HAPPY HOLIDAYS

Make them more meaningful and enjoyable!!

- ➤ Make compost- Put dry leaves, vegetable and fruit peels, used tea leaves in a pit and cover it with soil. Let it remain for 30 days. Compost is ready.
- ➤ Keep a bowl of water and grain on the roof/balcony for birds.
- > Lend a helping hand, help your parents in arranging your room, cupboard.
- **Limit watching TV to one hour. Spend time with your grandparents.**
- > Avoid video games instead learn to play Chess, Dobble, Scrabble, Monopoly & Carrom Board.
- ➤ Learn to play some sport chess, football, badminton, etc.
- ➤ Watch sports and cheer for your favourite team!
- ➤ Join hobby classes, learn the basics of a musical instrument
- > Spend time with your family and relatives
- ➤ Share your favourite toy/book with a child in need
- **➤** Make a Sun Catcher

'No Water, no Life'- Let's Save Water this Summer! It's in our hands. Be a water hero 'Save Water'.

"Do your summer vacation homework yourself."

ENGLISH

"There are many little ways to enlarge your child's work.

Love of books is the best of all."

Dear parents,

This summer let us read, read and read with our children. Needless to state reading has a lot of benefit in your child's growth. Here are few reading benefits:-

- Supported cognitive development
- Improved language skills
- Preparation for academic success
- Developing a special bond with your child
- Increased concentration and discipline
- Improved vocabulary, imagination and creativity
- Cultivating. lifelong love of reading

To facilitate this journey here are few books recommendations by us:-

- 1. Ladybid IY Tuck Box Level 1
- 2. Keywords with Peter and Jane Level 1 A
- 3. Bob book Set 1
- 4. Grandma's Bag of Stories by Sudha Murty

You may also refer to this link for more books:https://www.scholastic.com/parents/books-and-reading/book-lists-and-recommendations/series-characters-authors/popular-series-6-7-year-olds.html

- *Take your child to the book store. Please help your child read the story blurb before buying a book.
 - A poem for Inter class **English Elocution and Hindi Elocution** which will be held in July are stuck in the respective notebooks. **Kindly make your child learn the poem.**

SCIENCE

Assignment 1: Make and Test an Anemometer

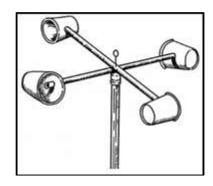

What is an anemometer?

An anemometer is a device that tells you how strong the wind is blowing.

Let's Make One!

Click the link below and follow the steps to make your own anemometer at home:

Watch the video here - https://www.youtube.com/watch?v=Af0LB3abBsk

Steps After Making It:

- 1. Place your anemometer carefully in the balcony, garden, terrace or any open space at home.
- 2. Count how many times it spins in 10 seconds.
- 3. Do this at different times of the day morning, afternoon, and evening.
- 4. Record your observations below:

Time of Day	Number of Spins in 10 Seconds	Wind Speed (Fast/Slow)
Morning		
Afternoon		
Evening

SCIENCE

Click and print a picture of your Anemometer and paste it below:			

(Refer to Page 97 of your Student Book for more on Anemometer and how to record wind speed.)

Assignment 2: Deciduous and Evergreen trees!

What to Do:

- 1. Cut out pictures of **2 deciduous trees** and **2 evergreen trees** from newspapers, magazines, or printouts.
- 2. Paste them in the boxes on the next page.
- 3. Label each tree (just the name) and write one simple sentence about each tree next to it.

Examples:

- Maple Tree (Deciduous): This tree has beautiful red leaves in autumn.
- Pine Tree (Evergreen): Pine trees stay green even in the winter.
