October 2024 respectively providing crucial eye care to the underprivileged.

The initiative highlights the college's deep commitment to community service and the impact of giving back. The students played a pivotal role, ensuring the smooth operation of the camp and leaving a lasting impression on the community.

The camp addressed a variety of vision issues including cataracts, hypermetropia, myopia, and presbyopia. A total of 6113 individuals were assisted, 6248 pairs of spectacles were distributed, and 325 cataract cases were documented. Gratitude overflowed from those who received care, proving that small acts of service can create a brighter future for all.

SPORTS UPDATE

Let the
spark
lead.

Greetings,

A Year of Sporting Excellence – 2024

Swami Vivekananda once said, "In kicking a ball or playing a game, you are much closer to the Divine than you will ever be in prayer." Sports instill discipline, resilience, and teamwork, shaping students beyond the classroom. At Daly College, 2024 has been a landmark year in sports, with our athletes breaking records, securing victories, and demonstrating exceptional dedication.

Track and Field Triumphs - Daly College excelled in track and field at CBSE and IPSC meets. The Boys' Team won Overall Champions at the CBSE Cluster 12 Athletic Meet, securing 7 Golds, while the Girls' Team finished as Runners-up with 3 Gold, 5 Silver, and 5 Bronze medals. Fourteen athletes qualified for the CBSE Nationals. At the 59th All India IPSC Meet, the Girls' Team secured Overall Runners-up for the second consecutive year, and the Boys' Team finished 2nd Runners-up.

Hosting IPSC Events & National Representation - Daly College successfully hosted IPSC tournaments in Shooting, Squash, Hockey, Cricket, Tennis, and Athletics Trials. Our teams participated in IPSC and SGFI meets, securing top honors and strengthening our national presence.

Tennis Sensations - Our players excelled nationally and internationally: Pehal Kharadkar won the IPSC U-19 title in Colombo and reached the J30 semi-finals in Nairobi. Reet Arora claimed singles and doubles victories at the IPSC U-17 Championship. Anya Rathi and Vaidehi Shukla won multiple state and national titles. Shravya Sojatia won the All India Championship Series Tennis Doubles (U-14).

Shooting Achievements - The shooting team dominated IPSC events: Shivam Kapasia set a new pistol record, supported by Jaywardhan Bhawnani and Devaditya Singh Jadeja. The Boys' Team won U-17 and U-14 categories. Daly College emerged as Overall Champions of the 19th All India IPSC Boys Shooting Championship.

Aquatic Success - At the 37th All India IPSC Aquatic Girls Championship, Daly College finished Runners-up with 40 medals. Abeer Singh Mehta was the fastest swimmer, winning Gold in the 50m freestyle. The Boys' team secured 7 medals, with 11 swimmers qualifying for SGFI Nationals.

Table Tennis & Team Sports - Aaravi Jain led Daly College to its first IPSC U-12 Girls Table Tennis Championship. The U-14 and U-17 Girls' Teams were national runners-up. Football teams, trained under Spanish coaching, finished runners-up in the IPSC U-12, U-14, and U-19 categories. Hockey teams secured 2nd runner-up positions at the MP State Nehru Cup.

Cricket & Chess Achievements - The U-19 Boys' Cricket Team finished runners-up in IPSC Nationals and 3rd at major invitational tournaments.

Daly College hosted Bunbury Cathedral Grammar School (Australia) for friendly matches. Rishabh Kumar won Gold at the All India IPSC Chess Championship and represented India in Bangkok. Mohd. Ashaz Ahmed and Ridhhi Maheshwari earned state podium finishes.

A Year of Excellence - 2024 has been a defining year for Daly College, marked by resilience, teamwork, and sporting brilliance. As we celebrate these achievements, we look forward to new challenges and continued excellence.

- Mohammedan Sporting Football Club, the conquering champions of the I League 2023-24 Season, the first club on merit basis to qualify for the Indian Super League PAN India Trails held at Daly College, Indore on October 23, 2024, provided a stage to exhibit skills and talents, potentially leading to an opportunity with an elite academy or team. This exposure can be a gateway to a player's dreams of professional success.

International Collaboration-

Javier Paulinich Muñoz, Football Technical Director of FMV League Team – Peru and Franklin Delano Roosevelt School, Lima, visited Daly College, Indore, to guide young soccer enthusiasts in prioritizing technical and tactical development. With a Master's in Physical Training and Nutrition for High-Performance Athletes from the European University of Madrid (Real Madrid School), Mr. Muñoz's sessions enhanced students' football skills, tactical understanding, and motivation. His European-style methodology focused on improving individual technical skills, fostering team synergy, and promoting personal values through football. Daliens look forward to future visits and continued learning from his expertise.

CROSS COUNTRY

Greetings

Cambridge Report - The Cambridge International program, established in 2010, provides a unique lens for understanding and tackling real-world challenges through education. Its cornerstone is the development of practical skills, fostering students' critical thinking abilities and social competencies through a holistic educational framework. The program encourages collaborative learning, with students supporting one another while maintaining exceptional academic standards across all aspects of the Cambridge International curriculum.

This commitment to excellence was particularly evident in the recent IGCSE examination period, which yielded remarkable results.

Grade X - 28 students appeared for IGCSE in the March series in 2024. 45 % students secured grades A* and A, including 21% students securing A*. 40 % of students were awarded a distinction, 60% students were awarded a Merit/Pass in the Cambridge ICE Group Award. 10 students have scored 6 or more A*/As.

Aditya Dev topped the class with 8A* and 1A, Niaa Baheti scored 7A*, 2A and Vansh Poddar secured 7 A* 1A 1B. All students cleared the class 10 IGCSE Board Examinations.

Grade XII -A Level- March 2024

12 students appeared for A levels in the March Series in 2024.

38 % students have secured grade A* and A in various subjects, including 15 % securing A*. 6 students scored A* and A in their respective subjects.

Saadgi Garg scored 3 A* and 2A, Vivan Gautam scored 3 A* 1A 1B and Gauri Chaturvedi scored 2 A* 3A.

Career Counseling Report -

"Career counseling is not about choosing a path for life, but about equipping students with the compass to navigate their own journey."

Daly College takes a comprehensive approach to preparing students for their future careers. Through personalized guidance and diverse resources, students develop essential skills and knowledge that serve them throughout their lives. The institution encourages students to make productive use of their summer breaks by participating in various enrichment activities. These include attending summer camps and schools, conducting research, writing academic papers, and gaining hands-on experience through internships. This proactive approach to learning ensures students develop strong profiles and adapt effectively to changing professional landscapes. 15 students completed an AI Internship with Amazon Web Services, through Corporate Gurukul – AIAWS in July 2024.

The students of Classes 7-9 are enrolled in Project Based Learning by KRUU, where they interact with professors from around the world, do projects in different fields, and explore what's best for them.

A group of 55 students with three teachers visited NUS Singapore, to gain insights and understand career opportunities in STEAM education at a world class university, gain insights on university admissions opportunities and experience campus life at National University of Singapore (NUS) (Ranked 8th in the world by QS). Students also completed the research program GRIP. GRIP is a dynamic approach to Project-based learning through which students gain knowledge and skills to investigate, research and respond to an engaging and complex question, or challenge using a design-thinking approach. The Class of 2024 students have achieved notable admissions both within India and abroad. Within India, several students have secured coveted spots in prestigious institutions such as IIM Indore, Ashoka University, OP Jindal Global University. Additionally, in Delhi University, admissions have been obtained in esteemed colleges like Hansraj College and SRCC. Furthermore, students have enrolled in renowned institutions like Christ University in Bangalore. In Mumbai, a significant number of students are pursuing their education at NMIMS, Jai Hind College, St. Xavier's College, Mithibai College. Once again this year, our students have successfully gained admission to numerous prestigious universities around the globe, including but not limited to: Imperial College London(2 students) Embry Riddle Aeronautical University USA, Indiana University Bloomington, USA, Boston University, UT Dallas, University of Wisconsin, Madison USA, University of Washington, Stony Brook, USA, Drexel University in the USA, University of Toronto in Canada, UNSW in Australia, University of Western Australia, and Lasalle College of Arts, Singapore, Penn State USA, and some more.

Throughout the year the Careers Department has conducted many sessions like:

- A session was conducted for high school students on “ The Future of Liberal Education and Why it matters to the future of Work” by Ahmedabad University.
- Imperial College, UCL and University of Bristol visited DC .
- A Design Workshop was conducted by the faculty of Ecole Intuit lab Mumbai.
- An interesting workshop for students of grade XI on financial literacy was conducted by Professor from FLAME University Pune.
- A session for students of grade XI on Start Up Ideas was conducted by the representatives of Masters Union.
- School of Art institute Chicago representatives had an interaction with design enthusiasts on how to build a powerful portfolio and secure a scholarship.
- A boutique fair showcasing 11 prestigious US universities through KIC Univassist was held where students had a chance to interact one-on-one with university admissions experts.
- Career Day, September 9: various sessions were held for the students like ; Study in France- exploring educational opportunities in France, Higher education landscape in USA and Careers in Sports. On the same day 90 plus National and International Universities showcased their offerings in the University Fair, students closely interacted with them and gained information on various aspects of University admissions.
- Boston University and Johns Hopkins University Reps visited DC where grade XII interested foreign University applicants closely interacted with the representative's seeking guidance on applications and scholarships.

I see challenging times ahead-turbulence, wars raging, and shifting frontiers. I urge some of you to consider guarding the nation's borders, standing as its unwavering sentinels. There is no shortcut to success; only discipline, perseverance, and sheer grit will take you forward. Use technology to sharpen your skills, to innovate, and to lead. The world belongs to those who prepare relentlessly. Step forward with purpose, for your actions will shape the future.

GRADUATION

Ceremony

"DC, you didn't just teach them.
You set them up for life. Thank you."

MRS & MR MISHRA

» It is both heartening and overwhelming to know that our children are not just leaving their alma mater but also departing from the space that has shaped them into who they are.

Daly College brought out so much in Jyotindra. It was a pleasant surprise to see him challenge himself and take on so many roles.

In our opinion, the never-say-die attitude instilled here has been remarkable, and this has been the most transformative aspect of my child's journey. Jyotindra has learned to take on numerous tasks and give his hundred percent to excel in everything he undertakes.

We must express our gratitude to the teachers, who have often stepped beyond their roles as educators to become mentors and gurus.

MRS & MR BHALLA

» As I watch Umika graduate, I'm filled with nostalgia, remembering the first day of school, the struggles, and the achievements.

I will miss the interactions, school events, and the sense of community that comes with being part of this venerable institution. The school's emphasis on academic excellence, character development, community service, and emotional intelligence has helped my child develop into a well-rounded, empathetic, and responsible individual.

The faculty is a family that has guided Umika in developing a love of learning and achieving excellence. I am going to miss her coming home and sharing stories of friendship, laughter, and adventure with her friends, knowing that these bonds are for a lifetime. Thank you for being an amazing school community. We will always be grateful.

MRS & DR LUNAWAT

» As we watch our daughter, Saara graduate today, a wave of emotions floods over us: pride, nostalgia, and an overwhelming sense of gratitude.

As she prepares to step beyond these familiar walls, our hearts are filled with gratitude for the institution that has shaped her so profoundly. Daly College has been more than just a school; it has been a home, a mentor, and a guiding force. It has played an irreplaceable role in shaping Saara, both academically and personally. The teachers here have been more than educators; they have been mentors, guides, and pillars of support. As she moves forward, we know that wherever life takes her, she will always be a Dalian at heart. As parents, we can only say thank you to the teachers, the mentors, and the entire Daly College community for being such an integral part of her life.

MRS & MR BHATIA

» Watching Rishaan step beyond these walls, I feel a deep sense of pride in knowing that Daly College has given him the foundation to take on the world with confidence and character.

DC has been more than just a school; it has been a space for exploration, discipline, and growth. His teachers nurtured his curiosity, encouraged him to think independently, and challenged him to push his own limits.

DC does not just educate students; it shapes individuals who carry its values far beyond its walls. It has given him the freedom to explore, the resilience to handle setbacks, and the confidence to step forward. The greatest transformation has been in his perspective, one that is grounded yet ready to take on the unknown.

MRS & MR JADEJA

» As my son graduates from this incredible institute, I am overwhelmed with pride. Watching him grow from a young boy in Class 7 to a confident gentleman, excelling in shooting and horse riding as the Equestrian Captain and Sports Prefect, fills my heart with immense joy.

Daly College and its teachers have shaped my son into a well-rounded individual

Daly College is more than a school—it's a home. The most transformative part of his journey has been his growth into a disciplined, responsible, and confident leader, excelling in academics, sports, and character.

MRS MAINI

» Daly College believes in wholesome education for its students where they instill qualities of both the head and the heart and my child, Kabir is a perfect example of the same. The school's philosophy is taken forward beautifully by its faculty in making sure that each child grows to its maximum potential.

I am so glad, we chose Daly College for Kabir, as it inspired, supported, and shaped his young mind to prepare him for both academic success and personal fulfillment. Kabir has transformed from a shy, homesick child into a confident, ambitious go-getter who firmly believes that sheer hard work and dedication can lead to success.

It was a momentous occasion for me as a parent seeing my little shy boy, standing tall and confident on the stage taking his oath as the Sports Prefect for the session 2024-25. With the blessings of his family and the mentoring of Daly College, he is sure to keep the light shining and achieve greater heights in all his endeavours.

MRS & MR YEOLE

» Watching my daughter graduate fills me with pride, joy, and nostalgia. It's a bittersweet experience to see the little girl who first walked into school now stepping into the world.

Daly College has been instrumental in shaping my daughter's growth, both academically and personally. The supportive teachers pushed her to excel while encouraging her to explore her passions. Daly College is a nurturing and inspiring place where students are empowered to discover their full potential, surrounded by dedicated teachers. The most transformative aspect of my daughter's journey at Daly College has been how it nurtured her confidence and self-expression. The school gave her the space to pursue her dreams with conviction.

REFLECTIONS

Jyotindra Mishra
Head Boy

As I sit down to pen these reflections, I am reminded of the journey that has brought me here. All the challenges and the triumphs that have shaped me into the individual I am today, the only emotion that seems to dominate is gratitude. These six years have been a chapter filled with lessons beyond the classroom, friendships that have become family, and moments that I will carry with me for a lifetime.

The boarding life in Daly College is one of the best things that has happened in my life. I am so grateful to my parents for making this decision. Every inter-house event, every friend, and each moment has made a contribution.

Our teachers are the heart of this school. They are the ones who walked into class every day, not just to teach but to inspire.

To all my juniors, never take any event for granted. Just remember that there are a whole lot of us who would give anything just to be a Dalian again. I pass on my legacy to all of you. So go and seize the day! Please take good care of my school—my home.

Saara Lunawat
Head Girl

It feels like just yesterday that I walked into the DC Primary School, clutching my mom's hand, nervous but excited, not knowing that this place would soon become my second home for the next 14 years. And now, as I prepare to step beyond these gates, I find myself holding on to every memory a little tighter. Daly College has given me more than education. It is here that I found my voice, discovered my love for debating, and learned what it meant to lead, take responsibility, and rise after failure. None of this would have been possible without the unwavering support of Principal Ma'am, the Vice Principals, and every teacher who believed in me.

To my juniors, don't rush through these years. Soak it all in. Make mistakes, but learn from them. Push yourself and cherish every moment in this magical place.

As I step into the next phase of my life, I do so with immense gratitude and pride, knowing that no matter where I go, Daly College will always be a part of me. Because being a Dalian isn't just about the years spent here; it's about carrying its spirit with you, always.

Thank you, DC, for everything.

Rishaan Bhatia

Deputy Head Boy

Picture this: a sixth grader, nervously adjusting his costume, stepping onto a stage to enact Alexander the Great in an inter-school declamation. It was a small moment, but it sparked something in me—a belief in the power of words. Years later, standing on a TEDx stage in Grade 12, I realized just how much Daly College had shaped me. DC isn't just a school. It is a world of its own, filled with memories that will stay with me forever. I will always remember the classrooms where

ideas turned into debates, and debates turned into discoveries. The morning assemblies that, whether we admitted it or not, always left us with something to think about. Whether it was getting the opportunity to introduce the Student Council as its President, serving as Deputy Head Boy, or the many other hats that I wore, each role was an honor—a responsibility. It meant standing for something bigger than myself, making sure that every student felt as valued as I once did. Leadership, I learned, is not about being in charge. It is about being there: listening, guiding, and growing alongside those you lead. To my juniors, your journey is just beginning. The long practice sessions, the nerve-wracking speeches, the moments that push you to your limits... embrace them all. Respect your teachers. DC will challenge you, but it will also shape you in ways you cannot yet see. One day, you will look back and realize that these years were not just about lessons and exams. They were about becoming. When your time comes to leave, carry forward the spirit of Daly College with pride.

The legacy is now yours to uphold.

Umika Bhalla

Deputy Head Girl

Fifteen years ago, I took my first steps into Daly College, unaware of the journey ahead.

This journey, from the little colourful classrooms in Pre primary to the 12th grade classrooms adjacent to the principal office, has been nothing short of extraordinary. DC has been my second home, a place where I stumbled, learned, and grew. This institution has given me teachers and friends worth calling family. The countless

memories made in classrooms, corridors, courts and grounds will always be cherished. This institution has seen me at my worst and my best. It taught me how important resilience, hard work and sometimes lack of sleep is in one's life. From pushing myself in sports like marksmanship and tennis, to learning how to balance the plethora of opportunities it has to offer, DC has been my guiding force. As I bid farewell, I do so with immense gratitude for the teachers who mentored me, the friends who stood by me, and the experiences that have prepared me for the world beyond. Dear Daly College, it's been a privilege and thank you for the best 15 years I could ever ask for. Go DC!!

A Crucible
of Ideas

TEDx Daly College Youth

The first-ever TEDx Daly College Youth set the stage for bold perspectives and transformative dialogue. The event gathered visionaries, and changemakers who ignited minds with their profound insights. From education reform to law to self-transformation, the talks spanned a vast intellectual spectrum, reinforcing Daly College's dedication to thought leadership and boundless innovation.

Empowering Educators

The Inaugural Teach Camp at Daly College

Daly College hosted its first-ever Teach Camp, a transformative three-day immersion into cutting-edge pedagogical paradigms. Through interactive workshops and thought-provoking discussions, educators delved into dynamic, future-ready teaching methodologies. Led by industry experts, this initiative reinforced Daly College's commitment to staying at the vanguard of educational excellence, ensuring that learning remains evolving, engaging, and enduring.

CD@DC: A Defining Debate in Legal Discourse

Daly College etched its name in intellectual history by hosting CD@DC, an erudite debate that convened some of India's most distinguished legal minds. Eminent jurists engaged in a spirited discourse alongside our students. This pioneering initiative not only sharpened critical reasoning but also positioned Daly College as a cradle of legal and intellectual inquiry.

CD @ DC

HAPPINESS LEAVE

In a trailblazing move, Daly College introduced the 'Happiness Leave,' a first-of-its-kind initiative in India, spearheaded by our dynamic Principal, Dr. Gunmeet Bindra. This initiative sets a remarkable precedent in employee care, fostering a culture where staff health, happiness, and rejuvenation take center stage.

A Sacred FORAY

This initiative was more than a journey, it was a harmonious confluence of intellect and introspection, faith and inquiry, marking a new dimension in holistic education at Daly College.

Daly College's First Spiritual Pilgrimage

In an extraordinary departure from conventional learning, 22 students embarked on Daly College's maiden spiritual visit to Ujjain under the discerning leadership of our principal. At the

Mahakaleshwar Temple, they immersed themselves in an ancient puja, absorbing the city's profound spiritual energy.

रामलीला

On October 8, Daly College resonated with the spirit of Ram Leela as over 200 students came together to breathe life into the epic. The soul-stirring performances and celestial music drew the audience into a realm where the divine felt

रामलीला

almost tangible. What a seamless fusion of art and technology it was, as the immersive visual dynamics on stage dissolved the boundaries of time and space, making it feel as though one had stepped into an ancient era of grandeur and devotion.
